## CONTRACTS AMENDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### COMMUNITY SCHOOLS

#### Programs on Problems of Intolerance

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and award a contract to the Partnership, Inc. (the Partnership), 315 Commonwealth Ave.

Under the terms of the contract, the Partnership will support the joint efforts of the public and private communities in Boston to address the problems of intolerance between classes and races, between races of the same class and among communities and neighborhoods; address the problem of racial violence; and increase the participation of racially, ethnically, and culturally deprived residents in the mainstream of Boston's institutions.

Under this contract, the Partnership will fund the following program activities through the organizations listed:

A) Dorchester Task Force — a neighborhood-based relations organization that includes the cost of ten multiracial Dorchester Youth Councils and one Dorchester-Wide Youth Council, which involves over 150 youths and 30 adult volunteers; and the All-Dorchester Sports League, which involves over 2,000 youths and 100 adult volunteers.

B) Hyde Park United — a neighborhood-based race relations organization, which involves 60 adult volunteer members.

C) Mission Possible — an interracial youth summer day camp in the Mission Hill section of Boston.

These programs are a continuation of the funding previously provided through the Boston Committee, Inc.

Compensation for all services to be performed under this contract shall not exceed \$190,000, an amount I feel is reasonable for the service to be performed. The City Council, as a part of the City of Boston's Fiscal Year 1988 budget, ordered a special appropriation to support these activities.

The term of this contract is July 1, 1987, through June 30, 1988.

The Partnership was established by local business groups especially to lend financial support to activities to improve all facets of the quality of life in Boston. Since the Partnership is receiving funds from private sources as well for this same purpose, it would not be efficient or economical to advertise publicly for this service.

This contract is being submitted late due to administrative oversight and interagency transition.

Sincerely,

William P. Doherty,  
Executive Director.

### Employment Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the J. B. Marshal & Company, Inc., located at 264 Monsignor O'Brien Highway, Cambridge. Under the terms of the contract, the contractor will provide comprehensive employment preparation services to City of Boston residents who are receiving AFDC assistance and are ET-registered. Clients will be referred to the contractor through neighborhood JobStarts offices of

the Mayor's Office of Jobs and Community Services, and the contractor will also do recruitment. Classes will be held at International Place in downtown Boston.

The contractor was selected based upon a review of its concept paper submitted to JCS. The costs for this program are reasonable, and are comparable to those of similar programs providing similar services to the same client population. The developer of International Place is donating the classroom space for this program, and the contractor has operated a similar program in Hartford, which has been very successful.

Compensation under the terms of this contract shall not exceed \$50,000, payment being made from funds received from the State's Department of Public Welfare. The period of performance shall be from January 1, 1988, until December 31, 1988. The submission of this letter has been delayed due to the length of the proposal review process and subsequent negotiations with the contractor.

This is a pilot program which, hopefully, will lead to the establishment of a Boston Jobs Academy. The contractor, with experience in dealing with a similar client population in successfully establishing a similar program in Hartford, is extremely qualified. In my opinion, public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### Building Trades Training

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Home Builders Institute, a nonprofit corporation, located at Washington, D.C. Under the terms of the contract, the contractor will provide entry level training in the building trades to six Boston residents of Hispanic and East Asian origin.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$30,000, payment being provided by the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from January 1, 1988, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### PUBLIC FACILITIES DEPARTMENT Facilities Renovations

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on December 27, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Arch Foundation, Inc., a Massachusetts nonprofit corporation, with offices at 675 East Fourth Street, South Boston, to provide renovations to its facility under the Non-Profit Organization/Physical Improvements Program.

Compensation under this contract shall not exceed \$37,500, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from February 1, 1988, to December 31, 1988. This contract has been submitted late since contract specifications were not finalized by the project manager until February 25, 1988.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals in the *Boston Globe* on December 1, 1987. A selection committee, consisting of members of the Public Facilities Department's Development Division, evaluated proposals based on the following eligibility and selection criteria: community based non-profit organization, low-moderate income census area neighborhood location, readiness to start construction, and feasibility of project. The following non-profit organizations were awarded contracts:

Victory House, Inc., South Boston Neighborhood House, Inc., Little Folks Day Care, Inc., Paige Academy, Inc., NICE Day Care Center, Inc., Fenway Community Health Ctr., Inc., La Alianza Hispana, Inc., Interim House, Inc., F.I.R.S.T., Inc., Arch Foundation, Inc.

Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,  
Director.

### Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on January 14, 1988, I respectfully request your Honor's permission to dispense with public advertising and to award a contract to ASEC, Inc., Massachusetts corporation, with offices at 383 Dorchester Avenue, providing extended design services at the Hennigan School, 200 Heath Street, Jamaica Plain, for the replacement of roofs, windows, exhaust fan units, masonry restoration plumbing and electrical work. Scope of work will include preliminary drawings, design development working drawings and construction supervision.

Compensation under this contract shall not exceed \$122,524 (including \$35,000 for supplementary services) which is a fixed fee of 10.18 percent based on an estimated cost of construction of \$860,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 68 weeks from the date of execution.

This firm has recently completed Phase I for the project from the early planning stages to the completion of construction. They performed very professionally and have extensive knowledge of the

omplex. Accordingly, the qualifications of the above-mentioned firm have been reexamined by the Public Facilities Department Designer Selection Committee pursuant to M.G.L. c. 7, s. 38I. It has been determined that it is in the best interest of the City of Boston to extend the services of this firm.

I believe ASEC, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

#### PUBLIC WORKS DEPARTMENT

##### Charlestown Bridge Replacement

Dear Mr. Mayor:

Please be advised that due to an administrative oversight, the period of performance for Contract No. SC-7601(87) for engineering services relative to the design for the replacement of the Charlestown Bridge and rehabilitation of the approach spans, by STV/Seelye Stevenson Value & Knecht, 230 Congress Street, was allowed to expire.

This has resulted in the termination of the contract before all services could be completed and will not allow for an extension of time, and therefore, a new contract must be implemented in order for the remaining portion of the contract to be completed.

I respectfully request that we encumber the remaining amount of \$171,150 under a new Contract No. SC-7684(88), which will allow the scope of services to be completed.

I further respectfully request that your Honor dispense with public advertising and approve the award of this contract to STV/Seelye Stevenson Value & Knecht, 230 Congress Street, for the work as stated above, for the amount stated above, and for these reasons I believe that public advertising for proposals serve no useful purpose.

The period of performance will be from July 1, 1987, to June 30, 1988. This letter is being submitted at this late date, as it was only recently realized that the contract had in fact expired on June 30, 1987.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

#### Engineering Consultant Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to Barnes and Jarnis, Inc., a corporation located at 216 Tremont Street, for engineering services for the rehabilitation and/or construction of various public roadways in the City of Boston. The department advertised for request for qualifications and shortlisted the applicants to five. We then asked each of the five to submit a proposal. After reviewing the proposals and interviewing the applicants, we selected Barnes and Jarnis based upon their qualifications, experience and their proposed budget.

Compensation under this contract shall not exceed \$247,500, which is the maximum limitation based upon services performed for an amount equal to 2.50 times the hourly rates for employees named on Exhibit A which is attached to the contract. I have determined the cost is reasonable for the work to be performed. The term of this contract shall be from March 1, 1988, to November 30, 1989.

Under the terms of the contract, the consultant will render technical and engineering advice and assistance for all or some of the preliminary engi-

neering, engineering design, preparation of construction drawings and specifications, and management of construction of the improvements. The specifics of the scope of the work will be completely outlined in the contract itself.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purposes.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

#### REAL PROPERTY DEPARTMENT

##### Restoring a Rear Egress

Your Honor:

I respectfully request Your Honor's permission to dispense with public advertising and to award a contract to Camdele Construction Co., Inc. 154 Salem Street. To restore rear egress at 83 Spencer Street, Dorchester (a three-unit tax foreclosure).

Under the supervision of property agents from this department, the Camdele Company will furnish all labor and materials to remove deteriorated rear egress and construct a new egress in accordance with the building code.

Because of the following reasons I have requested and received approval from the Commonwealth of Massachusetts Division of Capital Planning and Operations to dispense with meeting the requirements of Massachusetts General Laws chapter 149, section 44A as it pertains to public advertising: 1. The building is fully occupied by four adults and seven children; 2. the lack of egress is a violation of the state sanitary code requiring an emergency response to repair it.

Vendors currently under contract with the Real Property Department were asked to submit proposals. The following proposals were received:

Camdele Construction Co., Inc., 154 Salem Street, \$10,500; R & L Construction Co., 1849 Dorchester Avenue, \$12,050; A & B Construction, 17 Saybrook Street, Brighton, \$14,750.

In my opinion, the price quoted is a reasonable one and it does not appear that a lower price could have been obtained by public advertising. The cost of the work shall not exceed \$10,500.

Respectfully yours,

J. Edward Roche,  
Commissioner.

#### SCHOOL DEPARTMENT

##### Shop Supplies

Dear Mr. Mayor:

Your authorization is requested for the award of a contract, without public advertising, to John Baldossaro, d/b/a Occupational Training Service, Nashua, New Hampshire, for the period March 15, 1988, to June 30, 1988, for supplying shop supplies, at a cost not to exceed \$2,500, a price that I deem reasonable.

Occupational Training Service is the sole vendor supplying Lab-Volt replacement kit parts and related materials. These supplies are required for use with components which are specifically designed to fit equipment already in place at the Hubert Humphrey Occupational Resource Center.

Since this company is the only supplier of these materials in the northeast region, supplying Lab-Volt replacement kit parts and related materials, it appears that the best interest of the city would not be served by advertising for bids.

Compensation to this vendor during the past year in the form of unadvertised contracts is as follows: 1985/1986 and 1986/1987 was \$00.

Very truly yours,

Leo J. Burke,

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Robert C. Parker, located at 195 Hamilton Street, Cambridge. This contract shall be in effect during the period from February 29, 1988, to June 30, 1988, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the chapter 636 FY'88 proposals for the sum of \$5,128,956. Robert C. Parker's portion as is related to that amount is \$5,000.

The contractor will provide the following services; (1) To train and coach bilingual and ESL teachers in developing appropriate classroom management of the Boston ESL Curriculum at Mattahunt School. Ten days at \$250 per day; (2) to train and coach bilingual and ESL teachers in implementing an intensive English program for nonliterate limited English students at the Lewenberg School. Ten days at \$250 per day.

The contractor is specially qualified to provide the above services because he is a nationally known expert in the field of English as a second language who provides technical assistance to state departments and school districts, designs and evaluates ESL and bilingual programs, trains teachers and administrators, and develops and pilots ESL curricula for local school systems in the United States, Canada, and Europe.

Because of the professional nature of the service to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows; 1985 — \$25,000; 1986 — \$25,000.

Very truly yours,

Laval S. Wilson,  
Superintendent.

#### CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

#### HEALTH AND HOSPITALS

##### Primary Health Care Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Codman Square Health Center, Inc., 6 Norfolk Street, Dorchester, matching grant for primary health care services, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$176,000.

This amendment will increase the contract sum by \$14,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$190,000.

This amendment represents the allocation of prenatal initiative funds targeted to reduce infant mortality rates in the neighborhood by expanding maternal and child health services provided by the community health centers.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

TRANSPORTATION DEPARTMENT  
Adjudicating Parking Violations

Dear Mr. Mayor:

On June 24, 1987, your Honor approved an award of a contract, without public advertising, to Hagop Jawharjian, 10 Chelsea Street, East Boston, for the purpose of adjudicating parking violations in the Adjudication Section of the Office of the Parking Clerk during the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$417,400. This amendment does not change the amount of the original contract.

Your approval is requested to amend this contract to provide for an increase in the hourly wage from \$9.50 to \$10.50 per hour. This amendment is effective on April 1, 1988.

The reasons for the increase in hourly wage are: increased responsibilities and case management; research and preparation of informational material for interoffice use which is an increase from his original responsibilities; and preparation and training of the new hearing officers.

Because of the professional nature of the services to be performed, I believe advertising would serve no useful purpose.

Very truly yours,

Richard A. Dimino,  
Commissioner.

Dear Mr. Mayor:

On June 24, 1987, your Honor approved an award of a contract, without public advertising, to Thomas M. Quinn, III, 34 Bay View Avenue, South Dartmouth, for the purpose of adjudicating parking violations in the Adjudication Section of the Office of the Parking Clerk during the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$17,400. This amendment does not change the amount of the original contract.

Your approval is requested to amend this contract to provide for an increase in the hourly wage from \$9.50 to \$10.50 per hour. This amendment is effective on April 1, 1988.

The reasons for the increase in hourly wage are: increased responsibilities and case management; research and preparation of informational material for interoffice use which is an increase from his original responsibilities; and preparation and training of the new hearing officers.

Because of the professional nature of the services to be performed, I believe advertising would serve no useful purpose.

Very truly yours,

Richard A. Dimino,  
Commissioner.

CITY OF BOSTON

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Demolition and Site Clearance,  
Project No. 131-CI-ATD, City Funds.

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

23 Fernboro Street, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Friday, April 29, 1988, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, of section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: "Project No. 131-CI-ATD."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in

the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment

portunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, April 18, 1988.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Wednesday, May 11, 1988, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above. The successful bidder(s)

must furnish a performance bond, in an amount equal to 50 percent of the contract price.

Said bond must be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

**Proposals for Applying Pavement Markings on Various Road Surfaces in the City of Boston.**

The City of Boston, acting by the Commissioner of Transportation, hereinafter referred to as the Commissioner, with offices at Room 806, City Hall, invites proposals for applying pavement markings on various road surfaces in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 806, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Applying Pavement Markings on Various Road Surfaces in the City of Boston," one copy of which is to be left at Room 806, City Hall, before 12 noon on Friday, April 29, 1988, with a certified check or a bid bond in the amount of 5 percent of bid price payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston resident, 50 percent; Female, 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enter-

prise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report" and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 27, 1988, at 10 a.m., in Transportation Dept. Room 806, City Hall.

**Invitation for Bids for Clearing of Brush and Undergrowth at Various Locations in the City of Boston.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Clearing of Brush and Undergrowth at Various Locations in the City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to clear brush and undergrowth, and to properly transport and legally dispose. Estimated cost, \$25,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, May 3, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Au-

thority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, April 18, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Thursday, April 28, 1988, at 10 a.m., Boston time.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. E1CN39, MBTA RIGHT OF WAY CLEAN-UP, DAVIS SQUARE TO CEDAR STREET, Somerville, Massachusetts, will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on May 3, 1988. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of clearing and grubbing, demolishing, grading, fencing and mulching within the abandoned MBTA Fitchburg Freight Cutoff Railroad Right-of-Way. The Right-of-Way extends for a distance of about 2,600 linear feet through a portion of the City of Somerville and is intersected by three major streets. Currently there is a considerable amount of trash, light vegetation, railroad track and a loading dock all of which shall be removed. Property fencing shall be closed and repaired and gates and bollards shall be installed to control access/egress. The steeper slopes shall be mulched for erosion control.

This contract is subject to a financial assistance contract between the MBTA and the U. S. Department of Transportation.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after April 3, 1988, Monday through Friday, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 16 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained

from the office of the Project Manager, Mr. Howard Haywood, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. A prebid conference will be held on April 19, 1988, at 10 a.m., in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement, or agreement which results from this solicitation.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 11.10 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and

will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of Mr. Daniel E. Horgan, Project Manager, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5914. A walking inspection tour to view the existing conditions will be conducted on May 4, 1988, at 8 a.m. Prospective bidders wishing to accompany the tour should meet at the indicated time at 21 Arlington Avenue, Charlestown, Mass.

A prebid conference will be held on May 5, 1988, at 9 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhours per trade) for this contract are as follows: Minority, 25 percent; Boston resident, 50 percent; Female, 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the con-

tractor must give satisfactory assurance that at least 20 percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report" and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, April 27, 1988, at 10 a.m., in Transportation Dept., Room 806, City Hall.

**Proposals for Hand-Sewn Binding of New Books and Rebinding of Old Books.**

The County of Suffolk, acting by its Register of Deeds, Government Center, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for hand-sewn binding of new books and rebinding of old books, with quality at least equal to Irish linen thread 12/4 and 16/4 cord onto 4-double 6-cord flax twine, for the Recorded Land Section and Registered Land Section of the Registry of Deeds, for the period from July 1, 1988, through June 30, 1989, in accordance with the specifications accompanying the proposal forms which may be obtained at the Registry of Deeds Office, fifth floor, Old Courthouse, Government Center, Boston, after 9 a.m., Boston time, April 19, 1988. This contract not to exceed \$7,500.

Bidders are required to leave at the above office their bid proposal, accompanied by a bid deposit in the form of a certified check, issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be filed with the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of work to be done.

Bids will be publicly opened and read on Thursday, May 5, 1988, at twelve noon, at the Registry of Deeds.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for three (3) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no bid proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

## CRACKDOWN ON ILLEGAL AUTO REPAIR SHOPS

Boston's Inspectional Services and Transportation Departments will continue their full-scale crackdown on auto repair shops in Dorchester and Roxbury that are operating without permits and in violation of city regulations. In addition to causing environment problems in the neighborhoods, the illegal automobile businesses are suspected of contributing significantly to the mounting problem of abandoned autos on city streets. The auto shops will be inspected for violations of city regulations and all abandoned vehicles will be towed from neighboring city streets.

For the past several months, the Inspectional Services Department (ISD) has been working toward closing down all illegal auto repair shops operating in Boston in addition to instituting a periodic inspection and permitting system for the thousands of legal auto repair businesses located within City of Boston limits.

According to ISD Executive Director Peter Welsh, "Just recently, ISD worked with residents of Northampton Street in the South End who were concerned over the increase of discarded autos and auto parts strewn throughout their neighborhood. As a result, Northampton Street's auto shop owners are cooperating with their neighbors. They have cleaned up their property considerably and the aesthetic quality of the neighborhood is much improved."

In a collaborative measure designed to enhance the attractiveness of neighborhood streets, the Transportation Department (BTD), last July, took on the task of removing the dramatically increasing number of abandoned vehicles from Boston's streets.

BTD Commissioner Richard A. Dimino said, "Two primary factors are contributing to the increasing number of abandoned autos, the decreased price of scrap metal and stiffer DEQE regulations pertaining to the environmental hazards of waste materials." He added, "A main source of abandoned vehicles are illicit auto shops operating without regard for the detrimental effect their actions are having on the surrounding community."

Since July, the BTD has removed 7,221 abandoned vehicles from Boston's streets and Commissioner Dimino noted that the department's fleet of tow trucks will be on hand from April 9 to rid the target areas of the reportedly high number of discarded autos.

twenty-one vacant lots in Dorchester and Mattapan in the initial round of Project 747's Buildable Lots Program. Construction is scheduled to begin within the next month. Once completed, the three-bedroom units will sell for between \$82,000 and \$85,000.

Another 105 parcels — comprising nine large sites — have also been advertised under Project 747. Developers have been designated on six of the nine large sites.

Project 747 places a high premium not only on the affordability of individual units, but also on the quality of design and the capacity of the builders to deliver. The new homes will be marketed by the city through local nonprofit organizations.

Interested applicants may pick up the Request for Proposals form at PFD's Housing Division, 26 West Street, sixth floor. Questions concerning the purchase of available units should be directed to the Clearinghouse at 725-4105.

### "PLAYMAKERS" ROLL ON TO VICTORY

The fortieth season of the Boston Parks and Recreation Department Women's "A" Divisional basketball ended with no surprises. The "Playmakers" from Dorchester/Roxbury had an 8/0 record. The other three slots for playoffs positions went down to the final game of the playing season.

The semifinals had the "Playmakers" keeping their undefeated season alive by winning two straight games over the "1270" and the "Shelburne" team from Roxbury, ending up in second place over Centre Village.

The city finals began Monday, April 11, at 7 p.m., at Madison Park High School. The Shelburne team was out to capture the city title from the Playmakers who handed the Shelburne their only losses during the playing season.

### CITY TO DEVELOP MORE VACANT LOTS

The Public Facilities Department (PFD) of the City of Boston is seeking proposals for the development of another twelve vacant lots under Project 747's Buildable Lots Program. This ambitious project aims to turn all of the city's vacant buildable lots into attractive quality housing for the people of Boston. The twelve lots are being offered in four packages of three lots each. All of the lots are in Dorchester:

Uphams Corner, Bowdoin/Fields Corner, and Codman Square. Prospective developers must submit their proposals by May 20, 1988.

"We expect to designate developers for these lots in the summer," said Sue Cunio, Manager of the Buildable Lots Program for the Public Facilities Department. "If all goes well, these units could be ready for people to move into early next summer."

In January, four development teams were selected to build new homes — predominantly three-deckers — on

## A TRIBUTE TO IRVING BERLIN

Irving Berlin, one of the most influential, most prolific, and most successful American songwriters of the twentieth century, will celebrate his 100th Birthday on May 11, 1988.

To honor this outstanding American and world-renowned musician, the Boston Public Library is presenting a series of musical films featuring songs by Irving Berlin. This premiere series will feature early, rarely seen sound films for which Mr. Berlin wrote both the music and the lyrics, at Rabb Lecture Hall, Boston Public Library, Copley Square, Mondays at 6:30 p.m. from April 25 to June 13, 1988.

## MUSEUM EXHIBITIONS

The Ebsworth Collection: American Modernism, 1911-1947, being exhibited from April 6 to June 5.

The period spanned by the two World Wars was an extraordinarily vital one for American artists. Various characterized as the jazz age and the machine age, and witnessing dramatic economic growth and the Great Depression, the era inspired original and diverse achievements in literature, music, and especially the visual arts. Painters and sculptors produced work in many different styles, from the poignant realism of Edward Hopper and the fantastic landscapes of Joseph Stella to the romantic abstractions of Georgia O'Keeffe, Arthur G. Dove, John Marin, and others gathered around the great artist-impresario Alfred Stieglitz. Artists painted intimate still lifes, bold geometric designs, surrealist dreamscapes, and images of industry; in spite of their diversity, such works were customarily exhibited all together in great, exuberant annual shows held in museums across the country.

The energetic eclecticism of this period is recreated in the exhibition "The Ebsworth Collection: American Modernism, 1911-1947." Assembled over the last fifteen years by Saint Louis Businessman Barney A. Ebsworth, the collection is now exhibited to the public for the first time. It features some of the icons of American painting of this period — Charles Sheeler's *Classic Landscape* (1931), Hopper's *Chop Suey* (1929), Stella's *The Tree of My Life* (1919) — and monumental works by

O'Keeffe, Marsden Hartley, and the avant-garde sculptor John Storrs. This wide-ranging and adventurous collection also introduces such artists as Ilya Bolotowsky, George Ault, and Suzy Freylinghausen — whose work was much admired in its own time and is just now being rediscovered — and to almost unknown figures who may be tomorrow's discoveries.

The exhibition is accompanied by a fully illustrated color catalogue, with essays by distinguished scholars William C. Agee, Charles E. Buckley, and John R. Lane. This exhibition was organized by The Saint Louis Art Museum, where it was first shown.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P, of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "New Water Service at the George White Schoolboy Stadium, Franklin Park, Jamaica Plain, Mass.," at an estimated cost of \$50,000.

**SCOPE OF WORK:** In general includes: plumbing, excavation, backfilling, resurfacing of roadway and sidewalk areas, cutting and coring of holes, patching and refinishing.

**PLANS AND SPECIFICATIONS** will be available on or about Wednesday, May 4, 1988, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

**ALL GENERAL BIDS** will be received before twelve o'clock noon on Wednesday, May 18, 1988, at which time and place they will be publicly opened and read aloud. General contractors must file with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects in plumbing, up to a project dollar amount and up to an aggregate limit, and with an update statement, DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**Request for Proposals for a Summer Theatre  
Training and Performance Program for the  
Parks and Recreation Department.**

The City of Boston, acting by the Commissioner of the Parks and Recreation Department, hereinafter referred to as the Commissioner, invites sealed proposals for work generally described above and in the request for proposals.

This Awarding Authority encourages nonprofit organizations to bid on these contracts.

**PROPOSALS** will be received until 2 p.m., Boston time, Monday, May 9, 1988, and shall be placed in the bid box provided for receiving bids, at the office of the Commissioner, Parks and Recreation Department, One City Hall Square, Room 816, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the name of the bidder and the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or a certified check or a treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston in the sum of \$100. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time for

the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for performance as may be applicable.

The City will award the contract under this request for proposals to that responsible and eligible, proposer whose proposal conforming to this request for proposals may be deemed by the city and the official to be most advantageous and otherwise in the City's best interest, price and other factors considered.

Specifications and other contract documents will be available on and after Monday, April 25, 1988, at the office of the Commissioner at and after 9 a.m., Boston time.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

**NOTICE TO BIDDERS**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, hereinafter referred to as the Awarding Authority, invites proposals for furnishing trucking services for the period July 1, 1988, to June 30, 1989, in various schools. Forms of proposals may be obtained at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass. Each proposal must be signed by the bidder, placed in an envelope, properly sealed, and marked, "Proposal for Furnishing Trucking Services for the Period July 1, 1988, to June 30, 1989, in Various Schools," and left at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass., before twelve o'clock noon, Boston time, Wednesday, May 11, 1988, accompanied by a certified check of a responsible bank of trust company, payable to the City of Boston, in the sum of \$5,000, to become and be the property of the City of Boston as liquidated damages, if after an award is made to him, the bidder shall fail to enter into a contract therefor within ten days after notice of said award has been mailed to him. Bid bonds will not be accepted. Said proposal will then and there be publicly opened and read. Proposals must be made in duplicate, one with a certified check to be left at the above address, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required prior to the award of the contract. Also the contractor shall comply with the applicable requirements of the Department of Public Utilities of the Commonwealth of Massachusetts.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bidder may withdraw his bid within thirty days after the date of the public opening of bids.

Specifications may be obtained at the office of the Senior Structural Engineer, 26 Court Street, Boston, Mass.

A bond of an approval surety company in the sum of \$25,000, to secure the due performance of the contract and the full protection of the city will be required.

The Senior Structural Engineer reserves the right to reject any and all bids.

**DEPARTMENT OF HEALTH AND HOSPITALS**

**Invitation for Bids for Professional Management  
of the Dietary Department of Boston City  
Hospital.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, Tuesday, April 26, 1988.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Friday, May 6, 1988, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above. The successful bidder(s) must furnish a performance bond, deposit of money, or other security acceptable to the Awarding Authority in an amount of \$50,000.

Said bond must be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

PUBLIC WORKS DEPARTMENT

Proposals for the Disposal of Refuse from Various Districts of Boston Street Cleaning and Vacant Lot Debris for the Period July 1, 1988, to June 30, 1989.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for the disposal of refuse from various districts of Boston street cleaning and vacant lot debris for the period July 1, 1988, to June 30, 1989.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, April 25, 1988.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for the Disposal of Refuse from Various Districts of Boston Street Cleaning and Vacant Lot Debris for the Period July 1, 1988, to June 30, 1989," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 p.m. of Thursday, May 12, 1988.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, but in no event less than one hundred dollars (\$100), nor more than fifty thousand dollars (\$50,000), in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. There will be a charge of five dollars (\$5), NOT REFUNDABLE, for each set of contract documents taken out.

Anti-Discrimination Affirmative Action: During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agrees to the following:

In connection with the performance of work under this contract, the contractor shall not discriminate against any employee or applicant for

employment because of race, color, religious creed, national origin, age, or sex. The aforesaid section shall include, but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment advertising, recruitment lay-off, termination, rates of pay or other forms of compensation, conditions or privileges of employment, and selection for apprenticeship.

Before commencing performance of the contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be in the best interest of the city to do so.

There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, in the form of a bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder's security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.
2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.
3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.
4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum

Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

**ATTENTION TO ALL BIDDERS**

**I. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**PREBID CONFERENCE**

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 10, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

**ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH.** The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**Proposals for Applying Pavement Markings on Various Road Surfaces in the City of Boston.**

The City of Boston, acting by the Commissioner of Transportation, hereinafter referred to as the Commissioner, with offices at Room 806, City Hall, invites proposals for applying pavement markings on various road surfaces in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 806, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Applying Pavement Markings on Various Road Surfaces in the City of Boston," one copy of which is to be left at Room 806, City Hall, before 12 noon on Friday, April 29, 1988, with a certified check or a bid bond in the amount of 5 percent of bid price payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston resident, 50 percent; Female, 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enter-

**Proposals for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City.**

The City of Boston, acting by the Commissioner of Transportation hereinafter referred to as the Commissioner, with offices at Room 806, City Hall, invites proposals for repairs to traffic signal cable in the Boston Edison Manhole System and loop detectors at various locations in the City.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 806, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City," one copy of which is to be left at Room 806, City Hall, before 12 noon on Friday, April 29, 1988, with a certified check or a bid bond in the amount of 5 percent of bid price payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to

mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston resident, 50 percent; Female, 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least N/A percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report" and the "Minority Business and the General Contractor's Letter of Intent."

**Invitation for Bids for Clearing of Brush and Undergrowth at Various Locations in the City of Boston.**

The City of Boston, acting by the Parks Commissioner, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Clearing of Brush and Undergrowth at Various Locations in the City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to clear brush and undergrowth, and to properly transport and legally dispose. Estimated cost, \$25,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, May 3, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority

reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, April 18, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Thursday, April 28, 1988, at 10 a.m., Boston time.

# CITY RECORD

RAYMOND L. FLYNN  
 MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

CHRISTOPHER A. IANNELLA  
 PRESIDENT, CITY COUNCIL

OL. 80

MONDAY, MAY 2, 1988

NO. 18

## BOSTON'S BOND RATING UPGRADED TO "A"

Mayor Raymond L. Flynn, has announced that Moody's Investor Service, the New York investment rating firm, has raised Boston's bond rating from "3aa1" to "A." This is the highest rating ever given to Boston, matching the level which the City briefly enjoyed in the early 1970s.

Explaining its decision to provide the "A" rating, Moody's noted "the strength of the economy, combined with management initiatives, has enabled the City to emerge from constraints of Proposition 2½ with controls in place providing for balanced budgets while simultaneously enhancing service levels. The City has also developed a clearly defined capital program which addresses a backlog of capital needs."

Moody's stated that "the City's robust, vibrant economy continues to outperform much of the nation and is a key factor in the rating revisions. With this upgrade, Boston's fourth in the last five years, the general obligation bond rating has risen more rapidly than the ratings of any of the twenty-five major cities in the country."

"This rating increase — our third in less than fifteen months — reflects our successful efforts to put Boston's financial house in order and to improve the management of city government," said Mayor Flynn.

The Mayor noted that under the City's current plan to issue approximately \$350 million in general obligation debt over the next five years, the City could save between \$8.5 million to \$17.5 million over the life of those borrowings as a result of the improved rating.

"By reducing our borrowing costs, we can allocate a greater share of our resources to the delivery of basic services," said Mayor Flynn. "That's good news for the residents and taxpayers of Boston."

### SALUTE TO HYDE PARK HISTORY

The Friends of the Hyde Park Branch Library will present an Illustrated Talk by John Antoniazzi, vice-president, Friends and curator, Hyde Park Historical Society.

Every so often we realize that Hyde Park's small town atmosphere is important to us all. How much have we changed and still remained the same

town? John Antoniazzi will show us on an armchair tour from the present to the past and back again, with perhaps a hint of the future. Slides will be seen side-by-side on double screens to let us compare what was then and is now. Won't you join us for this innovative and nostalgic look at our own home town?

The talk will be given at 2 p.m., Saturday afternoon, May 21, 1988, at Weld Hall, Hyde Park Branch Library, 35 Harvard Avenue, Hyde Park.

The public is invited. Everyone is welcome! Refreshments will be served. Admission is free to all!

### SCOLLAY SQUARE

A slide Presentation of Scollay Square is to be held Thursday evening, May 26, at 6:45 p.m.

Memories of old Scollay Square will recall Boston's former playland, from the opening of the Old Howard to the opening of the new Boston City Hall.

The speaker will be David Kruh, writer and historian.

Suggested reading about Scollay Square is *Much Ado About Me* by Fred Allen. The presentation is to be at West End Branch Library, 151 Cambridge Street, Boston, Admission is free!

### Boston Massacre Site

At this site, on March 5, 1770, a British guard of nine soldiers clashed with an unruly mob, resulting in the death of five colonists — including Crispus Attucks, an early black patriot.

### Old North Church, Christ Church

Built in 1723, "Old North," or Christ Church, in Boston is the city's oldest standing church. On April 18, 1775, two lanterns hung from the steeple signalled to patriots across the river that the British were on their way to Concord "by sea."

### Paul Revere House

Built in 1676, this is the oldest standing structure in downtown Boston. Paul Revere owned the house from 1770 to 1800 and left its doors on December 16, 1773, for the Boston Tea Party and on April 18, 1775, for his historic ride to Lexington and Concord.

Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 10, 1988, at 11 a.m., Boston time.

**BIDS** shall be submitted in duplicate before 2 p.m., Boston time, on Wednesday, May 18, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

**SPECIFICATIONS AND PLANS** will be available on or about Monday, May 2, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

**BIDDERS** are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 10, 1988, at 11:30 a.m., Boston time.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Egress Door Repairs — Phase II Boston City Hall, Project No. 4697, C. 149 Projects.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Egress Door Repairs — Phase II Boston City Hall."

SCOPE OF WORK includes remedial repairs to selected doors at City Hall.

TIME AND PLACE FOR FILING BIDS: ALL GEN-

ERAL BIDS shall be filed with the Awarding Authority at the sixth floor, 26 Court Street, Boston, MA 02108, before twelve o'clock noon on May 19, 1988, at which time and place respective bids will be opened forthwith and read aloud.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on or about May 2, 1988, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Steel Pipe Service Gates and Steel Bollards at Various Locations, City of Boston."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment necessary to install steel pipe swing gates and to install steel pipe bollards in parks and playgrounds. Estimated cost, \$75,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, May 19, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, May 2, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 10, 1988, at 10 a.m., Boston time.

**Invitation for Bids for Professional Management  
of the Dietary Department for Mattapan  
Hospital and Long Island Hospital.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, May 2, 1988. On Tuesday, May 10, 1988, a bidders tour of the facilities at Mattapan Hospital will be conducted. The tour will begin at 9 a.m., from the main cafeteria. At the completion of this tour, the group will proceed to the Conference Room at Mattapan Hospital for a bidders conference at 10 a.m.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Friday, May 20, 1988, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above. The successful bidder(s) must furnish a performance bond, deposit of money, or other security acceptable to the Awarding Authority, in the amount of \$50,000.

Said bond must be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. C1CN14, READVILLE MAINTENANCE OF WAY HEAD-QUARTERS, Hyde Park, Mass., will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on May 17, 1988. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of a new prefabricated Maintenance-of-Way Headquarters consisting of a Vehicle Maintenance Garage and Administration Offices, including site improvements and utilities.

Bidding documents may be obtained from the Contract Administration Office at the above address after April 18, 1988, from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 16 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246, and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Walter G. Cusack, 275 Dorchester Ave., South Boston, MA 02127, Telephone No. (617) 722-5656. A prebid conference will be held on May 3, 1988, at 10 a.m. at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

All proposals shall be filed no later than twelve o'clock noon, Monday, May 16, 1988, at the office of the Director at which time and place they shall be publicly opened and read aloud. A bid bond, cashier's check, or other bank draft payable to the City of Boston in the amount of \$100 shall be required with the submission of the bid to the Office of Contract Management.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Director, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be \$300.

The City and the Director reserve the right to reject any or all proposals or any parts thereof and to award the contract as the Director deems to be in the best interest of the City.

**TRANSPORTATION DEPARTMENT**

**Invitation for Proposals for Custodial Services  
at 200 Frontage Road, Boston.**

The City of Boston (the City), acting by its Commissioner of Transportation (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents. The work generally consists of providing custodial services at the above-described facility which is open to the public twenty-four hours a day. The facility contains approximately 14,000 square feet of area, which will be serviced on a variable schedule. The work must be accomplished between the hours of midnight and 6 a.m., Tuesday through Saturday (exclusive of municipal holidays). The period of this contract will be from July 1, 1988 until June 30, 1989.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 806, City Hall, Boston, on or after May 2, 1988.

All proposals shall be filed no later than 1 p.m., Boston time, May 10, 1988, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be 100 percent of bid price.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

**Request for Proposals for Consultant to Provide  
Expert Mapping and Geographic Information  
Services.**

The City of Boston (the City), acting by the Commissioner of Assessing (the Official), invites sealed proposals for the performance of the work generally described above, and in the request for proposals.

Every proposal shall be submitted in an original and six (6) copies in accordance with the Request for Proposals which may be obtained at the office of the Official, Room 301, City Hall, Boston, MA 02201, on or after Thursday, May 5, 1988.

One copy of the proposal shall be filed no later than 10:30 a.m., Boston time, on Friday, May 20,

1988, at the office of the City Auditor, Room M4, City Hall, Boston, Mass. The original and five (5) copies shall be filed no later than 10:30 a.m., Boston time, on Friday, May 20, 1988, at the Assessing Department, Room 301, City Hall, Boston, Mass., at which time and place they shall be opened. For a proposal to be responsible and responsive, the original must be accompanied by a bid deposit in the amount of \$100 in the form described in the request for proposals.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for performance as may be applicable. The Official has determined that the requirements for insurance and a performance bond are not necessary. Minorities and women are encouraged to apply.

The City and the Official reserve the right to accept or reject any or all proposals, in whole or in part; to waive any defects, informalities and minor irregularities in the proposals received, to accept exceptions to these specifications and to act otherwise as the City and the Official alone may deem in the City's best interests.

The City will award the contract under this request for proposals to that responsible and eligible proposer whose proposal conforming to this request for proposals may be deemed by the City and the Official to be most advantageous and otherwise in the City's best interest, price and other factors considered.

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

PRESIDENT, CITY COUNCIL

VOL. 80

NO. 10

## BOSTON PURCHASES MAYOR CURLEY HOUSE

Boston Mayor Raymond L. Flynn and the Oblate Fathers of Mary Immaculate, on April 21, announced an agreement which allows the City of Boston through the George R. White Fund to purchase the historic James Michael Curley House in Jamaica Plain.

Citing the need to "preserve the historic integrity" of the twenty-one-room mansion, Mayor Flynn said the former home of the late Governor of Massachusetts and Mayor of Boston, which overlooks Jamaica Pond, will be used as an immigrant museum and intercultural center.

Mid-afternoon agreement was reached two days before the seventy-one-year-old Georgian estate was to be sold at public auction.

The Trustees of the White Fund, which voted April 12 to make an offer to buy the Curley House from the Oblate Fathers, include the following ex-officio members: Chamber of Commerce President Harold Hestnes; Boston Bar Association President Gene Dahmen; City Council President Christopher Iannella; City Auditor Leon Stamps; and Fund Chairman Mayor Flynn.

"I am pleased to know that through this agreement we will be able to preserve this historic building for the City of Boston and to provide a cultural center to exhibit the City's rich immigrant history and to provide a visitors center for the City," the Mayor said during a news conference at City Hall.

"I want to thank Father George Kirwin of the Oblate Fathers and Atty. Michael Marsh for their goodwill in making this agreement possible," the Mayor added. "With this new center, visitors, residents and newcomers to the center can share their heritage and learn about other cultures."

Mayor Flynn said the new center would showcase "Boston's rich immigration history and highlight the many important contributions made by the diverse ethnic groups who have made Boston their home."

"Our City has a wealth of historical and cultural resources to assist in program planning for this center," he added. The Mayor said he would soon appoint a committee to oversee the City's plan to use the Curley House.

The City's purchase price of \$1.5 million includes the building, the two-car garage, and 1.2 acres of land. The funds will be drawn from the income of the George Robert White Fund, a sixty-two-year-old trust, established to create works of public utility and beauty across the city.

Also included in the City's purchase are furnishings which decorated the house when James Michael Curley lived there. There is a Regency mahogany oval diningroom table and chairs, a mahogany library desk, several Persian Oriental rugs, parlor, bedroom and library furniture, lamps, and the remainder of Mayor Curley's vast book collection.

Besides the board members, the Mayor also thanked City Councillors Iannella and Thomas Menino for "their keen interest in preserving this historic building for the City." He also thanked Kevin Walsh, executive secretary of the City's trust office and manager of the George Robert White Fund for handling negotiations on behalf of the City.

### O'LEARY TESTIFIES AGAINST CUTS FOR MASS TRANSIT

MBTA General Manager James F. O'Leary assailed President Reagan's proposed federal budget that would reduce outlays for mass transit nationwide from \$3.2 billion in fiscal year 1988 to \$1.5 billion in fiscal year 1989.

O'Leary testified this week in Washington, D.C., before the Transportation Subcommittee of the U.S.

House of Representatives' Committee on Appropriations, which is holding hearings on President Reagan's proposed budget for FY 1989.

In his remarks, O'Leary said the budget cuts would represent a devastating loss to the MBTA of approximately \$77 million annually, and would force reductions in service, possible fare increases, deferral of important maintenance initiatives, and jeopardize the Authority's efforts to continue the progress made in its modernization agenda.

O'Leary credited in part the federal funding received by the MBTA with the systemwide improvements that have resulted in a 15 percent increase in transit ridership and a 46 percent increase in commuter rail ridership since 1982. "It is vital that we continue this federal/state partnership and that we strengthen the role of public transportation to preserve and expand the healthy economy of the Greater Boston region," O'Leary said.

The General Manager has communicated with all of the members of the Massachusetts Congressional Delegation, as well as other key committee chairmen in asking for their help in preventing these massive reductions in mass transit funding. He stressed that funding levels should remain at least at the \$3.2 billion level approved during FY 1988.

Recent federal budget cuts for mass transit have resulted in a decrease in federal capital assistance to the MBTA from \$116 million in 1985, to \$35 million in 1987. The major reason the MBTA has been able to weather these massive reductions in funding has been the generous support of the Massachusetts Legislature. Between 1984 and 1987, the state's share of the MBTA's Capital Program has increased from 35 percent to 75 percent. O'Leary

(Continued on next page)

## CUTS FOR MASS TRANSIT . . .

(Continued from previous page)  
stressed that any further cuts would place an unacceptable financial burden on the MBTA and the Commonwealth of Massachusetts.

O'Leary also acknowledged that while the federal budget deficit is a serious problem and all segments of society must contribute to finding a solution, mass transit nationwide has taken on more than its fair share. Federal support for transit has been reduced in real terms by nearly 50 percent since 1982.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT  
Printing Section

Printing Presses Servicing

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Walter E. Delaney, an individual, located at 12 Channel Street, Boston, for the servicing and maintenance of two printing presses.

Under the terms of the contract, the contractor will service and maintain two Miehle Vertical No. V-50 (Pre-War) 1940-1941 printing presses.

The contractor is uniquely qualified to work on such an old press.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. The estimate for the work to be performed is \$3,832.50. Parts are estimated at \$2,647.50, labor at \$1,080 (twenty seven hours at \$40 per hour), freight at \$75, and transportation at \$30. The term of this contract shall be from April 11, 1988, to June 30, 1988.

Because of the fact that we couldn't find anybody else to work on these particular presses and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,  
William J. Hannon,  
Superintendent.

HEALTH AND HOSPITALS DEPARTMENT

Medical and Surgical Supplies, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to the following vendors:

Fisher Scientific, Medford, \$236,450, net 30 days;

Alliance Supply Company, Newton, \$200,000, net 30 days;

Delta Hospital Supply, Inc., Dover, \$200,000, net 30 days, FOB, Mansfield;  
Dura-Wear Glove and Safety Company, New Jersey, \$200,000, net 30 days.

A multi-vendor contract was awarded to several vendors to furnish medical and surgical supplies to the Department of Health and Hospitals based on Proposal 668, which was advertised in the *City Record* on October 12, 1987, and opened on November 5, 1987, for a one-year period from January 1, 1988, through December 31, 1988.

On this bid were several items for disposable gloves. Although we did receive bids, and contracts have been awarded to those companies bidding, the availability of gloves in the marketplace at any given time has become a very serious problem. The companies listed above have indicated that they would supply gloves to us, if they are not available from our contracted suppliers, according to availability and pricing in the market place as of the date of shipping.

Therefore, in view of the above, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract amounts are approximate figures based on estimated volumes. The contract period is from February 1, 1988, through December 31, 1988.

These awards are being processed late because we did not have the necessary documents from the vendors in order to process the contracts.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

Dear Sir:

An invitation for bids, Proposal No. 694, to furnish additional items for emergency medical supplies and accessories to the Department of Health

### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must, except in emergencies, be in hand at the *City Record* office by NOON, Friday of each week to insure its publication in the following issue.

PLEASE NOTE: That the deadline of NOON, FRIDAY of each week is ten days in advance of publication.

and Hospitals was advertised in the *City Record* on February 15, 1988. Bids were publicly opened and read on February 29, 1988. Twenty companies were solicited and ten companies responded to the invitation to bid.

A technically defective bid was received from the following vendor, who submitted the lowest acceptable bid meeting specifications at prices I consider to be reasonable, in that the vendor submitted a late bid.

Aero Products, Inc., Florida, \$13,400, net 30 days.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the above vendor. The contract amount is an approximate figure based on estimated volume. The contract period is from March 15, 1988, through June 30, 1988.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

Storage Space, Medical Records, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Iron Mountain Group, Division of Schooner Capital Corporation, 99 Bedford Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$48,000.

Under this contract Iron Mountain Group will provide space for storage of medical records and X-rays at its 32 George Street facility as follows: storage fee, \$44,996; additional charge for retrieval, boxes, etc., \$3,004.

In Fiscal year 1987 a contract was awarded to Iron Mountain Group in the amount of \$48,000. Prior to that, these services were provided by New England Storage Warehouse, which has been bought by Iron Mountain Group, Division of Schooner Capital Corporation. Unadvertised contracts were awarded to New England Storage Warehouse for the following amounts: 1986 — \$44,996; 1985 — \$44,996.

Therefore, because the medical records and X-rays are presently located at the 32 George Street facility, and because the cost, in my opinion, is reasonable, no benefit inure to the city by publicly advertising for bids.

This contract is being awarded late because the Medical Records Department forgot to request renewal of this contract.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

Temporary Nursing Personnel

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract without advertising to Birth Care, Inc., Brighton, for the period February 15, 1988, through June 30, 1988, at a cost not to exceed \$50,000.

Under this contract, Birth Care, Inc. will supply temporary nursing personnel for the Labor and Delivery Suite at Boston City Hospital.

Fiscal year 1988 is the first year that a contract will be in effect with Birth Care, Inc.

The Department of Health and Hospitals currently has contracts with five vendors to supply tem-

ary nursing personnel. These vendors are not able to meet the needs of Boston City Hospital's requirements.

This company specializes in maternal and infant care, and because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by further advertising for bids.

This award is being processed late because the documents were not received from the vendor until after February 15, 1988.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### LAW DEPARTMENT

#### Consultants Services

Dear Mr. Mayor,

I respectfully request your permission to dispense with public advertising and to award a contract to Howard/Stein-Hudson, Inc., a corporation located at 38 Chauncy Street, Boston, for services as a transportation consultant.

Under the terms of the contract, Jane Howard will serve as an expert witness and testify on behalf of the City of Boston in the case of *National Amusement vs. City of Boston*, Land Court, Civil Action 123588. She will review and supplement the transportation study done for the Boston Redevelopment Authority for this case, and assist in trial preparation.

Jane Howard is uniquely qualified to do this work because she has a Master's Degree in City Planning; was a transportation planner for the Boston Redevelopment Authority from 1974 to 1980; and has been an urban transportation consultant since 1980.

Compensation under this contract shall not exceed \$3,750 to be paid at the rate of \$75 per hour, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be March 30, 1988, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph I. Mulligan, Jr.,  
*Corporation Counsel.*

Dear Mr. Mayor,

I respectfully request your permission to dispense with public advertising and to award a contract to Jerold Kayden, an individual located at Lincoln Institute of Land Policy, 26 Trowbridge Street, Cambridge, for his services as an expert and use consultant and attorney.

Under the terms of the contract, Jerold Kayden will serve as an expert witness and testify on behalf of the City of Boston in the case of *National Amusement vs. City of Boston*, Land Court, Civil Action 123588. In addition, he will act as a consultant in framing the issues and strategy for trial, preparation for trial, and post-trial brief in this matter.

Jerold Kayden is uniquely qualified to do this work because he is a land expert and attorney; he is of counsel in the law firm of Warner and Stackpole, and he is on the faculty of the Lincoln Institute of Land Policy.

Compensation under this contract shall not exceed \$20,000 to be paid at the rate of \$200 per hour, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be March 30, 1988, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph I. Mulligan, Jr.,  
*Corporation Counsel.*

#### POLICE DEPARTMENT

#### Drug Screening Tests

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to SmithKline Bio-Science Laboratories, Inc., Waltham, for the administration of drug screening tests.

Under the terms of the contract, SmithKline Bio-Science Laboratories will conduct and analyze a series of drug screening tests of the Police recruits assigned to the Training and Education Division during their one-year probationary period.

SmithKline Bio-Science Laboratories is specially qualified to conduct this drug screening on short notice, as may be required to ensure the success of the screening program. The contractor is also qualified to ensure that the necessary confidentiality of the program is maintained.

The total cost of this contract shall not exceed \$35,000, which I have determined to be reasonable. The cost of each substance test is \$30 per person. Four classes of recruits will be covered under this contract, and there will be multiple testing done during their probationary year. The Police Department has contracted with SmithKline Bio-Science Laboratories for these services in Fiscal Year 87 for \$20,000, and in Fiscal Year 86 for \$12,000. The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the special nature of the services to be provided and the need for these services to be conducted in a confidential and exigent manner, it is submitted that public advertising would serve no useful purpose. This letter is being submitted late due to administrative delays caused by numerous personnel changes within the Police Department's Contract Division.

Respectfully,  
Francis M. Roache,  
*Police Commissioner.*

#### Maintenance of Data Equipment

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Ketterman's, Inc., a corporation, located at Dallas, Texas, for the repair and maintenance of the Police Department's DataMAXX equipment.

Under the terms of the contract, the contractor will provide maintenance of the newly purchased DataMAXX equipment located in the Commonwealth's Department of Public Safety at 1010 Commonwealth Avenue. The equipment installed on September 22, 1987, includes 16 EXT 1200 terminals, 16 T1850XL printers, 1 EXXPertz PC and 1 memory card which allows the department to be tied into the National Law Enforcement Network's CJIS and NCIC systems. Through the purchase of this equipment, the Police Department is allowed to collect information which would otherwise be unavailable to our investigatory units. The CJIS and NCIC Data Systems are a valuable addition to our intelligence gathering capabilities.

The Ketterman's Inc. is specially qualified to do this work because they are the sole and authorized maintenance service for DataMAXX USA Corporation equipment.

Compensation under the contract shall be at a rate of \$712 per month, which I have determined to be reasonable for the service to be performed. The total amount of this contract shall not exceed \$6,408. The term of this contract shall be from October 1, 1987, to June 30, 1988.

Because Ketterman's Inc. is the only company possessing the knowledge and expertise to maintain this equipment and given the importance of this equipment to our intelligence gathering network, it is submitted that public advertising would serve no useful purpose.

This letter is being submitted late due to the lack of notification by the City Hall MIS Department that the Police Department would be responsible for these contractual expenditures.

Respectfully,  
Francis M. Roache,  
*Police Commissioner.*

#### Physician, Nurse Practitioners Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to the University Hospital, a corporation, located at 75 East Newton Street, to provide the Boston Police Department with on-site physicians and nurse practitioners.

Under the terms of the contract, University Hospital will provide the Police Department's Medical Services Unit with at least twenty-one hours per week of physician/nurse practitioner coverage to evaluate illness and injuries sustained on or off-duty by sworn personnel and civilian employees and to conduct physicals for all new employees.

Prior to June 30, 1987, the department had provided these vital services by employing our own department physician, however, without advance notice, this physician decided to leave our employ. At the time of his departure, the Police Department had not only scheduled our regular examinations but also approximately 200 physicals for new recruits. Given the exigency of this situation, the department contacted the University Hospital's Occupational Health Program Services.

Compensation under this contract shall be at a rate of \$60 per hour for physician and \$40 per hour for nurse practitioner coverage. The total amount of this contract shall not exceed \$66,000, which I have determined to be reasonable for services to be provided. The term of this contract shall be July 1, 1987, through June 30, 1988.

Due to the professional nature of the services to be performed and the exigency of the situation, it is submitted that public advertising would serve no useful purpose. This letter is being submitted late due to administrative delays caused by internal personnel changes within the department.

Respectfully,  
Francis M. Roache,  
*Police Commissioner.*

#### PUBLIC FACILITIES DEPARTMENT

#### Bathroom Renovations

Dear Mayor Flynn,

In the first week of November, 1987, during major renovations at the L Street Bathhouse, contaminated soil was discovered while digging for a foundation for exterior stairs. Work was stopped and the

Department of Environmental Quality Engineering was notified.

Upon viewing the site, the Department of Environmental Quality Engineering ordered Public Facilities to immediately start the required work to resolve this hazardous, life-threatening situation.

We requested and received, from the Division of Capital Planning and Operations, approval to dispense with public advertising and call in a contractor to perform the required work.

Because of the urgency of the situation, MacDonald-Watson, Inc., a reputable contractor normally engaged in this type of service, responded to our call to immediately start removing the contaminated soil.

Therefore, in accordance with Massachusetts General laws, chapter 149, section 44A, I request your Honor's written permission to award a contract to MacDonald-Watson, Inc., of Rhode Island, in an amount not to exceed \$20,000.

Sincerely,  
Lisa G. Chapnick,  
Director.

#### Repair, Replacement of Roofs

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 11, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Stahl & Associates, a Massachusetts corporation with offices at 44 School Street, providing design services for repair and replacement of eighteen school roofs:

Adams, Alighieri, Baldwin, Bates, Blackstone, Brighton, Carter, Channing, Conley, Dickerman, Everett, Fifield, Gardner, Gavin, Greenwood, Harvard-Kent, King, Lewenberg, including the repair of masonry walls, flashing, parapets, gutters and skylights where required. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$206,060 (including \$100,000 for supplementary services) which is a fixed fee of 12.304 percent based on an estimated cost of construction of \$862,000, which I have determined to be reasonable cost for the work to be performed. The term of this contract shall be for 104 weeks from date of execution. Following the advertisement of this project in the *Boston Globe* on October 12, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et. seq. The committee evaluated eighteen proposals submitted by the applicants and determined Stahl & Associates most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was follows:

Stahl & Associates, 44 School Street, 3; Briggs Associates, Inc., Rockland, 6; Perry, Dean, Rogers and Partners, Inc., 177 Milk Street, 9.

I believe Stahl & Associates is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,  
Lisa G. Chapnick,  
Director.

#### Emergency Repairs

Dear Ms. Reilly,

On January 6, 1988, Public Facilities Department was informed by the Boston Water and Sewer Commission of a broken water main at Pole 81 on the Causeway running from Quincy to Moon Island. This is an immediate emergency as this line supplies water to the Long Island Hospital. The Long Island Hospital is temporarily being supplied water from Quincy through rerouting of piping, but the broken main cannot be shut off and water is pouring out at a rapid pace. Because of this extreme emergency, J. McCusker, Inc., a contractor normally engaged in this type of service, was called in to immediately start work on the broken water line.

Therefore, in accordance with Massachusetts General Laws chapter 149, section 44A, I request your written permission to dispense with public advertising and award a contract to J. McCusker, Inc. of Dedham, in an amount not to exceed \$15,000.

Sincerely,  
Lisa G. Chapnick,  
Director.

#### Design Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on February 1, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Warren Freedenfeld and Associates, Inc. a Massachusetts corporation, with offices at 171 Milk Street, providing extended design services for complete renovation at the Tobin Municipal Building, Phase II. Scope of work will include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$224,912 (including \$50,000 for supplementary services) which is a fixed fee of 10.29 percent based on an estimated cost of construction of \$1,700,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for eighty-nine weeks from date of execution.

This firm has recently completed the design of Phase I for this project. Accordingly, the qualifications of the above-mentioned firm have been reexamined by the Public Facilities Department Designer Selection Committee pursuant to M.G.L. c. 7, s. 38I. It has been determined that it is in the best interest of the City of Boston to extend the services of this firm.

I believe Warren Freedenfeld and Associates, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,  
Lisa G. Chapnick,  
Director.

#### PUBLIC WORKS DEPARTMENT

##### Architectural Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to Wallace, Floyd, Associates, Inc., a corporation located at 286 Congress Street, for architectural services for Downtown Crossing in the City of Boston. The department advertised for

request for qualifications and shortlisted the applicants to three. We then asked each of the three to submit a proposal. After reviewing the proposal and interviewing the applicants, we selected Wallace, Floyd, Associates Inc., based upon their qualifications, experience and their proposed budget.

Compensation under this contract shall not exceed \$100,000, which is the maximum limitation based upon services performed. The consultant shall submit the following three documents: Design Theme, Schematic Master Plan, Preliminary Design. I have determined the cost is reasonable for the work to be performed. The term of this contract shall be from March 1, 1988, to November 30, 1989.

Under the terms of the contract, the consultant will render design and engineering advice and assistance for all or some of the preliminary engineering and design. The specifics of the scope of the work will be completely outlined in the contract itself.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
Commissioner.

#### REAL PROPERTY DEPARTMENT

##### Cleaning of Land

Your Honor:

I respectfully request your Honor's permission to award to Greenway Cleaning, 570 Warren Street, Dorchester, the task of cleaning the land located at 401 Quincy Street, Dorchester.

The City of Boston has recently acquired a condemned, six-unit building for failure to pay real estate taxes. The Inspectional Services Department has issued a criminal violation against the Real Property Department for violation of the State Sanitary Code. (The land surrounding the building is covered by garbage and other filth and there is evidence of a rodent problem.)

As a result of the above information, we have requested and received the following estimates, so that we may comply with the violation that demands action within five days.

Greenway Cleaning, Roxbury, \$2,700; R & L Construction, Dorchester, \$3,050; Flemming Bros., Braintree, \$3,200.

In my opinion, the price quotation is a reasonable one and it does not appear that a lower price could have been obtained by public advertising. The period of performance will be April 14 and 15, 1988.

The cost of the work shall not exceed \$2,700 which will be paid pursuant to the city's existing contract 3542-88 for miscellaneous and emergency repair. This contract requires The Mayor's for any single repair of \$2,000 or more.

Respectfully yours,  
J. Edward Roche,  
Commissioner.

#### SCHOOL DEPARTMENT

##### Chapter 636 Services

Dear Mr. Mayor,

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Roxbury Community College, located at 1234 Columbus Avenue, Roxbury. The contract shall be in effect during the period from March 28, 1988, to June 24, 1988, and shall occur at a cost not to exceed \$10,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee

approved all of the FY '88 chapter 636 proposals for the sum of \$5,128,956. Roxbury Community College's portion as is related to that amount is \$10,000.

The contractor will provide instructional services to Districts A-E. Twenty teachers, four from each district, will receive on-site delivery of one, all-day workshop and seven, after-school teacher workshops. Subject of the workshops will be Teaching from Strengths. Topics of the workshop will include faculty training aimed at improving teaching and learning for limited English proficient students. Several Roxbury Community College faculty, trained in the Teaching from Strengths methodology, will serve as trainers in the project. Depending on the nature of the workshop, one to two trainers will be needed. The focus of the training will be on the research that the trainers have carried out in their own teaching activities and the successful learning experiences they have encountered. The staff of the Teaching/Learning Center, under which the project is housed, will conduct an all-day workshop to present the background of the Teaching from Strengths project. In addition, the T/LC staff will coordinate and implement seven, after-school workshops to present successful teaching and learning strategies for limited English proficient students. As a followup to these workshops, the trainers will be asked to provide support to the trainees in their classroom activities that will improve skills and raise expectations.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; (2) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge, W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$29,640.

Very truly yours,  
Laval S. Wilson,  
Superintendent.

#### Emergency Repairs

Dear Mr. Mayor:

On Sunday, January 3, 1988, a severe freeze-up was discovered at Dorchester High School. It was necessary to commence with repairs immediately because of the excessive water damage to the heating and electrical systems.

Consolidated, Inc. was able to respond, secure the water system and perform emergency repairs in order to reactivate the heating system in the building.

I, therefore, request your approval of my action in awarding a contract to Consolidated, Inc. in an amount not to exceed \$4,990 to perform repairs at

Dorchester High School from January 3, 1988, to January 13, 1988, at our standard hourly rate.

Due to the emergency nature and hazard involved, the contractor was ordered to proceed with the work immediately. It also was necessary to wait for a period of time to determine if any further work would be necessary prior to the completion of this letter.

Respectfully yours,  
Paul W. Mooney,  
Senior Structural Engineer.

#### Vocational Assessment System

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Gary Nelson, d/b/a/ Nelco, Connecticut, for providing the Apticom Vocational Assessment Instruments.

Under the terms of the contract, the contractor will install and update staff on the use of the Apticom Mini-System for Vocational Assessment. The assessment programs were developed by Vocational Research Institute under the auspices of the U. S. Department of Labor and are normed for a target population.

The Apticom system provides indispensable hands on assessment of aptitude and skills in forty different categories of job training. Nelco is the sole vendor for Apticom equipment and is specially qualified to provide the equipment and support services to Boston Public Schools. Madison Park High School and Hubert H. Humphrey Occupational Resource Center have previously installed Apticom equipment. The purchase of an additional Apticom Mini-System ensures adaptability for components already in place.

The compensation under this contract shall not exceed \$20,000, which I have determined to be reasonable for the work to be performed. The term of the contract shall be from April 15, 1988, to June 30, 1988.

Compensation to this vendor in the form of unadvertised contracts has been the following: 1985-1986, \$48,000; and 1986-1987, \$00.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Revision of Math Curriculum

Dear Mayor Flynn:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Mahesh C. Sharma, an individual located at Framingham.

This contract shall be in effect during the period March 24, 1988, to June 30, 1988, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable. Dr. Sharma will be compensated for his services at the rate of \$200 per day.

Under the terms of this contract, the contractor will be responsible for the revision of the existing elementary and middle school mathematics curriculum objectives. He will meet regularly with the project manager for mathematics and members of the Curriculum Revision Committee; review and evaluate the appropriateness of the current priority labled K-8 Mathematics Curriculum Objectives; produce a written document which incorporates the specific recommendations of the Curriculum Review Committee, and those listed in the Boston Education Plan for Mathematics concerning curriculum review.

The contractor is uniquely qualified for this task given his experience in working closely with Boston

Public School teachers and students; his working knowledge of the strengths and weaknesses of our K-8 Math Curriculum Objectives; and his active involvement as a member of the Mathematics Task Force which made the recommendation for the needed curriculum revision.

Because of the professional nature of the services to be provided under this agreement and expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$0; 1986 — \$2,441; 1985 — \$0.

Very truly yours,  
Laval S. Wilson,  
Superintendent.

#### Meat Processing

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Pierre Frozen Foods, Ohio, for the period of January 1, 1988, to June 30, 1988, for the purpose of processing U.S. Government donated meat into a variety of portion-controlled, cooked products to be served in the School Food Service programs.

The contractor is uniquely qualified to provide the above service because it can supply the full range of products required; it has a U.S.D.A. approved quality control program; it has an approved contract with the Department of Education to process donated commodities; it has product available for commodity shipment.

Compensation under the contract shall not exceed \$35,000.

The contractor above was awarded unadvertised contracts in the past three years in the amounts as follows: 1985 0; 1986 0; 1987 0 encumbered.

Because of the nature of the services to be provided under the agreement and the expertise of the vendor in providing such services, it is my opinion that the public interest would not be served by public advertisement for bids.

The letter of award is being submitted late because repeated requests to contractor for original certificate of authority, or letter in lieu of same, were unsuccessful, thus delaying the process.

Very truly yours,  
Leo J. Burke,  
Business Manager.

#### Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Professional Center for Handicapped Children, Andover, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated there under, at a cost not to exceed \$12,301, which is deemed to be reasonable by the committee during the period of March 21, 1988, to June 30, 1988.

The amount to be encountered initially is \$3,822. The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education,

and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

FY-85 expenditure — 0; FY-86 — 0; FY-87 — 0.

Very truly yours,  
Laval S. Wilson,  
Superintendent.

#### Teacher Training

Dear Mayor Flynn:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Mary Ansaldo, an individual residing at Hingham.

This contract shall be in effect during the period April 12, 1988, to June 30, 1988, and shall occur at a cost not to exceed \$2,250, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide training to teachers in the Commonwealth Inservice Institute "Evaluating Educational Materials in Reading/Language Arts" Program. Ms. Ansaldo will train teachers to select materials that will be appropriate for the new basal reading series. She will provide forty-five hours of training and be compensated at the rate of \$50 per hour.

Mary Ansaldo was selected to provide these services because she worked earlier this school year on the textbook adoption committee. This Commonwealth Inservice Institute Program is very similar, and in many ways is a continuation of the textbook adoption project, therefore giving this consultant the necessary background to provide these services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1988 — \$5,500; 1987 — \$0; 1986 — 0.

Very truly yours,  
Laval S. Wilson,  
Superintendent.

#### Mathematics Competency Review

Dear Mayor Flynn:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Linda Dale Falstein, an individual residing at Somerville.

This contract shall be in effect during the period March 23, 1988, to June 30, 1988, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable. Ms. Falstein will be compensated for her services at the rate of \$200 per day.

Under the terms of this contract, the contractor will be responsible for developing minimum competency standards in mathematics for all students graduating from high school. She will meet regularly with the project manager for mathematics and members of the High School Mathematics Competency Standards Review Committee; review and evaluate the mathematics skills that all students need to possess as a minimum competency upon graduating high school; produce a written document which incorporates the specific recommendations of the Competency Standards Review Committee, and those listed in the Boston Educa-

tion Plan for mathematics concerning competency standards.

The contractor is uniquely qualified to provide these services given her experience as the director of math skills at a local university; her expertise in developing math curriculum; her work in addressing the issues of prerequisite math skills for successful achievement at the college level; and her numerous contributions to the development of an academic skills math program in response to the needs of under-prepared students.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This is the first contractual agreement between the Boston School Department and Linda Dale Falstein.

Very truly yours,  
Laval S. Wilson,  
Superintendent.

#### TREASURY DEPARTMENT

##### Tax Collection Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award to Thomas Whalen, an individual located at 22 Weyanoke Street, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes and other departmental accounts committed for collection.

Under the terms of the contract, Mr. Whalen will instruct employees in the Accounting Section of the Collection Division, and familiarize other supervisors with the Tax Title update procedures. Mr. Whalen will also work closely with senior members of the Collecting Division regarding modifications to the computer-based systems for receipting payments and maintaining records regarding properties on which tax liens have been placed. Mr. Whalen is specially qualified to do this work because of his knowledge of the work through experience and his excellent performance.

Compensation under this contract shall not exceed \$11,200, which I have determined to be reasonable for the work to be performed. Mr. Whalen will be working at the rate of \$20 per hour. The term of this contract shall be March 24, 1988, through June 30, 1988.

Because of the professional nature of the work to be performed, I believe that public advertising would serve no useful purpose.

This award letter is being submitted late due to this department's need to reevaluate its current work load and the subsequent need for staffing.

Sincerely,  
George E. Mahoney,  
Acting Collector-Treasurer.

#### CONTRACTS AWARDED

The Mayor has approved the award of the following contracts to the lowest eligible bidders:

##### HEALTH AND HOSPITALS DEPARTMENT

###### Temporary Clerical Personnel

Proposal No. 697, to provide temporary clerical personnel to the Department of Health and Hospitals was advertised in the *City Record* on February 29, 1988.

Actual purchased amount will be based on services rendered by the following contractors.

Bernard H. Ford, d/b/a Ford & Ford, 581 Boylston Street, \$25,000, net 30 days; Kelly Services, Inc., 101 Huntington Avenue, \$25,000, net 30 days; Office Specialists, 131 Tremont Street, \$25,000, net 30 days; Olsten Services, 1 Bromfield Street, \$25,000, net 30 days; Bergall Corporation, d/b/a Staff Builders, 18 Tremont Street, \$25,000, net 30 days.

The contract period is from April 1, 1988, through December 31, 1988.

##### PARKS AND RECREATION DEPARTMENT

###### Designers

Proposals for designer qualifications for planning, engineering, and landscape architectural services relating to the renovation of a number of parks in the City of Boston, were advertised in the *City Record* and the *Boston Herald* on November 9 and 16, 1987.

The firm of William Pressley and Associates, Inc., Cambridge, was selected as the designer for the renovation of McKinney Playground, Brighton, during the period March 1, 1988, to December 1, 1989.

The designer's basic fee is 10 percent of the presently estimated cost of construction of \$450,000, shall not exceed \$45,000. In addition a sum of \$35,000 will be provided under supplementary services. The maximum liability of the City under the terms of the proposed contract shall not exceed \$80,000.

#### CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

##### HEALTH AND HOSPITALS DEPARTMENT

###### Safety Cabinets, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with the Baker Company, Inc., Maine, to provide Laminar flow hoods and safety cabinets to the Department of Health and Hospitals for the period November 2, 1987, through May 2, 1988, at a cost not to exceed \$19,290.

This amendment will increase the amount of the contract by \$5,725, thereby increasing the city's total liability under this contract to an amount not to exceed \$25,015.

On August 31, 1987, the Purchasing Division at Boston City Hospital advertised for furnishing Laminar flow hoods and safety cabinets to the Department of Health and Hospitals, Proposal No. 658. This equipment was approved for purchase by the Office of Capital Planning from allotted 1987 capital funds. The Office of Capital Planning has now approved the list of equipment to be purchased from allotted 1988 capital funds. On the 1988 list is a piece of equipment identical with the safety cabinet advertised on August 31, 1987.

The Baker Company, the lowest acceptable bidder under Proposal No. 658, will provide the additional safety cabinet at the same price, terms and conditions appearing in the original contract. Therefore, no benefit would inure to the city by publicly advertising for bids.

In view of the above, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

## JOBS AND COMMUNITY SERVICES

### Vocational Training

Dear Mayor Flynn:

On or about December 29, 1987, your Honor approved the award of a contract with the Dimock Community Health Center, a nonprofit corporation, located at 55 Dimock Street, to provide vocational training for JTPA and DPW eligible participants in the areas of third-party billing clerks and Central Supply technicians. Compensation was for an amount not to exceed \$96,538, payment being provided by the Job Training Partnership Act and the Department of Public Welfare for the period July 1, 1987, through June 30, 1988.

Your approval is requested to amend this contract in terms of compensation and time. Additional funds are requested to allow the contractor to provide vocational health training to six additional DPW eligible participants and to extend the termination date of the contract through August 31, 1988. Total compensation under the terms of the contract, as amended, shall not exceed \$114,568. All other terms and conditions of the original contract shall remain the same.

As this amendment is for a negotiated contract at a reasonable cost, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### AIDS Education, etc.

Dear Mayor Flynn:

On or about September 8, 1987, your Honor approved the award of a contract with the Haitian Multi-Service Center, a nonprofit corporation, located at 12 Bicknell Street, Dorchester, for the provision of pre-school, day-care services for children of Haitian refugees or immigrants. Compensation was for an amount not to exceed \$35,000, payment being provided by the Executive Office of Communities and Development for the period July 1, 1987, through June 30, 1988. This contract was subsequently amended, approved by your Honor on or about February 1, 1988, increasing compensation in the amount of \$30,000 to allow the contractor to provide staff development training and to expand its adult literacy program to serve additional participants.

Your approval is requested to amend this contract in terms of compensation. Additional funds are requested to allow the contractor to provide outreach, Acquired Immune Deficiency Syndrome (AIDS) education, counseling and advocacy services to participants in the Haitian community infected by the AIDS virus. Funding will be provided by EOOD in the amount of \$66,100. Total compensation under the terms of the contract, as amended, shall not exceed \$131,100. All other terms and conditions of the original contract shall remain the same.

As this amendment is for a negotiated contract at a reasonable cost, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### Bilingual Training

Dear Mayor Flynn:

On or about December 15, 1987, your Honor approved the award of a contract with the Chinese American Civic Association, a nonprofit corporation, located at 90 Tyler Street, for the provision of bilingual office skills training to TAG eligible participants to improve their employment potential and economic self-sufficiency. Compensation was for an amount not to exceed \$13,100, payment being provided to the City of Boston through a Targeted Assistance Grant (TAG) received through the Commonwealth of Massachusetts for the period July 1, 1987, through March 31, 1988.

Your approval is requested to amend this contract in terms of compensation and time. Additional funds are requested to allow the contractor to provide bilingual office skills training to four additional TAG eligible participants and to extend the contract through June 30, 1988. Funding will be provided by the Targeted Assistance Grant in the amount of \$13,100. Total compensation under the terms of the contract shall not exceed \$26,200. All other terms and conditions of the original contract shall remain the same.

As this amendment is for a negotiated contract at a reasonable cost, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### Clerical Training

Dear Mayor Flynn:

On or about December 29, 1987, your Honor approved the award of a contract with the Greater Boston Y.M.C.A., a nonprofit corporation, located at 316 Huntington Avenue, to operate a clerical training program for JTPA and DPW eligible participants. Compensation was for an amount not to exceed \$74,510, payment being provided by the Job Training Partnership Act and the Department of Public Welfare for the period July 1, 1987, through June 30, 1988.

Your approval is requested to amend this contract in terms of compensation. Additional funds are requested to allow the contractor to provide clerical training to four additional DPW eligible participants. Funding will be provided by DPW in the amount of \$4,000. Total compensation under the terms of the contract, as amended, shall not exceed \$78,510. All other terms and conditions of the original contract shall remain the same.

As this amendment is for a negotiated contract at a reasonable cost, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### Financial Management Services

Dear Mayor Flynn:

On or about August 21, 1987, your Honor approved the award of a contract with the Quincy Community School/Community Management Assistance Corporation, a nonprofit corporation, located at 885 Washington Street, for the purpose of

providing financial management services in support of the Boston Community Schools program. Compensation was for an amount not to exceed \$70,000, payment being made from the Community Development Block Grant program for the period July 1, 1987, through June 30, 1988, for the operation of an adult literacy program at the Kent/Charlestown Community School. This contract was subsequently amended, approved by your Honor on November 20, 1987, providing an additional \$33,000 for the provision of adult education services at the East Boston/Harborside Community School.

Your approval is requested to further amend this contract in terms of compensation and the services to be provided. Additional funds are requested for the provision of a GED program for forty-five low to moderate income residents of the South Boston neighborhood. These services will be offered at the Condon Community School, and the contractor will provide financial management services. I, therefore, request permission to increase compensation in the amount of \$19,500. Total compensation under the terms of the contract, as amended, shall not exceed \$122,500. All other terms and conditions of the original contract shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### Temporary Office Workers

Dear Mayor Flynn:

On or about September 14, 1987, your Honor approved the award of a contract based on public advertising with the Skill Bureau, located at 129 Tremont Street, to provide temporary office workers from time to time as requested by the Mayor's Office of Jobs and Community Services in the areas of clerical, secretarial, receptionist and other services which may arise to maintain the work flow. Compensation was for an amount not to exceed \$10,000, payment being provided by the Job Training Partnership Act for the period July 1, 1987, through June 30, 1988.

Your approval is requested to amend this contract in terms of compensation. This amendment will allow the contractor to continue to provide temporary office workers to JCS on an as-needed basis. This amendment is required due to a miscalculation of services needed under the previous contract. The utilization of the contractor's services were greater than anticipated when the previous contract was written. Funding for this amendment will be provided by JTPA in the amount of \$10,000. Total compensation under the terms of the contract, as amended, shall not exceed \$20,000. All other terms and conditions of the original contract shall remain the same.

As this amendment is for the continuation of professional services at a reasonable cost, which conforms to federal procurement requirements, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

LAW DEPARTMENT

Processing Claims, etc.

Dear Mr. Mayor:

On October 2, 1987, your Honor approved an award of a contract, without public advertising for bids, to Julie Evarts, an individual located at Swampscott, for services to the claims and investigating division of the Law Department during the period September 28, 1987, through December 31, 1987 at a cost not to exceed \$2,500.

On January 4, 1988, your Honor approved an amendment to this contract, effective on January 1, 1988, not to exceed \$3,300. The period of performance was extended to April 4, 1988.

Your approval is requested to amend this contract again to provide for Ms. Evarts continued services to the claims and investigating division of the Law Department, which will include processing claims, notices of appearances, logging in contracts, switchboard relief and general office responsibilities.

The cost of this amendment, which is effective on April 5, 1988 shall not exceed \$3,100, which I have determined to be reasonable. The contract, as amended, shall not exceed \$8,900. Payment shall be made at the rate of \$7 per hour. The period of performance shall be extended to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,  
Corporation Counsel.

PUBLIC FACILITIES DEPARTMENT

Loan Program

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on November 19, 1987, I respectfully request your Honor's permission to dispense with public advertisement and amend a contract approved by your Honor on August 6, 1987, to Shawmut Bank, for the purpose of administering the BUILD Loan Program during the period from May 15, 1987, to June 30, 1988, at a cost not to exceed \$7,000,000.

Your approval is requested to amend this contract to provide for additional escrow and administrative services for construction and bridge loans to eligible developers of residential, commercial, industrial and mixed-use real estate projects. The cost of this amendment shall not exceed \$8,000,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$15,000,000. The period of performance, as amended, shall be extended to June 30, 1990.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

**Proposal for Furnishing Mechanical Sweepers for the Purpose of Supplementing the Department Forces and Equipment in Connection with the Work of Keeping the Streets Clean in the City of Boston.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 9, 1988.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, May 26, 1988, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of one thousand dollars (\$1,000).

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY

COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of a new commuter rail station including, a low bituminous concrete platform, handicapped access platform, lighting, signing, earthwork, bituminous concrete pavement, cement concrete retaining walls, drainage system, guard rail, and landscaping.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after April 27, 1988, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 18 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246, and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the Construction Office, 500 Arborway, Jamaica Plain, MA 02130, Telephone No. (617) 722-3465. A prebid conference will be held on Tuesday, May 10, 1988, at 10 a.m. in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids from Plumbing, HVAC and Electrical Contractors for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Preventive Maintenance of Mechanical Equipment and Installation in Various Schools," at an estimated cost of \$1,650,000.

SCOPE OF WORK: Inspect, service and maintain in the various Boston schools, with EXCEPTION OF THE ELEVATORS, all the items as follows: All Mechanical Systems, All Electrical Systems and Controls (excluding only exit lights and scoreboards); All Steam and Return Systems and Controls; All Sanitation Systems and Controls; All Waste Systems and Controls; All Heating Systems and Controls; All Refrigeration Systems and Controls; All Ventilation Systems and Controls; All Air Conditioning Systems and Controls; and All Water Supply Systems and Controls.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, May 11, 1988, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Wednesday, May 25, 1988, at which time and place respective bids will be opened and read aloud. General contractors must file with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects in certain categories, up to a project dollar amount and up to an aggregate limit, and with an update statement, DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

THIS IS A STATE AID PROJECT

CONTRACTORS INTENDING TO BID ON THIS PROJECT MUST FIRST OBTAIN FORM R-109, "REQUEST FOR PROPOSAL FORMS" (FOR DETERMINATION OF CONTRACTORS PREQUALIFICATION) FROM THE CONTRACT ENGINEER, ROOM 7551, 10 PARK PLAZA, BOSTON, MASS., WHICH FORM MUST BE COMPLETED AND SUBMITTED TO THE CONTRACT ENGINEER FOR APPROVAL. UPON APPROVAL AND WITH THE SUBMISSION OF AN "APPROVAL FOR PROPOSAL FORM" TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE RESPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.

Every proposal shall be submitted in duplicate and filed in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, May 26, 1988, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 per-

cent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 24, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NOTICE TO CONTRACTORS

Invitation for Bids for Chain Link Fence Installation at Various Locations, City of Boston.

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Chain Link Fence Installation at Various Locations, City of Boston."

SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to install chain link fence and gates in parks and playgrounds. Estimated cost, \$110,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, May 19, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, May 2, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 10, 1988, at 10 a.m., Boston time.

**Invitation for Bids for Fence Restoration at Evergreen Cemetery, Brighton, Mass.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Fence Restoration at Evergreen Cemetery, Brighton, Mass."

**SCOPE OF WORK** includes: Furnishing of all labor, materials, equipment and transportation to repair the ornamental fence and gate along Commonwealth Avenue. Estimated cost, \$70,000.

**BIDS** shall be submitted in duplicate before 2 p.m., Boston time, on Wednesday, May 18, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

**SPECIFICATIONS AND PLANS** will be available on or about Monday, May 2, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

**BIDDERS** are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 10, 1988, at 11:30 a.m., Boston time.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project No. 34-CI-ABU, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

116 Everett Street, Ward 1

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a. m., Friday, May 20, 1988, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the

contract documents entitled: "Project No. 34-CI-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and of the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements.

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 per-

cent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**TRANSPORTATION DEPARTMENT**

**Invitation for Proposals for Custodial Services  
at 200 Frontage Road, Boston.**

The City of Boston (the City), acting by its Commissioner of Transportation (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents. The work generally consists of providing custodial services at the above-described facility which is open to the public twenty-four hours a day. The facility contains approximately 14,000 square feet of area, which will be serviced on a variable schedule. The work must be accomplished between the hours of midnight and 6 a.m., Tuesday through Saturday (exclusive of municipal holidays). The period of this contract will be from July 1, 1988 until June 30, 1989.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 806, City Hall, Boston, on or after May 2, 1988.

All proposals shall be filed no later than 1 p.m., Boston time, May 10, 1988, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be 100 percent of bid price.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

**Request for Proposals for Consultant to Provide  
Expert Mapping and Geographic Information  
Services.**

The City of Boston (the City), acting by the Commissioner of Assessing (the Official), invites sealed proposals for the performance of the work generally described above, and in the request for proposals.

Every proposal shall be submitted in an original and six (6) copies in accordance with the Request for Proposals which may be obtained at the office of the Official, Room 301, City Hall, Boston, MA 02201, on or after Thursday, May 5, 1988.

One copy of the proposal shall be filed no later than 10:30 a.m., Boston time, on Friday, May 20,

1988, at the office of the City Auditor, Room M4, City Hall, Boston, Mass. The original and five (5) copies shall be filed no later than 10:30 a.m., Boston time, on Friday, May 20, 1988, at the Assessing Department, Room 301, City Hall, Boston, Mass., at which time and place they shall be opened. For a proposal to be responsible and responsive, the original must be accompanied by a bid deposit in the amount of \$100 in the form described in the request for proposals.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for performance as may be applicable. The Official has determined that the requirements for insurance and a performance bond are not necessary. Minorities and women are encouraged to apply.

The City and the Official reserve the right to accept or reject any or all proposals, in whole or in part; to waive any defects, informalities and minor irregularities in the proposals received, to accept exceptions to these specifications and to act otherwise as the City and the Official alone may deem in the City's best interests.

The City will award the contract under this request for proposals to that responsible and eligible proposer whose proposal conforming to this request for proposals may be deemed by the City and the Official to be most advantageous and otherwise in the City's best interest, price and other factors considered.

# CITY RECORD

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

CHRISTOPHER A. IANNELLA  
PRESIDENT, CITY COUNCIL

P. 80

MONDAY, MAY 16, 1988

NO. 20

## MAYOR FLYNN ATTENDS GROUNDBREAKING

Recently Mayor Raymond L. Flynn joined Police Commissioner Francis Roache, numerous elected officials, including City Councillor James Kelly and State Representative Michael Flaherty, and hundreds of South Boston residents at a ceremonial groundbreaking for the new South Boston Neighborhood Police Station. The \$3.8-Million facility, designed by Andrea Leers of Leers Weinzapfel Associates of South Boston, will be constructed by Solimando, Inc. under the supervision of the City's Public Facilities Department. The project is part of the Mayor's five-year, \$920-Million Capital Plan, one of the new neighborhood stations.

"This past month, we learned that Boston's bond rating had increased for the fourth time in four years," said Mayor Flynn. "The fact that Boston has shown the greatest bond rating increase in the country results in an increased ability to use our borrowing authority to help Boston's neighborhoods benefit from our booming growth. In addition to the construction of this new police station, we have replaced over 75 percent of the fire equipment based in South Boston. This administration is committed to bringing back the high quality of services that all residents of our city deserve."

The 14,000 square-foot station will include eight cells, separate juvenile and female holding areas, a garage with full-time mechanic, an ambulance bay to be staffed by the Department of Health and Hospitals, and a community room.

"My goal for the past three years has been to return the Police Department to the neighborhoods, while bringing professionalism and modernizing our equipment," said Commissioner Roache. "The planned South Boston Neighborhood Police Station will be a "state of the art" facility, and was designed to speed police services to the residents of South Boston."

In 1981, the South Boston Police Station was closed as a result of opposition 2-1/2. A group of South Boston citizens who called themselves the Public Safety Committee took the vacant station in protest. They stayed in the station for three months and actively lobbied the City Council and the State legislature until it was re-opened as a sub-station. Members of this committee were present on the podium at the groundbreaking.

"When we first decided to sleep-in the station, we had no idea what

we were in for, but we were determined," said Bob Costello, who spoke representing the committee members. "We are pleased that South Boston will again have a full service police station and proud to be here with Mayor Flynn who made it a reality."

Lisa G. Chapnick, director of the City's Public Facilities Department, served as master of ceremonies for the groundbreaking. The event was the result of the combined efforts of the Boston Police Department, the Mayor's Office of Capital Planning, the Mayor's Office of Neighborhood Services and the Public Facilities Department.

### BOSTON ANNOUNCES NEW PROGRAM ON RAPE PREVENTION

Kathleen Hennessy, director of the Boston Women's Commission, recently announced a city partnership with two local counseling service agencies to instruct an educational seminar on rape and rape prevention during the late spring in Boston Community Schools.

The Commission's Rape Prevention Task Force has designed the

Rape Prevention Education Program to inform adult and teen-age women of the general medical and public safety precautions available to women. The program will also outline and discuss the myths and stereotypes surrounding the issues of rape and prevention.

The Boston Area Rape Crisis Center and the Roxbury Multi-Service Center's Community Project Against Sexual Assault (CPASA) will present the program at Community Schools in Dorchester, Jamaica Plain, Chinatown, Roslindale, and Charlestown neighborhoods. Additional host sites in other communities will be announced in the coming weeks.

Hennessy, Mayor Flynn's Advisor on Women's Issues since 1986, described the Rape Prevention Education Program as "the culmination of months of work by the Task Force and concerned members of the community to address crimes of violence against women and children. I thank Mayor Flynn for his continued support of the Task Force and the program we present." She added, "I want to thank all the Task Force members for their dedication and hard work in this effort."

The Task Force will coordinate program instruction with the Boston Police Department's Special Operations Bureau. The department's newly appointed Rape Education Officer, Sergeant Sheryl Pinchon, will participate in the neighborhood presentations.

The format of the Rape Prevention Education Program will vary in approach to the needs of each community, with special emphasis on local concerns and on the issues of date and acquaintance rape among teenagers. The emphasis on young people is of particular concern since the fastest growing victim statistic is the 10 to 19 years of age group.

## Rape Prevention Program . . .

(Continued from previous page)

Members of the Boston Women's Commission Rape Prevention Task Force include: Pamela Minden of Boston City Hospital; Barbara Bullit from CPASA; Maria Altamont from Boston Area Rape Crisis Center; Janet Connors from the Center for Women's Safety; Eileen Ginitis from Community Schools; BPD Lieutenant Margaret O'Malley of the Sexual Assault Unit; Tina Williams of the Mayor's Office of Neighborhood Services, and Ms. Hennessy representing the Commission.

Those interested in attending the program should contact their local Community School, or watch for notice of a date and time in local Community School, or watch for notice of a date and time in the neighborhood newspapers. The Women's Commission can also be reached for additional information or program sites at 725-4427.

## PARCEL-TO-PARCEL LINKAGE PLAN MOVES FORWARD

The City of Boston's Public Facilities Department (PFD) has given its initial approval to the precedent-setting parcel-to-parcel linkage plan that ties the development of a downtown office building to a mixed-use, office and hotel development in Roxbury. PFD's action follows the favorable recommendation of the Boston Redevelopment Authority (BRA) to the proposal linking the development of a 985,000 square-foot office building and 700-car garage at Kingston and Bedford Streets to the construction of 850,000 square feet of offices, retail space, a hotel and parking for 600 cars on Parcel 18 along the Southwest Corridor.

"This is a special project," said Lisa G. Chapnick, director of the Public Facilities Department. "It will offer unique benefits to the Roxbury and Chinatown communities, including 10 percent of the developer's fee, 5 percent of the net operating income and 10 percent of the net residuals for a community development trust fund."

The project is a joint partnership of Columbia Plaza Associates, a minority development team, and Metropolitan Structures, one of the country's largest

real estate developers with projects in Chicago, Los Angeles and Dallas.

The Kingston-Bedford/Parcel 18 project will generate 2,500 construction jobs, 8,000 permanent jobs and child-care facilities for 200 children.

The plan still needs the approval of the Massachusetts Bay Transportation Authority (MBTA). Final review by PFD, BRA and MBTA is expected before the end of the year. Construction should begin next spring.

## ALCOHOLIC BEVERAGES SEMINAR

The Massachusetts Legislature and the Massachusetts Supreme Judicial Court have passed and upheld laws which directly affect persons licensed to serve alcoholic beverages. Alcohol licensees need to be aware of these laws. Similarly, they ought to be prepared to meet their responsibilities with respect to these laws.

In our respective capacities, we confront the damage caused by the drunk driver. The District Attorney also receives notification of every bar that has imperiled its license by serving a person later determined to be a drunk driver or under the legal drinking age.

- Criminal statutes and licensing policies
- Fake/altered licenses or ID cards
- Responsible policies, procedure and training programs

## 66 YEARS AGO IN THE "CITY RECORD" MARCH 18, 1922 WHITE COMMITTEE ORGANIZED

A meeting of the George R. White Committee was held at the Mayor's office, City Hall, upon Thursday, 16th instant.

Mayor Curley was elected permanent chairman of the committee. Rupert S. Carven was elected secretary. In compliance with the terms of the late Mr. White's will, the committee requested the Park Commissioner to determine a site for a bronze memorial to the testator at a cost of \$50,000. The site will be either upon the Public Garden or the Boston Common.

The committee unanimously voted to tender the position of manager of the George R. White estate to George E. Phelan, director of the John Mason Little estate.

## Copp's Hill Burial Ground

Used as a cemetery in 1660, the hill was taken a century later by the British who used the site to train their cannon on Charlestown and Bunker Hill across the harbor. Buried here are Cotton Mather, Prince Hall, and Edmund Hart, builder of the U.S.S. "Constitution." Open daily, 8-4 p.m. (Free)

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### CONSUMER AFFAIRS AND LICENSING Complaints Manager Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Susen R. Bulfinch, an individual, located at Brookline, for complaints manager services.

Under the terms of this contract, Ms. Bulfinch, at the request of a designated representative of this Department, will develop, implement, and supervise consumer complaint services for the agency. She will also be responsible for training and development of staff in consumer law and dispute resolution, production of educational materials and workshops and will be assuming responsibility for more difficult cases requiring in-depth analysis. Ms. Bulfinch will also act as liaison to related federal, state and city agencies, principally the Department of the Attorney General. Ms. Bulfinch is especially qualified to do this work because, as an attorney, she has had extensive experience in complaint mediation techniques which are a major component of our consumer dispute resolution program and has supervised administrative staff in prior positions.

Compensation under this contract shall be payable at a rate of \$14.81 per hour, which I have determined to be reasonable. The total amount of this contract shall not exceed \$7,256.90. The term of this contract shall be from March 28, 1988, to June 30, 1988.

Because Ms. Bulfinch is specially qualified to do this work for a reasonable price, I believe that public advertising would serve no useful purpose.

Sincerely,

Diene J. Modice,  
Commissioner.

### JOBS AND COMMUNITY SERVICES Transitional Education Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Action for Boston Community Development, Inc., a nonprofit corporation, located at 178 Tremont Street. Under the terms of the contract, the contractor will provide transitional educational services for approximately thirty-six AFDC participants enrolled in its Adult Literacy Training Program. These services will include individual and group academic and career counseling. In addition, job placement services will be provided to the participants.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$54,000, payment being provided by a grant from the Department of Public Welfare. The period of performance shall be from October 1, 1987, until June 30, 1988. This request has been

delayed due to late notification of funding availability from the State and due to the length of the contractor's internal process.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the J. B. Marshall & Company, Inc., located at Cambridge. Under the terms of the contract, the contractor will provide comprehensive employment preparation services to City of Boston residents who are receiving AFDC assistance and are ET-registered. Clients will be referred to the contractor through neighborhood JobStart offices of the Mayor's Office of Jobs and Community Services, and the contractor will also do recruitment. Classes will be held at International Place in downtown Boston.

The contractor was selected based upon an evaluation of its concept paper submitted to JCS. The costs for this program are reasonable, and are comparable to those of similar programs providing similar services to the same client population. The developer of International Place is donating the classroom space for this program, and the contractor has operated a similar program in Hartford, which has been very successful.

Compensation under the terms of this contract shall not exceed \$50,000, payment being made from funds received from the State's Department of Public Welfare. The period of performance shall be from January 1, 1988, until December 31, 1988. The submission of this letter has been delayed due to the length of the proposal review process and subsequent negotiations with the contractor.

This is a pilot program which, hopefully, will lead to the establishment of a Boston Jobs Academy. The contractor, with experience in dealing with a similar client population in successfully establishing a similar program in Hartford, is extremely qualified. In my opinion public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### Individual Referral System

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the following organizations participating in a pilot Individual Referral System operated by the Mayor's Office of Jobs and Community Services:

Action for Boston Community Development (A.B.C.D.), emergency medical technician, per slot, \$2,250.

Computer Learning Center, computer operations, per slot, \$5,156; computer electronics technician, per slot, \$5,277.

Dimock Community Health Center, operating room technician, per slot, \$3,950; mental health counselor, per slot, \$2,925.

MotoRing Technical Training Institute, automotive technician, per slot, \$2,500; motorcycle repair, per slot, \$2,950.

Training, Inc., secretarial program, per slot, \$750.

Bay State School of Appliances, appliance repair, per slot, \$2,650.

These six organizations, offering the nine programs listed above, were selected based upon an extensive review of proposals submitted in response to a request for quotations conducted by JCS. Ten agencies responded to the RFQ, with proposals for sixteen training programs. Under the Individual Referral System, interested clients will be referred to these programs once they are determined to be eligible by counselors at neighborhood JobStart offices. Payment to the agencies is based on the amount of training provided to an eligible client enrolled in a program, and successful job placement.

Compensation under the terms of the agreements with the six agencies shall not exceed \$150,000. No funds shall be encumbered at this time. The period of performance shall be from January 1, 1988, until June 30, 1989. The submission of this letter has been delayed due to the length of the program review and contract negotiation process.

The Individual Referral System will be operated as a pilot program during FY 88 in order to test its feasibility as a training resource. Most JCS services are currently contracted for on a full or partial classroom basis, and this program will allow individuals to pursue a greater range of training opportunities leading to employment or higher wages within one year. As these are negotiated contracts at a reasonable cost, based upon an extensive review of proposals, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

### Office Skills Training

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Lauding Edga Information Foundation, a nonprofit corporation, located at 179 South Street. Under the terms of the contract, the contractor will provide prevocational and office skills training for approximately twenty-five DPW eligible participants. In addition, counseling and support services will be provided.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$93,400, payment being provided by the Department of Public Welfare. The period of performance shall be from January 1, 1988, until December 31, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would

serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Action for Boston Community Development, a nonprofit corporation, located at 178 Tremont Street. Under the terms of the contract, the contractor will provide vocational training to approximately 124 City of Boston JTPA and DPW eligible participants in the areas of office skills, food preparation, medical clerical and medical unit clerks. In addition, counseling and job placement services will be provided.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$528,600, payment being provided by from the Job Training Partnership Act and the Department of Public Welfare. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions and due to the length of the contractor's internal review process.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Greater Boston YMCA, a nonprofit corporation, located at 316 Huntington Avenue. Under the terms of the contract, the contractor will provide prevocational and office skills training for approximately eighteen DPW eligible participants. In addition, counseling and support services will be provided.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$47,500, payment being provided by the Department of Public Welfare. The period of performance shall be from January 1, 1988, until December 31, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### Vocational Training, etc.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Home Builders Institute, a nonprofit corporation, located at Washington, D. C. Under the terms of the contract, the contractor will provide prevocational and vocational training in the building trades for approximately twenty-one DPW eligible participants. In addition, counseling and support services will be provided.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$42,875, payment being provided by the Department of Public Welfare. The period of performance shall be from January 1, 1988, until December 31, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### Language Instruction

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the League of Haitian Families, Inc., a nonprofit corporation, located at 169 Massachusetts Avenue. Under the terms of the contract, the contractor will provide educational and employment related services to approximately six Haitian refugees to assist them in developing English language skills and in obtaining employment. The contractor will also implement and operate a case management program for these refugees.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$7,250, payment being made from funds received under the Refugee Education and Employment Program. The period of performance shall be January 1, 1988, until June 30, 1988. The submission of this letter has been delayed due to the late issuance of planning requirements from the

Office of Training and Employment Policy/Division of Employment Security.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to International Institute of Boston, a nonprofit corporation, located at 287 Commonwealth Avenue. Under the terms of the contract, the contractor will provide educational and employment related services to approximately ninety-two Boston refugees to assist them in developing English language skills and in obtaining employment. The contractor will also implement and operate a case management program for these refugees.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$89,750. The amount to be encumbered initially is \$79,750. Payment being provided from funds received under the Refugee Education and Employment Program. The period of performance shall be January 1, 1988, until June 30, 1988. The submission of this letter has been delayed due to the late issuance of planning requirements from the Office of Training and Employment Policy/Division of Employment Security.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Jewish Vocational Services, Inc., a nonprofit corporation, located at 31 New Chardon Street. Under the terms of the contract, the contractor will provide educational and employment related services to approximately sixty-eight Boston refugees to assist them in developing English language skills and in obtaining employment. The contractor will also implement and operate a case management program for these refugees.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract all not exceed \$69,046. The amount to be numbered initially is \$59,046. Payment being provided from funds received under the Refugee Education and Employment Program. The period performance shall be January 1, 1988, until June 30, 1988. The submission of this letter has been delayed due to the late issuance of planning requirements from the Office of Training and Employment Policy/Division of Employment Security.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Chinese American Civic Association, a nonprofit corporation, located at 90 Tyler Street. Under the terms of the contract, the contractor will provide educational and employment related services to approximately eighty-two Boston refugees to assist them in developing English language skills and in obtaining employment. The contractor will also implement and operate a case management program for these refugees.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$81,834. The amount to be numbered initially is \$71,834. Payment being provided from funds received under the Refugee Education and Employment Program. The period of performance shall be January 1, 1988, until June 30, 1988. The submission of this letter has been delayed due to the late issuance of planning requirements from the Office of Training and Employment Policy/Division of Employment Security.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### GED Classes

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Action for Boston Community Development, Inc., a nonprofit corporation, located at 178 Tremont Street. Under the terms of the contract, the contractor will provide alternative educational services leading to a high school diploma or a General Equivalency Diploma for approximately thirty City of Boston high school dropouts.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$56,250, payment being made from funds set aside for the Alternative Education Initiative. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions and due to the length of the contractor's internal process.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Action for Boston Community Development, Inc., a nonprofit corporation, located at 178 Tremont Street. Under the terms of the contract, the contractor will provide competency-based pre-General Equivalency Diploma (GED) and GED classes to approximately 140 City of Boston youths. In addition, the contractor will provide pre-employment and job placement activities to supplement the educational services.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$227,000, payment being provided by the Job Training Partnership Act. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions and due to the length of the contractor's internal process.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### MANAGEMENT INFORMATION SYSTEMS Motor Generators

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and renew the city's contract

with A.P. Systems, Inc., Rhode Island, for the period July 1, 1987, through June 30, 1988.

Maintenance service, which covers all emergencies plus regular preventative maintenance and scheduled bearing changes, must be initiated to keep the two large PILLAR motor generators for the IBM 3800 computer working properly. Therefore, it is essential that a maintenance contract be instituted with A.P. Systems, as they are the authorized factory service representative of PILLAR. A.P. Systems has provided all of the maintenance work since the purchase of this system, and has done a satisfactory job.

Since A.P. Systems is the manufacturer's authorized service agent in providing these unique services, and since the cost in my opinion is reasonable, I feel that public bidding would serve no useful purpose.

The cost of this contract shall not exceed \$10,000, and shall be charged to appropriation code 011-140-0149-MI02-0490.

The reason this contract is being submitted late is due to the delayed return of the contract documents from the vendor, and the necessity to return same for further clarification.

Sincerely,

Allan K. Stern,  
Director.

#### PUBLIC FACILITIES DEPARTMENT Design Review Consultant Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 25, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Scorziello Associates, with offices at 97 University Road, Brookline, providing consultant services to design review for mechanical engineering review of projects in all phases of design and construction including evaluation for accuracy and appropriateness, development of standards, preparation of critiques and the monitoring of design changes.

Compensation under this contract shall not exceed \$12,000, which is a fixed fee based on an hourly rate of \$60 per hour, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from April 1, 1988, through June 30, 1988.

Following the advertisement of this project in the *Boston Globe* on November 9, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated three proposals submitted by the applicants and determined Scorziello Associates most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was follows:

Scorziello Associates, Brookline, 3; R.D. Kimball Company, Reading, 6; Universal Engineering, 100 Boylston Street, 9.

I believe Scorziello Associates is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance. This con-

tract has been delayed due to lengthy negotiations regarding the scope of work.

Sincerely,  
Lisa G. Chapnick,  
Director.

#### Design Services for Renovations

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 11, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to William H. Rowe and Associates, a Massachusetts organization with offices at 3 Appleton Street, providing design services for renovations to the Dowling Building, Phase IV for Central, Sterile Supply Service at Boston City Hospital. Scope of work to include design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$246,800, (including \$80,000 for supplementary services) which is a fixed fee of 11.9 percent based on an estimated cost of construction of \$1,400,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for twenty-four months from date of execution.

Following the advertisement of this project in the *Boston Globe* on October 7, 1985, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated six proposals submitted by the applicants and determined William H. Rowe and Associates most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was follows:

Trapani Associates, Dorchester, 1; Rothman & Rothman, Inc., Boston, 2; Hans H. Finne, Inc., Wilmington 3; William H. Rowe & Associates, 3 Appleton Street, 4.

This project was originally awarded to Trapani Associates. Their contract was terminated because they refused to work without a percentage of the equipment costs as a part of their fee. Due to the fact that Rothman and Rothman, Inc. has a considerable number of ongoing projects with PFD and Hans H. Finne, Inc. has since joined Trapani Associates, it is the unanimous decision of the Designer Selection Committee that the contract be awarded to William H. Rowe & Associates.

I believe William H. Rowe & Associates is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selections process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,  
Lisa G. Chapnick,  
Director.

#### Marketing Agent for Buildable Lots Program

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 1, 1988, I respectfully request your Honor's permission to dispense with public advertisement and award a contract to Fields Corner Community Development Corporation, a corporation with offices at One Arcadie Place, Dorchester, to serve as the marketing agent for Round I of the Buildable Lots Program. They will be responsible for advertising housing units, processing buyer ap-

plications, selecting buyers, assisting with bank applications and subsidizing the buyers cost per unit if required.

Compensation under this contract shall not exceed \$600,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from April 1, 1988, to April 1, 1989. Funds for this contract shall come from those received under the Community Development Block Grant program.

There were four proposals submitted in response to a publicly advertised request for proposals conducted by the Public Facilities Department on November 22, 1987, in the *Boston Globe*, they were: Codmen Square Housing Development Corporation; Boston Housing Partnership; Lena Park Community Development Corporation; and Fields Corner Community Development Corporation. The selection criteria was based on scope of services, capacity and experience, ability to work with the Public Facilities Department and other standards. Fields Corner Community Development Corporation ranked the highest as a result of evaluation of marketing proposals:

Overall Ranking, Fields Corner, 1; Codmen Square, 2; Boston Housing, 3; Lena Park, 4.

Other selection criteria included: Fields Corner Community Development Corporation proposal to establish a permanent, city-wide, marketing network for reaching low- and moderate-income home buyers and their detailed and well thought out marketing plan.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

The submission of this request has been delayed due to the time required of the vendor to return all necessary documents (four weeks).

Sincerely,  
Lisa G. Chapnick,  
Director.

#### TREASURY DEPARTMENT

##### Tax Collection Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Wayne Rossi, East Boston, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, Mr. Rossi will be assisting the customer service window in the Deputy Collector Section of the Collecting Division by gathering documentation for tax title releases to be forwarded to the Tax Title Section, as well as processing all excise payments from Urban Tax Services and Shawmut Bank. Mr. Rossi will also be answering the telephones and directing customers to deputy collectors.

Mr. Rossi is specially qualified to do this work through his previous experience in customer assistance, as well as his proven ability in dealing with the public effectively and professionally.

Compensation under this contract shall not exceed \$2,500, which I have determined to be reasonable for the work to be performed. Mr. Rossi will be paid at the rate of \$7 per hour.

The terms of the contract shall be April 6, 1988, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This award letter is being submitted late due to

this departments need to reevaluate its current work load and the subsequent need staffing.

Sincerely,  
George E. Mehoney,  
Acting Collector-Treasurer.

#### CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

##### CONSUMER AFFAIRS AND LICENSING

###### Investigative Services

Dear Mr. Mayor:

On September 3, 1987, your Honor approved an award of a contract, without public advertising for bids, to Ernest Deeb, Winthrop, for investigative duties as a licensing investigator during the period July 1, 1987, to December 31, 1987, at a cost not to exceed \$4,825.17.

Your approval is requested to amend this contract to provide for additional investigative services due to the increasing applications for the licensing of entertainment in the City of Boston. The cost of this amendment which is effective on January 1, 1988, shall not exceed \$2,672.14, which I have determined to be reasonable. The contract, as amended, shall not exceed \$7,497.31. The period of performance shall be extended to June 30, 1988.

This letter is late because of unanticipated budgetary issues which arose and had to be reviewed by this office and the Budget Office prior to the release of this letter.

Because of the professional nature of the services to be performed and Mr. Deeb's experience and qualifications, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Diane J. Modica,  
Commissioner.

##### JOBS AND COMMUNITY SERVICES

###### Language Instruction

Dear Mayor Flynn:

On July 27, 1987, your Honor approved the award of a contract to the Cardinal Cushing Center a nonprofit corporation, located at 1375 Washington Street, for the purpose of providing adult education services. Compensation was for an amount not to exceed \$85,000, payment being made from funds received from the State's Department of Education for the period of July 1, 1987, until June 30, 1988. Under the terms of this contract, the contractor is providing English as a second language instruction and counseling services to appropriate one hundred low-income, Hispanic adults.

Your approval is requested to amend this contract in terms of compensation and the services to be provided. Additional funds are requested to provide ESL instruction and counseling services to twenty-five AFDC recipients in addition to the current number of program participants. I, therefore respectfully request your Honor's permission to increase compensation in the amount of \$21,300 payment being made from funds received from the State's Department of Public Welfare. Total compensation under the terms of this contract, as amended, shall not exceed \$106,300. All other terms and conditions of the original contract shall remain the same.

As the amendment is for additional services at reasonable cost, based upon an extensive proposal review, I believe that public advertising would

serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### PARKS AND RECREATION DEPARTMENT

Dear Mr. Mayor:

On July 26, 1987, your Honor approved an award of a contract based on public advertising for bids to the Boys and Girls Club of Boston, Inc., 15 Green Street, Charlestown, for fiscal management for park programming and athletic programs; during the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$550,000.

Your approval is requested to amend this contract in order that the services may be continued. The scope of the Parks programs and athletic programs has been expanded into the winter and spring to incorporate a greater variety of recreational activities which will include not only the young people of the City of Boston but the elderly as well. We are also extending and expanding the athletic programs due to the public request and the needs of the department.

The first amendment on the contract was for \$100,000, which was determined at that time for the Parks programming to be sufficient, however, due to expanded program activities, we are requesting another \$100,000 to complete this contract.

The cost of this second amendment, which is effective on May 15, 1988, shall not exceed \$100,000, a sum which I have determined to be reasonable. The contract, as amended, shall not exceed \$850,000. All other terms and conditions of the original contract shall remain the same.

Due to the contractors ability to continue financial management services for the Parks programming and athletic programs and because the contractual arrangement ensures continuity of services in an efficient and cost-effective manner, in my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

Very truly yours,

William B. Coughlin,  
Commissioner.

#### PENAL INSTITUTIONS DEPARTMENT

##### Dental Laboratory Services

Dear Mr. Mayor:

On August 11, 1987, your Honor approved an award of a contract based on public advertising for bids to Tremont Dental Laboratory, a minority-owned business, located at 973 Tremont Street, Roxbury, for dental laboratory services for the Suffolk County House of Correction at Deer Island, during the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$12,000.

Your approval is requested to amend this contract to provide for an increased amount due to an increase in the inmate population at the Suffolk County House of Correction, which was not estimated in the original contract. The cost of this amendment, which is effective April 15, 1988, shall not exceed \$2,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$14,000. The period of performance shall remain July 1, 1987, through June 30, 1988.

Because the original contract was advertised in the *Tremont Dental Laboratory* has performed satisfactorily, I believe that further public advertising would serve no useful purpose.

Very truly yours,

Robert G. Walsh, Jr.,  
Commissioner.

#### PUBLIC FACILITIES DEPARTMENT

##### Clerical Personnel Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on January 15, 1988, I respectfully request your Honor's written authority to dispense with public advertisement and amend a contract approved by your Honor on September 3, 1987, to the firms listed below, providing temporary technical and clerical personnel to the Public Facilities Department on an as-needed basis, for the period from July 1, 1987, to June 30, 1988, at a cost not to exceed \$100,000:

Ford and Ford, 581 Boylston Street; The Skill Bureau, 120 Tremont Street; The Word Processors Collective, 101 Tremont Street; Yankee Contract Services, Malden.

Your approval is requested to amend this contract to provide for continuation of same services. The cost of the amendment shall not exceed \$50,000. The contract, as amended, is for a value not to exceed \$150,000. Because this is a multi-vendor program the contract amount shall be shared with each firm. The period of performance shall remain the same.

Under the terms of this contract, the contractors are providing temporary technical and clerical personnel to the Public Facilities Department when job positions are vacant due to resignations. As a result of a higher than expected turnover of employees and unexpected leaves of absence, it has become necessary to amend the contract.

The submission of this request has been delayed due to the time required to determine the encumbered amount of each vendor.

Because of the professional nature of the service to be provided and the qualifications of the contractors, I believe that public that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

#### SUFFOLK COUNTY SHERIFF'S DEPARTMENT

##### Containerized Services

Dear Mayor Flynn:

On August 1, 1987, your Honor approved the award of a contract, with public advertising for bids, to GSX Corporation, 66 Cambridge Street, Charlestown. GSX Corporation provides containerized services for the Suffolk County Sheriff's Department, located at 215 Charles Street, at a cost not to exceed \$17,926.

Your approval is requested to amend this contract to provide for an additional piece of equipment which was not anticipated in the terms of the original contract. The addition of one 30-yard rubbish container is necessary to dispose of large debris at the Suffolk County Jail. The cost of this amendment, shall not exceed \$1,950, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$19,876.

Very truly yours,

Robert C. Rufo,  
Sheriff.

#### EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

#### SUFFOLK COUNTY SHERIFF'S DEPARTMENT

April 6, 1988.

Mr. Felix Arroyo,

Director of Personnel Management.

Dear Sir:

On April 6, 1988, Ms. Cheryl L. Ritchea, was appointed to the position of Administrative Secretary R-14(1) at the Suffolk County Jail. She has evidenced prior creditable service which is hereby submitted for consideration under the provisions of Rule 15(F) of the Suffolk County Compensation Plan.

122 Cottage Street, East Boston, Mass.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, Boston, MA 02108, hereinafter referred to as the awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 9 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Fabricating and Installing New Fences at the Donald McKay School, 122 Cottage Street, East Boston, Mass."

GENERAL BIDS will be received before twelve o'clock noon on Thursday, June 2, 1988, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, May 18, 1988, at the Department of Planning and Engineering to all inter-

ested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check, or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering bookbinders' board, as specified, to the Boston Public Library.

Proposals will be received until twelve o'clock noon, Boston time, Wednesday, June 1, 1988, at the Office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal" followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P. O. Box 286, Boston, MA 02117) and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check, on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, May 18, 1988, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the City.

**Capital Improvement Project No. 14 for Highway Reconstruction in Ayr Road, Bigelow Circle, Dustin Street, Glenmont Road, Higgins Street, High Rock Way, Leicester Street, Malvern Street, Rugg Road, Rushmore Street, Sorrento Street, and Wilson Park in Brighton.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, May 9, 1988. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, May 26, 1988, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of

chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS  
I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 24, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Boarding and Securing,  
Project No. 35-CI-ABU, City Funds.

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

480 Massachusetts Avenue, Ward 9

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Friday, May 20, 1988, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter.Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: "Project No. 35-CI-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must insure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section Contract Provision of the specifications for the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation Section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for Minority business Enterprise, if bid is over \$10,000. For the purpose of this paragraph, the term Minority Business Enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246)

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Winchester, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulation in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**Invitation for Proposals for Supplying and Delivering Bookbinding Cloth.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering bookbinding cloth, as specified, to Boston Public Library.

Proposals will be received until twelve o'clock noon, Boston time, Thursday, June 2, 1988, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal" followed by brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority at address: P. O. Box 286, Boston, MA 02117 and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check, on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total price shall be submitted with the copy of the pro-

posal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, May 18, 1988, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the City.

**ATTENTION TO ALL BIDDERS**

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**PREBID CONFERENCE**

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 24, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on May 24, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,  
Commissioner of Public Works.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. R8CN17, SUFFOLK DOWNS STATION PARKING LOT IMPROVEMENTS, Boston, Mass., will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on May 18, 1988. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of parking lot improvements including earthwork, chainlink fencing, granite curbs, bituminous pavement, pavement markings, signage, landscaping and parking attendants' booth.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after April 28, 1988, Monday through Friday, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 16 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246, and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Kenneth F. Allegra, 21 Arlington Avenue, Charlestown, MA

02129, telephone No. (617) 722-5806. A prebid conference will be held on May 9, 1988, at 10 a.m. in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Invitation for Bids for Restoration, Repairs and Modification to King's Chapel and Hawes/Union Burying Grounds.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Restoration, Repairs and Modifications to King's Chapel and Hawes/Union Burying Grounds."

**SCOPE OF WORK:** Furnishing all labor, materials, equipment and transportation to make repairs to front wall at King's Chapel Burying Ground and tomb repairs and restoration at Hawes/Union Burying Ground. Estimated cost \$120,000.

**BIDS** shall be submitted in duplicate before 2 p.m., Boston time, on Wednesday, May 25, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

**SPECIFICATIONS AND PLANS** will be available on or about Monday, May 9, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

**BIDDERS** are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston

Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 17, 1988, at 10 a.m., Boston time.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 24, 1988, at 10 a.m., Boston time.

## CITY GIVES BUILDING FOR EXPANDED PROGRAMS

The Public Facilities Department of the City of Boston is giving an abandoned building at 214 Harvard Street in Dorchester to the Boston YWCA for use as a social service and educational center serving children, teens, and adults in the Roxbury and Dorchester sections of Boston.

The three-story building, a former nursing home, has been vacant for many years and has been plagued by occasional trash dumping. After renovation work is completed, the new building — with over 22,000 square feet of space — will allow for a significant expansion of programs at the Aswalos House branch of the Boston YWCA.

"Aswalos House has done a commendable job in keeping up with the social service needs of the Roxbury/Dorchester community," said Lisa G. Lapnick, director of Public Facilities. "Their fine reputation, and the overwhelming community support for the project speak for itself. The Boston YWCA/Aswalos House will greatly benefit from the increased space the Harvard Street building will provide. This translates to more and better social services for women, children and young people in Roxbury and Dorchester."

Aswalos House was established in the late 1960s, when the Boston YWCA first initiated activities in the Roxbury/Dorchester area. The unique name is an acronym for "All Sisters With A Lot Of Soul." Since then, Aswalos House programs have grown with the times and the changing needs of community residents.

"This project will allow us to strengthen our commitment by moving Aswalos programs such as adolescent counseling, employment training and youth services and by establishing others such as day care at the larger building on Harvard Street," said Tyra B. Sidberry, president of the Board of Directors, Boston YWCA. "We will be able to increase outreach, expand quality of life services and fulfill a long-time YWCA goal: establishment of transitional housing for adolescent parents and children at the present Aswalos House site."

The new facility at Harvard Street will make toddler and day care services available for the first time to sixty children. In addition, the important after-school programs for six to twelve year olds will be expanded from forty-five children up to a maximum of sixty.

In addition to the planned transitional housing, 350 to 450 young people will continue to be served in the adolescent parents program. The employment training program for teenagers will be conducted for up to forty participants, an increase from the original enrollment of nine. The new facility will also provide space — a 250-person capacity — for community meetings and social events.

The new building will also house the WEAVE program — Women's Education and Vocational Education — designed to assist educationally disadvantaged, low-income women through a literacy vocational training program. This program, formerly administered through Women, Inc., serves thirty-six women.

Number 214 Harvard Street is scheduled to be completely renovated, at an estimated total development cost of \$1.5 million. Work is expected to commence by the end of this year, and should take one year to complete.

### ORANGE LINE RIDERSHIP UP

On the one-year anniversary of the opening of the Southwest Corridor Orange Line, ridership on the new portion of the line is up 54 percent the Massachusetts Bay Transportation Authority has announced.

The new, \$743 million Southwest Corridor of the Orange Line between New England Medical Center and Forest Hills station, which opened for service on May 4, 1987, consists of nine New Orange Line stations, as well as MBTA Commuter Rail and Amtrak service.

MBTA General Manager James F. O'Leary said, "The Orange Line is an unparalleled success. We are very pleased with it, and we continue to receive many favorable comments from area residents. It is a tribute to the many MBTA employees who worked to build, and now operate the line."

Since April 1987, the MBTA has increased peak period Orange Line service from 76 cars (19 four-car trains) to 100 cars (10 four-car and 10 six-car trains), a 31 percent increase in rush-hour capacity. Six-car Orange Line service began in October, 1987.

Ridership on the portion of the Orange Line between New England Medical Center and Forest Hills stations has increased, between April, 1987 to April, 1988, from 30,500 daily passengers before the opening of the new Corridor to 47,100 daily passengers today.

O'Leary said, "The Orange Line has proven to be a high-quality service that people can rely on."

The highest increases have occurred at Back Bay and Jackson Square stations: ridership at Back Bay has increased from 800 a.m. rush-hour boardings just after the opening, to over 4,000 today; and at Jackson Square

(Continued on next page)

from 2,200 a.m. boardings in May, 1987 to 3,400 today.

Ridership between Dudley and Downtown, along Washington Street, on MBTA bus route 49 has reached 5,580 passengers each weekday. Service is provided every three to six minutes during the morning peak period and every seven minutes during the afternoon peak period.

Also, with the opening of the Corridor to Commuter Rail service in October, 1987, ridership to Forest Hills, Ruggles, and Back Bay stations has reached 5,533 weekday mornings.

While ridership on the new Orange Line has increased, serious crime has dropped by 26 percent (218 to 162) from the year ending April, 1987 (the last year the elevated was in service) to April, 1988 (the first year the new line has been in operation).

## ROSLINDALE RESIDENT RECEIVES OUTSTANDING STUDENT AWARD

A thirty-three-year-old Roslindale woman was among sixteen individuals from across New England to receive an Outstanding Student Achievement Award during ceremonies recently.

The students were recognized by the Massachusetts Association of Private Career Schools for their grades, professional potential, community service and achievement in the face of adversity. For Louise Turgeon, getting off Aid to Families with Dependent Children and making a better life for herself and her thirteen-year-old daughter is just part of the story. Ms. Turgeon also deals with the after effects of surgery for severe scoliosis.

It was during rehabilitation that Ms. Turgeon learned about the program at Boston Technical Center (BTC), an affiliate of Boston's Economic Development and Industrial Corporation (EDIC), located at Marine Industrial Park in South Boston. Drawing on her love of a job as a nurses' aide and the insight gained as a result of her own medical condition, Louise decided to pursue medical secretary studies at BTC. She intently studied her courses, even on the bus trip to and from school, arriving an hour early every day to work on keyboarding and other subjects. Instructor Marguerite Almy says, "Louise was in pain most of the time and had to

go to many doctor's appointments for therapy, but it did not stop her from working every weekend at a nursing home and trying to help her fellow students with their school work and personal problems."

Ms. Turgeon maintained a perfect attendance record during her twenty-six-week training period and earned an "A" average. Less than a month after graduation, she began working as a medical secretary at Brigham and Women's Hospital.

Following the awards ceremony, Ms. Turgeon said she was "excited" about being recognized and although she was working very hard, still couldn't believe her "A" average. But her daughter, who also suffers from scoliosis and is in a brace, said she expected nothing less from her mother.

"While Louise Turgeon is indeed an exceptional student, she is also indicative of the commitment we often find among our students at Boston Technical," commented Marilyn Swartz Lloyd, Director of EDIC and BTC chairwoman. "The Center offers training for skilled, high-paying jobs in growing industries, and the students recognize the chance to make a better life for themselves."

## MBTA DEDICATES WORKS OF ART

The MBTA recently hosted a multifaceted dedication ceremony to honor eight artists whose permanent works have been installed at six stations which form part of the Authority's \$80 million, ten-station modernization project. The stations are: Downtown Crossing, Broadway, Kendall and Central on the Red Line; Chinatown and State Street on the Orange Line.

At the event, which began at the China Trade Center adjacent to Chinatown station, MBTA Deputy General Manager Jane Daly was joined by participating artists and other local dignitaries. Coordination of the MBTA's Station Modernization permanent art project is carried out through the Cambridge Arts Council's "Arts on the Line" program.

"We are pleased with the results of this program, which brings professional works of art to transit stations for the enjoyment of the riding public," Daly said.

At each of the six locations, the works of art were dedicated with ribbon-cutting ceremonies, accompanied by live performances and other entertainment.

## THE CHAPEL PROJECT AT BOSTON CITY HALL AND PLAZA

Boston's City Hall Plaza and its unused atrium is being brought to life with the work of America's most innovative artists, architects and performers. Between May 18 and June 3rd, this central downtown location, a daily destination and focal point for thousands of city workers and visitors, will be the site for large-scale, unprecedented public art installation entitled "The Chapel Project: a Journey into Art, Architecture and Performance."

Originally conceived in 1984 by artists Jerry Beck and Jay Critchley, the

project evolved to include architect Eric Gould, landscape architect Linda Cook, painter Alexa Kleinbard and performance artist Dare Dukes.

The Chapel Project installations are open to the public until Friday, June 3rd, from 10 a.m. until 4 p.m. daily; and closed on Sundays. Evening and lunchtime performances will take place at 8 p.m. on May 27 and 28; and at 12:15 p.m. on May 25, 27.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### FIRE DEPARTMENT

#### Rebuilding, Repairs to Equipment

Dear Sir:

I respectfully request your Honor's permission to award to Resco Trailer, Inc., Braintree, the task of performing certain emergency repairs to Ladder 28. On March 10, 1988, these emergency repairs were necessary in the interest of public safety, given that this piece of apparatus is necessary to the fire fighting operations of the department.

Resco Trailer, Inc., performed the following work on Ladder 28:

1. Rebuild and repair running board; 2. rebuild and repair L/S supports; 3. rebuild and repair rear tractor cabinet door; 4. rebuild and repair tractor cabinet; 5. rebuild and repair fender; 6. repair R/S top cowl; 7. repair goose neck L/S; 8. repair L/S apron skirt; 9. repair cab door L/S; 10. remove scratches on body; 11. paint to match.

The cost of the work described above is estimated at \$5,795, which will be paid pursuant to the city's existing contract with this firm, Contract No. 1603-88 for repetitive services for the fiscal year 1988. This contract requires the Mayor's approval for any single repair of \$2,000 or more.

This request is being submitted late after completion of the work, because the parts needed for Ladder 28 were not immediately available and the final bill was not received for at least two weeks after completion of the work.

In my opinion the contractor is qualified to do the work herein described, inasmuch as Resco Trailer is thoroughly familiar with all types or work on said equipment and competitive bids were obtained from at least two other repetitive service vendors. The prices quoted were as follows: Resco Trailer,

Inc., Braintree, Contract No. 1603-88, \$5,795; Middleboro Fire Apparatus, Inc., Middleboro, Contract No. 1593-88, \$5,950; Greenwood Motors, No. Attleboro, were not interested in the job at this time.

This price quoted for the work is reasonable and it does not appear that any lower price could be obtained by publicly advertising for bids and I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo D. Stapleton,  
Fire Commissioner.

### HEALTH AND HOSPITALS DEPARTMENT Dust Analyses

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to the Kennedy Institute, Maryland, for the period August 1, 1987, through June 30, 1988, at a cost not to exceed \$4,000.

Under this contract, the Kennedy Institute will perform analyses of dust samples for the presence of lead at a cost of \$15 per test. These tests were requested when the possibility arose that there was lead paint present in the Children's Building at Boston City Hospital. Dust samples are taken periodically from different areas in the Children's Building and sent to the Kennedy Institute for analysis.

Fiscal year 1988 is the first year that the Department of Health and Hospitals will have a contract with the Kennedy Institute.

The Kennedy Institute has the capability to perform this analysis, which is a very specialized test, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Originally, it was thought that the testing for lead would be done on a short-term basis and the expenses could be paid on a service order, but it has become an ongoing program and thus requires a formal contract, therefore this contract is being processed late.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### Equipment Preventive Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Microsonics, Inc., Indiana, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$4,950.

Under this contract, Microsonics, Inc. will provide preventive maintenance and repair including all travel, parts, shipping, software and labor necessary to maintain the Microsonics CAD 886-AT in good operation condition.

Unadvertised contracts were awarded to Microsonics, Inc., for the past two fiscal years in the following amounts: 1988 — \$4,950; 1987 — \$4,500. Prior to 1987 the instrument had been under warranty.

Therefore, in view of the above, and inasmuch as Microsonics, Inc. is the manufacturer and has the personnel specially trained to maintain and repair the instrument, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by advertising for bids.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### Physicians Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, acting by the Boston University School of Medicine, 80 East Concord Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$275,940.

Under this contract, the Boston University School of Medicine will support the salaries of six, full-time physicians who will provide four or five clinical sessions at the Boston Neighborhood Health Centers; two labor and delivery sessions; and one surgery session at Boston City Hospital; and devote two sessions to research and teaching activities. In addition, each physician will serve on call to do deliveries and respond to patient emergencies.

The department has contracted with the Boston University School of Medicine for OB/GYN group practice services to Neighborhood Health Centers for several years. Unadvertised contracts have been awarded for the last three fiscal years in the following amounts: 1987 — \$270,000; 1986 — \$240,000; 1985 — \$240,000.

This contract helps to support a unique partnership between Boston University School of Medicine, the Department of Health and Hospitals, the Massachusetts Department of Public Health and Affiliated Neighborhood Health Centers, Inc. The contract provides a comprehensive group practice approach to the delivery of high quality maternity care to patients of eleven community health centers who deliver at Boston City Hospital. The OB/GYN patients served by Boston's community health centers are a high risk population with complex medical, social and emotional needs. The current program offers dedicated board certified or eligible obstetricians in a unique, collaborative group practice meeting patients' complicated clinical needs in a coordinated system of support services. This program is a prototype having been created to meet the specific needs of community health centers. It is very difficult for the community health centers to recruit obstetrics/gynecology physicians. Pooling the needs of the health centers through this contract has enabled the community health centers to develop a group practice of full-time physicians that provide continuity of inpatient and outpatient services to health center patients.

Therefore, because of the special fitness of the university to provide these services, because of the personal and professional nature of the services to be rendered, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The documents were not received from the vendor until March 30, 1988, therefore this award is being processed late.

Very truly yours

Lewis W. Pollack,  
Commissioner.

### Ophthalmologist Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to University Consulting Ophthalmologists, Inc., 80 East Concord Street, for the period February 1, 1988 through June 30, 1988, at a cost not to exceed \$3,033.50.

Under this contract, University Consulting Ophthalmologist, Inc. will provide on-site consultative sessions in ophthalmology at Mattapan and Long Island Hospitals. Each three-hour session will be scheduled in advance at a frequency of twice a

month at Mattapan Hospital and once a month at Long Island Hospital. Reimbursement will be paid monthly on a services rendered basis. Twenty-four hour telephone availability for questions regarding ophthalmologic problems will be reimbursed at a flat fee of \$38.35 per month for Mattapan Hospital, and \$38.35 per month at Long Island Hospital.

Fiscal year 1988 is the first year that a contract will be awarded to University Consulting Ophthalmologist, Inc. In the past, these services have been provided by Dr. Price, who has voluntarily resigned his position as of December 1, 1987. Unadvertised contracts awarded to Dr. Price for the past three fiscal years were as follows: 1987 — \$7,700; 1986 — \$400; 1985 — \$7,250.

As University Consulting Ophthalmology, Inc. is specialists in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for its.

This award is being processed late because the documents were not received from the vendor until after February 1, 1988.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### **JOBS AND COMMUNITY SERVICES Financial Management Services**

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Chinese American Civic Association, a nonprofit corporation, located at 90 Miller Street, to act as the fiscal agent by providing management services to the Chinese Occupational Training Center, located at 31 Beach Street, operate an Electronics Assembly Skills Training program for approximately six TAG eligible participants. In addition, counseling and job placement services will be provided.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall view of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract will not exceed \$19,632, payment being provided through the City of Boston through a Targeted Assistance grant received through the Commonwealth of Massachusetts. The period of performance shall be from February 1, 1988, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,  
Neil H. Gordon,  
Associate Director.

#### **POLICE DEPARTMENT Drug Screening Tests**

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to SmithKline Bio-Science Laboratories, Inc., Allentown, for the administration of drug screening tests.

Under the terms of the contract, SmithKline Bio-Science Laboratories will conduct and analyze a series of drug screening tests of the police recruits assigned to the Training and Education Division during their one-year probationary period.

SmithKline Bio-Science Laboratories is specially qualified to conduct this drug screening on short notice, as may be required to ensure the success of the screening program. The contractor is also qualified to ensure that the necessary confidentiality of the program is maintained.

The total cost of this contract shall not exceed \$35,000, which I have determined to be reasonable. The cost of each substance test is \$30 per person. Four classes of recruits will be covered under this contract, and there will be multiple testing done during their probationary year. The Police Department has contracted with SmithKline Bio-Science Laboratories for these services in Fiscal Year '87 for \$20,000, and in Fiscal Year '86 for \$12,000. Term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the special nature of the services to be provided and the need for these services to be conducted in a confidential and exigent manner, it is submitted that public advertising would serve no useful purpose. This letter is being submitted late due to administrative delays caused by numerous personnel changes within the Police Department's Contract Division.

Respectfully,  
Francis M. Roache,  
Commissioner.

#### **Cross Reference City Directories**

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Cole Publications, a corporation, located at Plainville, for the rental of the 1987 and 1988 Blue Book Cross Reference City Directories.

Under the terms of the contract, the contractor will provide the Police Department with 1987 and 1988 Blue Book Cross Reference City Directories. The directories to be supplied will include Boston-Central, Boston-North, Boston-South and Boston-West. These directories are a vital investigatory tool used by the detective, security alarm, licensing and operations units within the Police Department.

Cole Publications is specially qualified to provide this service because they are the sole nationwide manufacturer and distributor of this product.

Compensation under this contract shall be payable at a rate of \$4,234 for the 1987 directories and \$4,344 for those of 1988, the total amount of this contract shall not exceed \$8,578, which I have determined to be reasonable for the service to be performed. The term of this contract shall be from July 1, 1987, through June 30, 1988.

In light of the fact that Cole Publications is the sole manufacturer and distributor of this product in the nation, it is submitted that public advertising would serve no useful purpose. This letter is being submitted late due to administrative delays and internal personnel changes within the department.

Respectfully,  
Francis M. Roache,  
Police Commissioner.

#### **Hazardous Waste Cleanup**

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award an emergency contract to Clean Harbors, Inc., a corporation, located at 900 East First Street, South Boston, for the cleanup and removal of hazardous

waste from the Police Department's Area D Station.

Under the terms of the contract, the contractor will provide all labor, equipment and materials to cleanup and dispose of hazardous waste due to a boiler leak at Area D, 7 Warren Avenue. Oil leaked from the boiler and covered a large portion of the basement floor causing a potential fire hazard. Because of this extreme danger, the oil debris required immediate attention.

Clean Harbors, Inc. is a vendor recommended by the Commonwealth's Department of Environmental Quality Engineering for oil debris removal. Further, Clean Harbors, Inc. is EPA-certified and possesses the knowledge and expertise necessary to dispose of hazardous waste.

Compensation under this contract shall not exceed \$2,311.25, which I have determined to be reasonable for the work to be performed. The term of this contract shall be December 1, 1987.

Due to the exigency of the situation, public advertising was not possible. This letter is being submitted late due to personnel changes within the Department's Contract Division.

Respectfully,  
Francis M. Roache,  
Police Commissioner.

#### **PUBLIC FACILITIES DEPARTMENT**

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 11, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to M.G.I.A. Architects, Inc., a Massachusetts corporation, with offices at 145 Hanover Street, providing design services for renovations to the Edgewood Street Garage, Roxbury. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$288,050 (including \$80,000 for supplementary services) which is a fixed fee of 10.95 percent based on an estimated cost of construction of \$1,900,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for forty-eight months from date of execution.

Following the advertisement of this project in the *Boston Globe* on August 14, 1987, and receipt of proposals, the contractor was elected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with M.G.L. c. 7, s. 38A 1/2 et seq. The committee evaluated twenty-one proposals submitted by the applicants and determined M.G.I.A. Architects, Inc. most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was as follows:

M.G.I.A. Architects, Inc., 145 Hanover Street — 19; KJA Architects, Somerville — 30; Stein & Assoc., 29 Commonwealth Avenue — 31.

I believe M.G.I.A. Architects, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,  
Lisa G. Chapnick,  
Director.

### Title Examination Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 25, 1988, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Charles L. Gaffney, an attorney, located at Belmont, providing title examination services in connection with, but not limited to the section 312 Rehabilitation Loan Program.

Compensation under this contract shall not exceed \$7,000. Thirty-five titles will be examined at a cost of \$200 per title. I have determined the cost to be reasonable for the services to be performed. The term of this contract shall be from March 15, 1988 to September 30, 1988. Funds for this contract shall come from those received under the Community Development Block Grant program.

There were four attorneys and five title insurance companies that submitted proposals in response to a request for proposal conducted by the Public Facilities Department, they were:

Vendors:

Charles L. Gaffney, Esq., price per abstract, \$200.

Richard W. Haynes, Esq., price per abstract, \$150.

Mark Springer, Esq., price per abstract, \$175.

Robert W. Landry, Esq., price per abstract, \$175.

Various Title Insurance Companies, price per abstract, \$150 — \$500 residential.

(10 Surveyed) five (5) responded, price per abstract, \$300 — \$1,000 commercial.

Charles L. Gaffney was chosen because he can provide the best combination of rate, turn-around time and superior product. Overall, his performance and experience is very good.

The quality of work and turn-around time of the other vendors do not meet the standards necessary to perform the task. Also, several vendors stated that the volume of work is too small to meet their needs.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose in this instance.

The submission of this request has been delayed due to prolonged negotiations with the Public Facilities Department staff on services to be rendered within the content of this contract.

Sincerely,

Lisa G. Chapnick,  
Director.

### Fields Corner Improvements

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on December 17, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to National Trust for Historic Preservation, a nonprofit organization, with offices at Washington, D.C., providing technical services and work shops in organization and promotion to improve due to the time required of the vendor to complete the contract documents.

National Trust for Historic Preservation is the sole source provider of these services. I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,  
Director.

### Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 1, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Rector Olson Associates a Massachusetts partnership, with offices at 59 Temple Street, providing continuation of design services for historic renovation to the Dillaway Thomas House, Phase II. Scope of work will include working drawings and construction supervision.

Compensation under this contract shall not exceed \$173,980 (including \$48,400 for supplementary services) which is a fixed fee of 8.97 percent based on an estimated cost of construction of \$1,400,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for eighteen months from date of execution.

This firm has recently completed preliminary drawings and design development stages of this project. accordingly, the qualifications of the above-mentioned firm have been reexamined by the Public Facilities Department Designer Selection Committee pursuant to M.G.L. c. 7, s. 381. It has been determined that it is in the best interest of the City of Boston to continue the services of this firm.

I believe Rector Olson Associates is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

### Fire Damage Repairs

Dear Mayor Flynn:

On January 30, 1988, the Department of Public Facilities was notified of a fire at the Suffolk County Courthouse at Pemberton Square. The fire caused extensive damage to the Probation Office and throughout the fifth floor. On January 31, a second fire broke out extending the amount of damage.

The Suffolk County Courthouse is a very important component to the City of Boston and to the public and users of this facility. It houses the Supreme Judicial Court, Trial Court, Appeals Court, the Registry of Deeds, the District Attorney's Office and the Social Law Library.

On February 3, 1988, we requested and received from the Division of Capital Planning and Operations, an emergency waiver to dispense with public advertising and to call in a contractor to perform the required work. In response to the emergency, we immediately brought in Murphy & Fahy, Inc., a contractor normally engaged in this type of service, to make the necessary repairs.

This situation is threatening the health and safety of the users of this courthouse because of the danger of dangling glass, exposed electrical wires and damaged ceilings, as well as other fire damaged debris.

Due to the serious nature of this emergency and the threat to life and health of the users of this courthouse and in accordance with the Massachusetts General Laws, chapter 149, section 44A, we request your Honor's written approval to dispense with public advertising and award a contract to Murphy & Fahy, Inc. of Milton, in an amount not to exceed \$70,642.

Sincerely,

Lisa G. Chapnick,  
Director.

### PUBLIC WORKS DEPARTMENT

#### Recycling Study

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and award a contract to Resource Conservation Consultants, Inc., a corporation located at Oregon, for a feasibility study of recycling Boston's commercially generated solid waste at the Boston Material Recovery Facility.

The contractor was interviewed by us, and since it will also provide this service to the Greater Boston Chamber of Commerce (\$20,000) and the State Department of Public Works (\$10,000) pursuant to separate agreement, the firm was also interviewed by the foregoing.

The contractor is specially qualified to do the work because the firm has provided waste recycling and management services for public and private sector clients in over twenty states. Because of the unique and precedent-setting nature of the study less than a handful of firms are qualified to perform the work.

Payments made to Resource Conservation Consultants, Inc. from the City of Boston, under the contract shall not exceed \$10,000, to be paid at rate of \$42 per hour, which I have deemed to be reasonable. The period of this contract shall be from April 15, 1988, to June 30, 1988.

I have discussed the subject matter with Jeffrey Conley, Executive Director of the Boston Finance Commission and he is understanding of the uniqueness of the joint service to be performed.

Because of the quality of past work performed by the contractor and the unique nature of the services, I believe that public advertising would serve no useful purpose. This public/private partnership will enable Boston to manage our solid waste in the most cost-effective and environmentally sound manner.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

### REAL PROPERTY DEPARTMENT

#### Project Manager

Your Honor:

Pursuant to a unanimous vote of the Real Property Board on April 21, 1988, I respectfully request your permission to dispense with public advertising and to award a contract to Mr. James Robbins, 23 Newbury Street, as project manager for all Real Property Board initiatives involving parking issue such as new construction and planning.

Under the terms of the contract, and in order to maintain continuity in Real Property initiatives, Mr. Robbins will continue to carry out his duties as project manager of the Citywide Strategic Parking Plan; assist in development of parking policy; act as liaison between the Board and other city agencies in order to keep them informed about Board initiatives, goals, and objectives; update and inform the Board on any projects which might impact existing or planned parking facilities; attend transportation meetings; and work closely with all consultants staff in order to coordinate their work toward a common goal of better delivery of services, development of a strategic parking plan and implementation of Board initiatives.

Mr. Robbins was originally hired after formal public advertising and processing through the city Personnel Department interview procedure. For the past two years, Mr. Robbins has performed exceptionally well in assuming responsibilities and carrying out tasks required by the Real Property Board. He has served as project manager for the Real Property Department's Citywide Strategic Parking Plan and the Parking Lot Improvement

Program. Mr. Robbins has worked closely with contractors conducting the strategic parking plan and has managed the process for the improvement of existing parking lots and the creation of new parking facilities. He has made numerous presentations to other city agencies and public organizations regarding parking, transportation, and other Board initiatives. He has been instrumental in this department's development of a parking policy. The Real Property Board paid Mr. Robbins a total of \$38,750 in Fiscal Year 1987; \$42,600 in Fiscal Year 1988 for services under the terms of his contract for the next two years. These are the only contracts which he has ever held with this or any other city department.

Compensation under the new contract shall not exceed \$45,156, which I have determined to be reasonable for work to be performed and will be paid out of the Parking Facilities Fund Account No. 031-2-7156-0000. The term of the contract shall be from June 1, 1988, to May 31, 1989. The rate of compensation shall be \$868.38 per week.

As Mr. Robbins has more than met the requirements and expectations of the Real Property Board regarding project management of parking-related projects; as there is a serious need for continuity in the management of said ongoing projects; and because of the individual's experience and qualifications, I believe that public advertising would serve a useful purpose.

Sincerely,

J. Edward Roche,  
Commissioner.

#### SCHOOL DEPARTMENT Emergency Repair Work

Dear Mr. Mayor:

On March 15, 1988, it was determined that emergency repair work would be required on the fractured main sewer line at the William Channing School.

The fracture caused a stoppage in the main line which precluded the use of any toilet facilities in the building. The public health and safety of the children and faculty at the building required the immediate repair of the line in order to meet code requirements.

Because T. C. Murphy, a contractor, was at the building trying to clean the drain, I directed that he proceed with the necessary excavation and repair. Emergency waiver of the public bidding laws were granted by the Commonwealth of Massachusetts Division of Capital Planning and Operations.

I request your approval of my action in awarding a contract to T. C. Murphy, 440 Gallivan Boulevard, in an amount not to exceed \$10,000. The term of the contract is March 15, 1988, to March 18, 1988.

Due to the emergency nature and hazard involved, the contractor started the work immediately prior to the completion of this letter.

Respectfully yours,  
Paul W. Mooney,  
Senior Structural Engineer.

#### Psychological Evaluations

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Roberta White, an individual residing at Northampton.

This contract shall be in effect during the period from April 13, 1988, to June 30, 1988, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable, an initial encumbrance of \$4,500 will be established for this vendor.

Under the terms of this contract, the contractor will provide on an emergency basis, psychological

evaluations at the rates provided in 114.3 CMR 30:

Vocational Interest Evaluation, \$30.40 each; Educational Achievement Testing, \$40.50 each; Intellectual and Personality Evaluation, \$242.80 each; Services generally compensated, \$40.50 per hour.

The contractor was selected to provide these services because she is an experienced school psychologist who is available to begin work immediately. The staff of the Psychological Services Department has been reduced substantially over the past few months because of employee illness, hence the need to contract with outside consultants for these services.

Because of the professional nature of the services to be provided under this agreement, the expertise of the contractor in providing these services, and the immediate need for these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This is the first contractual agreement between the Boston Public Schools and Roberta White.

Very truly yours,

Laval S. Wilson,  
Superintendent.

#### SUFFOLK COUNTY COURT HOUSE COMMUNITY Carpet Installation

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Nova-Sheen Corporation, located at 417 Blue Hill Avenue, for the supply and installation of carpet to the fourth and fifth floors of the Suffolk County New Court House Building.

On February 10, 1988, Nova-Sheen Corporation commenced emergency services to carpet fire damaged office areas on the fourth and fifth floors of the New Court House Building caused by two separate arson fires on January 30 and 31, 1988. Nova-Sheen Corporation has demonstrated the expertise to provide this service as the lowest qualified bidder on two previous publicly advertised proposals for the supply and installation of carpet to the court house in fiscal year 1988. Furthermore, the cost of this emergency service is the same as our most recent publicly advertised contract with the Nova-Sheen Corporation (\$11.05/sq. yd. of carpet installed).

Compensation under this contract shall not exceed \$12,707.50, which I have determined to be reasonable.

Late submittal of this action results from our processing a contract amendment for the above emergency services against a previous contract with Nova-Sheen which was considered defective under technical review by the city's Auditing Department.

Because of the emergency nature of this service, I believe that further public advertising would have served no useful purpose.

Very truly yours,

Henry L. Barr,  
Commissioner.

#### SHERIFF'S DEPARTMENT Physician's Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dr. Thomas Bennett, an individual located at 19 Rowell Street, Dorchester, for physician services at the Suffolk County Jail.

Under the terms of the contract, the contractor shall provide physician services at the Suffolk County Jail, including, but not limited to, increasing physician services by six hours per week, implementing new medical programs, and consulting on

the proposed medical features of the new Suffolk County Jail now under construction. The contractor shall provide a minimum of six hours of physician services per week. The contractor is also required to provide proof of malpractice insurance in a form and amount satisfactory to the Sheriff.

Dr. Bennett is especially qualified to do this work as he has had prior medical experience at various facilities which service a similar client population. This experience includes work for; Health Care for the Homeless Project; the Evening Clinic at the Pine Street Inn; and the Immunodeficiency Clinic at Boston City Hospital.

Compensation under this contract shall not exceed \$4,240, at a rate of \$54.28 per hour, which I have determined to be reasonable for the work performed. The term of this contract shall be from April 1, 1988, through June 30, 1988.

ROBERT C. RUFO,  
Sheriff.

### CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

#### PARKS AND RECREATION DEPARTMENT Miscellaneous Repairs

Dear Mr. Mayor:

On July 27, 1987, your Honor approved an award of a contract based on public advertising for bids, to Pier Garage, d/b/a Pier Transmission, 221 Northern Avenue, for miscellaneous repairs to passenger cars and trucks, Contract R-2, during the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$30,640.

The above contract is for an as-needed basis. Because of the limitations of the budget allowed, and because the demand for the contracted services has been much higher than anticipated, the money allotted will have to be increased before completion of the scheduled and necessary repairs are made. Therefore, your approval is requested to amend this contract to provide funds for needed repairs. Payment for work performed will be at the original unit prices.

The cost of this amendment which is effective on May 1, 1988, shall not exceed \$10,000, a sum which I have determined to be reasonable. The contract as amended shall not exceed \$40,640, appropriation 011-300-0301-0270-PK-03.

Because time is a critical factor, and because the contractor has performed satisfactorily, it is my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

Very truly yours,  
William B. Coughlin,  
Commissioner.

#### Waste Disposal Services

Dear Mr. Mayor:

On October 14, 1987, your Honor approved an award of a contract based on public advertising for bids, to Laidlaw Waste Systems, d/b/a G. S. X. Corp. of New England, Charlestown, for waste disposal services during the period October 1, 1987, through June 30, 1988, at a cost not to exceed \$84,000.

The above contract is for an as-needed basis. Because of the limitations of the budget allowed, and because the demand for the contracted services has been much higher than anticipated, the money allotted will have to be increased before completion of the scheduled and necessary pickups are made.

Therefore, your approval is requested to amend this contract to provide funds for needed disposal services. Payment for work performed will be at the original unit prices.

The cost of this amendment which is effective on April 15, 1988, shall not exceed \$45,000, a sum which I have determined to be reasonable. The contract as amended shall not exceed \$129,000. All other terms and conditions of the original contract shall remain the same.

Because time is a critical factor, and because the contractor has performed satisfactorily, it is my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

Very truly yours,  
William B. Coughlin,  
*Commissioner.*

**PUBLIC FACILITIES DEPARTMENT**  
**Leasing Certain Premises**

Dear Mayor Flynn:

Under a delegation of its power from the Public Facilities Commission to the Director of Public Facilities, I hereby request your Honor's written authority to dispense with public advertising and amend a lease for certain premises deemed necessary and convenient by the director to be used as office space by the Public Facilities Department, the Community Schools Program, and the Veterans' Services Department. The full term of the lease is for five years beginning June 1, 1983, and ending May 31, 1988. The demised premises consists of 21,200 square feet on three floors at 26 West Street.

Your approval is requested to amend the lease extension (July 1, 1987 to May 31, 1988 at a cost of \$255,053.37) to provide for cost increases related to tax escalation and operational cost escalation. The total cost of tax escalation and operational cost escalation is \$137,537.40, however, the cost of the amendment shall be \$108,724.06. The differences in cost are due to the Public Facilities Department's rental obligations which, on June 1, 1983, required a security deposit, as stated in Article 36 of the lease, that now, as required under the same article is being credited to rent due in April and May 1988. As a result, the cost of the lease extension was adjusted to reflect the credit amount. This in turn, has influenced the amendment amount.

The contract, as amended, shall not exceed \$363,777.43. The period of performance shall remain the same.

The submission of this request has been delayed due to the time required of Cohen Properties, Inc. to calculate the amount of escalation due and provide required documentation to PFD. Since these facilities are leased under an existing agreement and lease escalation payments are required by that agreement, it is my judgment that public advertising would serve no useful purpose and that this lease should be amended.

Sincerely,  
Lisa G. Chapnick,  
*Director.*

**PUBLIC WORKS DEPARTMENT**  
**Snow Removal Services**

Dear Mayor Flynn:

On December 7, 1987, his Honor the Mayor approved the award of a contract based on public advertising for bids to Todesca Equipment Co., Inc., located at Westwood, for removing snow and furnishing labor and equipment in connection with the work of keeping the highways and streets open following snowstorms in District 2 (J. Plain) SC-

7693(88) at a cost not to exceed \$100,000, for the period November 15, 1987, to April 30, 1988.

Your permission is respectfully requested to amend this contract to provide for additional funds that are necessary, as the funds encumbered have already been depleted and additional funds will have to be made available for the remainder of the snow season.

The cost of this amendment, which is effective on February 1, 1988, shall not exceed \$100,000, at rates set forth in the original bid and are reasonable for the services. The contract, as amended, shall not exceed \$200,000.

This letter is being prepared at this late date, as up-to-date billings have only recently been completed.

Inasmuch as this work is related directly to and in conjunction with an existing contract, I feel that public advertising would serve no useful purpose.

Very truly yours,  
Joseph F. Casazza,  
*Commissioner.*

**SCHOOL DEPARTMENT**  
**Painting Services**

Dear Mr. Mayor:

This letter is being submitted as an amendment to our letter of November 2, 1987, which established a list of interested, competent persons engaged in various categories of work, and approved them for repetitive service contract work with this department.

This amendment will add the contractor listed below.

For painting — including sign painting: William D. Thomas, Jr., d/b/a Thomas Painting Contractors, Jamaica Plain.

Your approval is requested to award a contract to this firm for the period March 1, 1988, to June 30, 1988, inclusive. In no event shall any contract to the firm exceed \$250,000.

The Auditor may certify an appropriation or other funds in an amount less than the face amount of the contract hereunder pursuant to the Standard Contract General Conditions, Article 12.3 and 12.4.

This letter is being submitted late in the contract year in an effort to increase minority participation in the work performed by this department.

Respectfully yours,  
Henry A. Scagnoli,  
*Structural Engineer.*

**TRANSPORTATION DEPARTMENT**  
**Adjudicating Parking Violations**

Dear Mr. Mayor:

On June 24, 1987, your Honor approved an award of a contract, without public advertising, to Thomas G. Bradley, Watertown, for the purpose of adjudicating parking violations in the Adjudication Section of the Office of the Parking Clerk during the period of July 1, 1987, to June 30, 1988, at a cost not to exceed \$24,955.

Your approval is requested to amend this contract. The cost of the amendment, which is effective on May 2, 1988, shall not exceed \$4,340, which I have determined to be reasonable. The contract as amended, shall not exceed \$29,295. The period of performance shall be from May 2, 1988, to June 30, 1988.

The reasons for the increase in the contract amount are: increased responsibilities and case management; research and preparation of informational material for interoffice use which is an increase from the original responsibilities; and preparation and training of the new hearing officers.

Because of the professional nature of the services to be performed, I believe advertising would serve no useful purpose.

Very truly yours,  
Richard A. Dimino,  
*Commissioner.*

**TREASURY DEPARTMENT**  
**Financial Management Services**

Dear Mr. Mayor:

On or about September 8, 1987, your Honor approved award of a contract, without public advertising, to John Loffredo, an individual located at 265 Clarendon Street, for assistance in Financial Activities for the Treasury Department for the period September 8, 1987 through June 30, 1988 at a cost not to exceed \$18,000.

Your approval is requested to amend this contract to provide for an increase in hourly compensation which not provided for in the terms of the original contract. Mr. Loffredo will be assuming substantial responsibilities for fiscal affairs and special projects. As you know, Jarius DeWalt will be leaving city-service and Mr. Loffredo will be assuming his responsibilities as Treasury liaison for Resource Recovery, and will be a member of the arbitrage working group, the reviewer of cable finance and tax coordination, and will staff the City of Boston borrowing groups, and will be coordinator of the analysts in the special projects group under the direction of the manager of special projects. In recognition of his increased responsibilities, Mr. Loffredo will continue to work full time at the new rate of \$20 per hour effective April 18, 1988. The total amount of this contract as amended will not change.

The period of performance shall remain September 8, 1987, through June 30, 1988.

Respectfully yours,  
George E. Mahoney,  
*Acting Collector-Treasurer.*

**SUFFOLK COUNTY**  
**COURT HOUSE COMMISSION**  
**Cleaning, etc.**

Dear Mr. Mayor:

On June 2, 1987, your Honor approved the award of a contract to NER Construction Management Inc., Billerica, for surface cleaning and weather sealing at the Suffolk County Court House during the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$29,822. On October 9, 1987, your Honor approved a contract amendment for additional services which were not anticipated in the terms of the original contract, to be effective on November 16, 1987, not to exceed \$3,800. The total cost of this contract, as amended, shall not exceed \$33,622.

Your approval is requested to further amend the contract to cover emergency services to clean/turbish fire damaged areas in the Suffolk County Court House, New Building, caused by two separate arson fires on January 30 and 31, 1988. Emergency services will commence on February 1, 1988. The cost of the emergency service amendment shall not exceed \$63,500, which I have determined to be reasonable.

The total cost of this contract, as amended, shall not exceed \$97,122.

Because of the emergency nature of these services, I believe that further public advertising would serve no useful purpose.

Very truly yours,  
Henry L. Barr,  
*Commissioner.*

**Proposal for Miscellaneous Repairs to Rolling  
Steel Doors at Public Works Department Facilities.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal will be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 23, 1988.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 9, 1988, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**Invitation for Bids to Provide Reconditioning/Preventive Maintenance/Miscellaneous Repairs to Various Ventilators and Respiratory Therapy Equipment at Boston City Hospital.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, Boston City Hospital, third floor, Administration Building, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, May 23, 1988.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be

completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Tuesday, June 7, 1988, at twelve noon, Boston time, at the Office of Contract Management at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

**Invitation for Bids for Maintenance  
to Escalators in Various Schools.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Maintenance to Escalators in Various Schools," at an estimated cost of \$195,000.

**SCOPE OF WORK:** It is the intent of this specification to furnish all necessary supervision, labor, materials, replacement parts, tools, equipment, and maintenance program, including twenty-four-hour emergency service, for all school escalators, as noted.

All work performed shall be done by a licensed elevator constructor repairman or maintenance worker, licensed under the Massachusetts General Laws, chapter 143. All escalator work and maintenance shall be performed in accordance with the elevator services code, Massachusetts State Code of the City of Boston, Mass., rules and regulations.

**PLANS AND SPECIFICATIONS** will be available for about Wednesday, May 25, 1988, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have \$10 returned. Bidders are hereby notified that deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check, or cashier's check, payable to the City of Boston.

**ALL GENERAL BIDS** will be received before five o'clock noon on Thursday, June 9, 1988, at which time and place respective bids will be opened and read aloud. General contractors must submit with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects in certain categories, up to a project dollar amount of up to an aggregate limit, and with an update statement, DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to

waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**Proposal for Installation of Glass  
in Public Works Department Equipment.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal will be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 23, 1988.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 9, 1988, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for Installation of Timber Guardrail at Various Locations, City of Boston.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Timber Guardrail at Various Locations, City of Boston."

**SCOPE OF WORK** consists of furnishing of all labor, material and equipment necessary to install timber guardrail and posts in parks and playgrounds. Estimated cost \$40,000.

**BIDS** shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, June 9, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities, or to reject any and all bids, if it be in the public interest to do so.

**SPECIFICATIONS AND PLANS** will be available on or about Monday, May 23, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

**BIDDERS** are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 31, 1988, at 10 a.m., Boston time.

Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 24, 1988, at 10 a.m., Boston time.

# CITY RECORD

JUN 3 1988

RAYMOND L. FLYNN  
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

CHRISTOPHER A. IANNELLA  
PRESIDENT, CITY COUNCIL

L. 80

MONDAY, MAY 30, 1988

NO. 22

Let us pause in our daily routine  
and say a silent prayer for the dedicated  
men and women of our armed forces. They  
fought long and hard in order to uphold the American  
ideal of peace and freedom. We salute the  
memory of these brave individuals.

# MAYOR AND BUSINESS SEEK WORK FORCES

Mayor Raymond L. Flynn joined Boston Real Estate developers, businesspeople in Greater Roxbury for Door-to-Door Campaign to train neighborhood residents for "New Economy" Downtown Jobs.

"Boston for Boston" initiative to stem critical labor shortage marks the first time a U.S. Mayor went to individual homes promoting job training.

The Mayor joined over 100 members of the downtown development and general business communities going door-to-door in the Roxbury neighborhood to enlist residents to take advantage of job training opportunities being offered by the city. In conjunction with the city's "Boston for Boston" program, Opportunity Day kicked-off a three-day, door-to-door outreach campaign by the city and its businesspeople designed to combat the critical labor shortage resulting from the changing local and national economy.

Recent statistics show that:

By the year 2000, the work force will increase by only 1 percent annually;

Women, minorities, and immigrants will form more than 80 percent of net additions to the labor force between now and the year 2000;

Jobs will continue to shift from goods-producing industries to the service sector (predictions are that by 1995, 90 percent of new jobs will be in services only 8 percent in manufacturing).

To address this problem, Mayor Flynn has implemented such programs as "Boston for Boston," a voluntary collaboration between the city and developers to help find and train neighborhood residents to fill the many new jobs spawned by the growing Boston economy. As a Boston for Boston activity, Opportunity Day will team such national, firms as the Trammell Crow Company, Jaymont Properties, the New England — as well as many local firms like the Chiofaro Company — with city and neighborhood officials to reach out to potential downtown workers.

In commenting on the opportunity Day activities, Mayor Flynn said, "Opportunity Day is what Boston's new economy is all about. It's about getting young people to work. It's about providing job training and education to those who need it. It's about helping the underemployed find better jobs. It's about brighter horizons for all the city's residents.

The gap between opportunities downtown and our neighborhoods gets smaller and smaller when we begin to get every Boston resident involved in our city's strong new economy. That's why we've encouraged employers to come out to residents about what opportunities are available."

Kristen McCormack, Director of the Mayor's Office of Jobs and Community Services commented: "These Opportunity Days are an effective way of bringing the business community and unemployed Boston residents together. This effort illustrates the growing partnership between Boston's neighborhoods and the downtown business community. In months and years to come, thousands of job opportunities will be available in the City of Boston. We want to help every Boston resident who wants to work find good training and the right job match to build a strong labor force for the city's new economy."

The activities began with the 9 a.m. assembly of all volunteers at One International Place in Boston, where they were transported to Roxbury for a press conference which began at 10:15 a.m. at the Roxbury Comprehensive Health Center, 435 Warren Street, Roxbury. Following the press conference, the media accompanied Mayor Flynn, top business executives, and neighborhood officials as they made their way into the neighborhood. Over 150 people volunteered for the three-day campaign — 100 of them top local businesspeople.

## CITY TO FUND CHINATOWN AGENCY

The Public Facilities Department (PFD) of the City of Boston has awarded \$40,000 to the Quincy School Community Council, the primary multi-service provider to Boston's Asian community. The funding, given through the Physical Improve-

ment Program for nonprofit organizations, will be used for extensive renovations to the Council's building at 34 Oak Street in Chinatown.

"The Physical Improvements Program allows an organization to fix up their facilities without interrupting the necessary services that they provide," said Lisa G. Chapnick, Director of PFD. "Boston's Asian community has doubled in size since the mid-70s and the Quincy Community School Council needs to have adequate space in order to meet the growing demand for their services. We are pleased to be able to help."

The Physical Improvements grant along with additional private funding will be used to renovate a child care classroom, refurbish a kitchen area to allow hot meals to be prepared for the children at this site, add offices for the day care program and improve office space for Adult English as a Second Language program.

The Quincy School Community Council (QSCC) was started in 1969 by Chinatown residents to represent the community's interests and concerns in the development and construction of the Quincy Community School. When construction was completed in 1975, the QSCC was designated as the organization responsible for operating the Quincy Community School. The QSCC has expanded greatly and now occupies two buildings on Oak Street in addition to the school. The QSCC offers a wide range of services, including the Acorn Child Care Center, an after-school program, a day-long summer camp for 400 area children, and English as a second language program for youths and adults.

The Physical Improvements Program has given over \$4 million to over seventy-five nonprofit organizations in neighborhoods throughout Boston over the past five years.

## NORTH END UNION RECEIVES CITY GRANT

The Public Facilities Department (PFD) of the City of Boston has awarded a grant totaling \$37,500 to the North End Union, the principal social and community agency for

North End. The funding, given through the Physical Improvements program for nonprofit organizations, will be used to improve access to the Union's Hubbard Hall on Parmenter Street.

This project has received a tremendous amount of support from Mayor, the City Council, the School Committee, and the State Legislature," said Lisa G. Chapk, Director of PFD. "We have received enthusiastic letters of endorsement from just about every organization that has ties to the North End, and we are happy to be able to provide the necessary funding."

The North End Union was founded in 1892. Since that time, the Union has been dedicated to providing a wide range of social and economic services for North End residents. It sponsors day care, youth and senior programs, adult education and cultural events, and offers housing assistance. The North End Union has also played an active role in identifying concerns crucial to the community and developing programs to address these issues.

The Physical Improvements funding will be used to construct a wheelchair ramp and lift into the building. The total project is estimated to cost \$50,000. The balance of \$12,500 will be raised through private contributions.

The North End Union's building on Parmenter Street, Hubbard Hall, has been host to innumerable gatherings of North End residents, veteran's groups and social clubs. Hubbard Hall is used as the primary meeting place by, among others, the Sons of Italy, the Boston Center for Adult Education and the North End/Waterfront Neighborhood Council. Fred Carrangelo, a member of the North End Neighborhood Council, is confined to a wheelchair, and his entry into the building involves being lifted to the first floor by many strong bodies as are available.

"In its capacity as virtually a public building in the North End, Hubbard Hall should be accessible for everyone," said Bob O'Brien, Executive Director of the North End Union. "Entry should be simple for wheelchairs, for people with baby carriages and even those with shopping carts."

The Physical Improvements Program has given almost \$4 million to over seventy-five nonprofit organizations throughout the city.

### CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

#### ADMINISTRATIVE SERVICES DEPARTMENT Consultant Services

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising and to award a contract to Attorney Lawrence J. Ball of Ten Tremont Street, Boston, MA 02108.

The purpose of this contract is to provide this department with advice, consultation and representation relative to Civil Service and personnel laws. We wish to award this contract to Mr. Ball because Mr. Ball is an expert in the areas of Civil Service and personnel.

Compensation under this contract shall not exceed \$15,000, an amount I have determined to be reasonable for the work performed. Payment for services associated with this contract shall be charged to appropriation 011-140-0147-0290. This hourly rate shall be \$75 per hour.

The term of this contract shall be from July 13, 1987, through June 30, 1988.

In view of the professional nature of the services to be performed, I see no practical purpose to be served by further public advertising for these services.

Very truly yours,  
Raymond C. Dooley,  
Director

#### JOBS AND COMMUNITY SERVICES

##### Developing English Language Skills, etc.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the League of Haitian Families, Inc., a nonprofit corporation, located at 169 Massachusetts Avenue. Under the terms of the contract, the contractor will provide educational and employment related to approximately six Haitian refugees to assist them in developing English language skills and in obtaining employment. The contractor will also implement and operate a case management program for these refugees.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$7,250, payment being made from funds received under the Refugee Education and Employment Program. The period of performance shall be January 1, 1988, until June 30, 1988. The

submission of this letter has been delayed due to the late issuance of planning requirements from the Office of Training and Employment Policy/Division of Employment Security.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

**LIBRARY DEPARTMENT  
Purchase of Books, etc.**

Dear Mr. Mayor:

On behalf of the Boston Public Library of the City of Boston, I am respectfully requesting your approval to award a contract without advertising, to the Trustees of the Boston Public Library of the City of Boston, a corporation duly organized and existing under the laws of the Commonwealth of Massachusetts, (See St. 1878, c. 1878, C. 114), for the purchase of books and certain other library bibliographical acquisition materials for the period April 1, 1988, to June 30, 1988, at a cost not to exceed \$216,236.15.

The Trustees of the Boston Public Library will purchase books and other library materials for the Boston Public Library on the basis of offers submitted periodically by book publishers and dealers. The nature of the items to be purchased and the fluctuation in the prices thereof, as well as in the desired quantities thereof, do not lend themselves to public bidding.

Therefore, the library is requesting that a contract be established between the City of Boston Library Department (Official) and the Trustees of the Public Library of the City of Boston (Contractor) in the amount of \$216,236.15. This amount is available from the State-Aid-to-Libraries for 1988. The contract will allow the purchase of library books and materials from publishers and dealers that can supply the required titles and quantities. In the past, the library book purchasing operation involved over 3,000 individual book supply companies, and this supply network is still needed.

This contract has been discussed with the Law Department and the City Auditor and has been agreed to as an acceptable approach to this unique purchasing situation.

The Trustees of the Boston Public Library will abide by the City of Boston contract procedures to the extent possible and this contract will have no effect on competition among book vendors.

In view of the circumstances outlined above, public advertising would serve no useful purpose.

With the award of this contract, the Trustees of the Boston Public Library will now be able to order books and library materials from the main supply source and general public needs and interests will be served more efficiently.

Respectfully,

The Board of Trustees in Charge of  
the Library Department of the City  
of Boston

By Arthur Curley,  
Director and Librarian.

**MANAGEMENT INFORMATION SYSTEMS  
Database Management Services, etc.**

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with public advertising and award a contract to Information Dimensions, a software product cen-

ter located at Ohio, for the purchase of BASIS, database management software package which runs on the Wang VS line of minicomputers. The total cost of this contract will not exceed \$90,600 and would include the purchase of BASIS for the VS300 minicomputer located in City Hall and a site license for a VS65 minicomputer located at the Police Department. The breakdown is as follows:

BASIS on a VS300, \$67,200; BASIS on a VS65, \$23,400; (inc. a 40 percent discount), \$90,600.

BASIS is a powerful Text Information Management System and would greatly enhance the operations of the city's Law Department and prove to be an excellent resource to the Boston Police Department.

BASIS is one of the most powerful text retrieval packages available and it is already being used by various government agencies and legal offices around the Boston area. This software package has already been purchased and is being used by the District Attorney's office. The use of this package by the intelligence unit of the Police Department would be an integral part of the informational exchange between the D.A.'s office and the Police Department in conducting investigations. Also, since this is a product of proprietary nature, I believe that no useful purpose would be served by advertising.

Maintenance of the software and training for City of Boston employees is included at no cost as part of this purchase through the end of the fiscal year.

This contract will be effective from the period of February 15, 1988, through June 30, 1988, and shall not exceed \$90,600. It is my opinion that the cost is reasonable, and shall be charged to appropriation 011-0140-0149-MI04-0490.

This contract is late due to the final determination of the system functions, and the delay in return of the contract documents from the vendor.

Sincerely,

Allan K. Stern,  
Director.

**PUBLIC WORKS DEPARTMENT  
Engineering Services**

Dear Mr. Mayor:

Pleased be advised that due to an administrative oversight, the period of performance for Contract No. SC-7188(85) for engineering services to pedestrian bridge locations in the city, by Hayden/Wegman, Inc., 214 Lincoln Street, was allowed to expire.

This has resulted in the termination of the contract before all services could be completed and will not allow for an extension of time, and therefore, a new contract must be implemented in order for the remaining portion of the contract to be completed.

I respectfully request that we encumber an amount of \$10,000 under a new Contract No. SC-7709(88), which will allow the scope of services to be completed.

I further respectfully request that your Honor dispense with public advertising and approve the award of this contract to Hayden/Wegman, Inc., 214 Lincoln Street, for the work as stated above, for the amount stated above, and for these reasons I believe that public advertising for proposals would serve no useful purpose.

The period of performance will be from July 1, 1987, to June 30, 1988. This letter is being submitted at this late date, as it was only recently realized that the contract had in fact expired.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

**VETERANS' GRAVES REGISTRATION  
Decorating Graves of Veterans, etc.**

Dear Mr. Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to the Martin F. McDonough Post 368 American Legion, c/o John J. Foley, 671 East Street, South Boston. The appropriate code for contract is 011-740-0742-VG-01-0290.

The Martin F. McDonough Post 368, American Legion organization has been flagging veteran graves and decorating hero squares for year Memorial Day.

Compensation under this contract shall not exceed \$2,188.50. The terms of this contract shall be from May 1, 1988, through May 30, 1988. I have determined that the contract cost is reasonable.

Because of the unique nature of the service performed, it is my opinion that public advertising would serve no useful purpose.

Very truly yours,

Thomas B. Materazzo,  
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to the following veterans organization: Michael J. Perkins Post 67, American Legion, c/o Robert G. Prosser, 863 East 4th Street, South Boston. The appropriate code for this contract is 011-0742-VG-01-0290.

The Michael J. Perkins Post No. 67, American Legion organization has been flagging veteran graves and decorating hero squares for year Memorial Day.

Compensation under this contract shall not exceed \$2,148.50. The terms of this contract shall be from May 1, 1988, through May 30, 1988. I have determined that the contract cost is reasonable.

Because of the unique nature of the service performed, it is my opinion that public advertising would serve no useful purpose.

Very truly yours,

Thomas B. Materazzo,  
Commissioner.

**SUFFOLK COUNTY  
COURT HOUSE COMMISSION  
Elevator Repair, etc.**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Montgomery Elevator Company, Etree, for emergency services to repair six passenger elevators and one prisoner elevator located in the New Courthouse Building.

On January 30, 1988, Montgomery Elevator Company commenced emergency services to repair elevators in the New Court House building which were water-damaged as a result of two fires on January 30 and 31, 1988. Montgomery Elevator Company is an approved qualified elevator vendor, currently providing monthly preventive maintenance services as the lowest qualified bidder on a publicly advertised proposal for years 1988 to 1990.

Compensation under this contract shall not exceed \$8,327.55, which I have determined to be reasonable.

Late submittal of this contract results from time needed to determine the extent of damage and accurately estimate costs to make emergency repairs.

...se of the emergency nature of this service,  
...that further public advertising would have  
...to useful purpose.

Very truly yours,

Henry L. Barr,  
Commissioner.

#### Security Management Services

Mayor:  
I respectfully request your permission to dis-  
continue public advertising and to award a con-  
tract to Macdonald Associates, Inc., a corporation  
located at Melrose, for security management of the  
County Court House complex and security

under the terms of the contract, Macdonald As-  
sociates, Inc. will supervise and evaluate court  
security practices/procedures, make recom-  
mendations for improvement, provide inservice  
training and implement operational changes. Mac-  
donald Associates, Inc. is uniquely qualified to per-  
form this work because of their previous  
experience in law enforcement and investiga-  
tion security areas.

Compensation under this contract shall not ex-  
ceed \$9,620, which I have determined to be rea-  
sonable for the work to be performed.

The term of this contract shall be March 15, 1988  
to June 30, 1988.

In view of the emergency need to enhance secu-  
rity at the Court House in response to the two recent  
incidents and because of the professional nature  
of the services to be performed. I believe that public  
advertising would serve no useful purpose.

Very truly yours,

Stephen J. Carroll,  
Superintendent.

#### CONTRACTS AMENDED

The Mayor has approved the amend-  
ment to the following contracts, based on the following  
information:

##### CITY COUNCIL

#### Reporting and Stenographic Services

Mayor Flynn:  
On or about July 1, 1987, you approved the  
award of a contract (1293-88), without public adver-  
tising to Mary E. Ford, 85 Merrimac Street, for re-  
porting and stenographic services for the members  
of the Boston City Council at a cost not to exceed  
\$10,000, for the period July 1, 1987, through June  
30, 1988.

Your permission is respectfully requested to  
amend this contract to provide for additional work  
which will exceed that anticipated in the original  
contract. The amount of the original contract has  
proven to be insufficient and the funds are being  
depleted at a rate that will expire short of the expira-  
tion date of the contract.

The cost of the amendment shall not exceed  
\$27,650, a fixed cost, which I have determined to be  
reasonable for the work. The contract, as  
amended, shall not exceed \$27,650.

Inasmuch as this work is related directly to and in  
conjunction with an existing contract, I feel that  
public advertising would serve no purpose.

Sincerely,

Christopher A. Iannella,  
President.

#### Newspapers Delivery

Mayor Flynn:  
On or about July 1, 1987, you approved the  
award of a contract (1290-88), without public adver-

tising, to Wellington News Co., Inc., located at 105  
Charles Street, for the provision and delivery of  
newspapers for the members of the Boston City  
Council at a cost not to exceed \$2,600, for the pe-  
riod July 1, 1987, through June 30, 1988.

Your permission is respectfully requested to  
amend this contract to provide for service costs  
which will exceed that anticipated in the original  
contract. The amount of the original contract has  
proven to be insufficient and the funds are being  
depleted at a rate that will expire short of the expira-  
tion date of the contract.

The cost of this amendment shall not exceed  
\$250, a fixed cost, which I have determined to be  
reasonable for the work. The contract, as  
amended, shall not exceed \$2,850.

Inasmuch as this work is related directly to and in  
conjunction with an existing contract, I feel that  
public advertising would serve no useful purpose.

Sincerely,

Christopher A. Iannella,  
President.

#### JOBS AND COMMUNITY SERVICES

##### Computer Services, Maintenance

Dear Mayor Flynn:

On September 28, 1986, your Honor approved  
the award of a contract to the Digital Equipment  
Corporation, a Massachusetts corporation having  
its principal offices at Maynard, for the purpose of  
providing professional services to the Computer  
Services Unit of the Mayor's Office of Jobs and  
Community Services. Compensation was for an  
amount not to exceed \$53,000, payment being  
made from funds received under the Job Training  
Partnership Act for the period of July 1, 1986, until  
June 30, 1988. The contractor was the sole respon-  
dent to a publicly advertised Request for Proposals  
conducted by JCS and advertised in the *Boston  
Globe* on May 11, 1986.

Your approval is requested to amend this con-  
tract in terms of compensation and the services to  
be provided. On May 2, 1988, JCS will be moving its  
offices, currently located at 15 Beacon Street, to 43  
Hawkins Street. This will require the relocation of  
JCS's Digital PDP 1170 computer, and I respect-  
fully request your Honor's permission that this  
move be handled under the existing hardware  
maintenance agreement to ensure equipment in-  
tegrity and warranty. The cost of this amendment  
shall not exceed \$16,000. Total compensation un-  
der the terms of this contract, as amended, shall not  
exceed \$69,000. All other terms and conditions of  
the original contract shall remain the same.

As this is a negotiated contract amendment at a  
reasonable cost, and due to the fact that the con-  
tractor is the manufacturer of the JCS computer, I  
believe that public advertising would serve no use-  
ful purpose. I, therefore, request permission to dis-  
pense with inviting sealed bids by advertising in the  
*City Record*, pursuant to authority granted under  
the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,  
Director.

#### Counseling Services

Dear Mayor Flynn:

On or about July 6, 1987, your Honor approved  
the award of a contract to Federated Dorchester  
Neighborhood Houses, Inc., a nonprofit corpora-  
tion, located at 985 Dorchester Avenue, Dorches-  
ter, for the purpose of providing counseling services  
to pregnant and parenting teens. Compensation  
was for an amount not to exceed \$27,000, payment

being made from the Community Development  
Block Grant program for the period of May 14, 1987,  
until June 30, 1988.

Your approval is requested to amend this con-  
tract in terms of compensation. Additional funds  
are requested to allow the contractor to continue to  
provide services while seeking other funds to oper-  
ate its program serving pregnant and parenting ad-  
olescents. While the original termination date of  
this contract remains June 30, 1988, the funds  
awarded at the time of the submission of the origi-  
nal contract have been exhausted. I, therefore, re-  
spectfully request your Honor's permission to  
increase compensation in the amount of \$3,375.  
Total compensation under the terms of this con-  
tract, as amended, shall not exceed \$30,375. All  
other terms and conditions of the original contract  
shall remain the same.

As this is a negotiated contract amendment at a  
reasonable cost, based upon an extensive program  
review, I believe that public advertising would serve  
no useful purpose. I, therefore, request permission  
to dispense with inviting sealed bids by advertising  
in the *City Record*, pursuant to authority granted un-  
der the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### MANAGEMENT INFORMATION SYSTEMS

##### Hardware, Software Maintenance

Dear Mayor Flynn:

On January 14, 1988, your Honor approved the  
award of a contract, without public advertising to  
Intergraph Corporation of Alabama. This contract  
was to provide for the maintenance and service of  
the existing Intergraph Mapping System (hardware  
and software) within the Administrative Services/  
Data Processing Unit. This contract is for the period  
of July 1, 1987, through June 30, 1988, at a cost not  
to exceed \$83,664.

Your permission is requested to amend this con-  
tract to cover the cost of providing additional main-  
tenance and on-site work involved in the renovation  
of the Computer Room. The cost of this amendment  
shall not exceed \$13,650 and shall be charged to  
appropriation code 011-140-0149-M102-0490. The  
total cost of this contract, as amended, shall be  
\$97,314.

Since Intergraph Corporation is the manufac-  
turer of the equipment and software in question,  
their technicians are trained specially to maintain  
and repair the system they manufacture. I consider  
the cost to be reasonable, and feel that no useful  
benefit will accrue to the city by publicly advertising  
for bids.

Sincerely,

Allan K. Stern,  
Director.

#### PARKS AND RECREATION DEPARTMENT

##### Cemetery Design Services

Dear Mr. Mayor:

On August 7, 1987, your Honor approved an  
award of a contract, without public advertising for  
bids, to Structural Technology, Inc., 77 No. Wash-  
ington Street, for design services for Historic Cem-  
eteries, during the period February 10, 1987,  
through November 30, 1988, at the cost not to ex-  
ceed \$17,575.

Your approval is requested to amend this con-  
tract to provide for additional designer's expense  
as the Capital II improvement plan projects for His-  
toric Burying Grounds Preservation budget total is  
\$210,000, not the previously stated amount of

\$137,575. The cost of this amendment which is effective on February 5, 1988, shall not exceed \$6,425, which I have determined to be reasonable. The contract, as amended, shall not exceed \$24,000.

Because the contract is for the performance of professional services, and because the designer has performed satisfactorily, it is my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

The contract will be charged to 6S5-400-6701-0735 (Cemetery Appropriation).

Very truly yours,

William B. Coughlin,  
Commissioner.

## PUBLIC FACILITIES DEPARTMENT

### Personnel Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on January 15, 1988, I respectfully request your Honor's written authority to dispense with public advertisement and amend a contract approved by your Honor on September 3, 1987, to the firms listed below, providing temporary technical and clerical personnel to the Public Facilities Department on an as-needed basis, for the period from July 1, 1987, to June 30, 1988, at a cost not to exceed \$100,000.

Ford & Ford, 581 Boylston Street; The Skill Bureau, 120 Tremont Street; The Word Processors Collective, 101 Tremont Street; Yankee Contract Services, 22 Perkins Street.

Your approval is requested to amend this contract to provide for continuation of same services. The cost of the amendment shall not exceed \$50,000. The contract, as amended, is for a value not to exceed \$150,000. Because this is a multi-vendor program the contract amount shall be shared with each firm. The period of performance shall remain the same.

Under the terms of this contract, the contractors are providing temporary technical and clerical personnel to the Public Facilities Department when job positions are vacant due to resignations. As a result of a higher than expected turnover of employees and unexpected leaves of absence, it has become necessary to amend the contract.

The submission of this request has been delayed due to the time required to determine the encumbered amount of each vendor.

Because of the professional nature of the service to be provided and the qualifications of the contractors, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

## REAL PROPERTY DEPARTMENT

### Poling Vacant Lots

Your Honor:

On August 14, 1987, your Honor approved an award of a contract based on public advertising for bids to A & N Construction, 53 Cooper Street, Boston, for general poling of vacant lots during the period August 17th, to June 30, 1988, at a cost not to exceed \$43,580 (1,000 poles \$43.58).

Your approval is requested to amend this contract to provide for an additional 250 poles at the original bid price. The cost of this amendment, which is effective on May 1, 1988, shall not exceed \$10,895. The contract as amended, shall not exceed \$54,475. The period of performance shall remain the same.

Because the original bid was extremely reasonable and that price will remain the same for the additional poles needed, I believe that further public advertising would serve no useful purpose.

Respectfully yours,

J. Edward Roche,  
Commissioner.

## TRANSPORTATION DEPARTMENT

Dear Mr. Mayor:

On July 27, 1987, your Honor approved the award of a contract based on public advertising for bids to Pier Garage, Inc., dba Pier Transmission, 221 Northern Avenue, for transmission repairs for Boston Transportation Department during the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$4,140.

Your approval is requested to amend this contract which was necessitated by the increased cost of repairing transmissions on four-wheel-drive vehicles. In order to keep our fleet of vehicles operating for the balance of the fiscal year, it is necessary to increase the amount of money in this contract.

The cost of this amendment shall not exceed \$2,500, which I have determined to be reasonable. The contract, as amended, shall not exceed \$6,640. The period of performance shall remain the same.

For the reasons stated above I believe that public advertising would serve no useful purpose.

Very truly yours,

Richard A. Dimino,  
Commissioner.

### DEPARTMENT OF HEALTH AND HOSPITALS

#### Invitation for Bids to Provide Preventive Maintenance and Repair for Microscopes at Boston City Hospital.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Tuesday, May 31, 1988.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Thursday, June 16, 1988, at twelve noon, Boston time, at the Office of Contract Management at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

**NOTICE TO CONTRACTORS**

**Invitation for Bids for the Upgrade of the Emergency Electrical System at the Long Island Hospital, Project No. 5107, C. 149 Projects.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Upgrade of the Emergency Electrical System at the Long Island Hospital."

SCOPE OF WORK includes the testing and maintenance of switchgear components, installation of new transformer, breaker panels, lighting and receptacles.

TIME AND PLACE FOR FILING BIDS: ALL GENERAL BIDS shall be filed with the Awarding Authority at the sixth floor, 26 Court Street, Boston, MA

02108, before twelve o'clock noon on June 20, 1988, at which time and place respective bids will be opened forthwith and read aloud.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on or about May 31, 1988, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. C0CN16, STATION MODIFICATIONS, Buzzards Bay, Barnstable County, Massachusetts, will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on June 15, 1988. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of demolition, asbestos removal, interior and exterior building renovation, septic system, seeding and sodding, plumbing, electrical work, heating and ventilation.

This contract is subject to a financial assistance contract between the MBTA and the Executive Office of Transportation and Construction.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after May 19, 1988, Monday through Friday, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 16 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the Construction Office, 500 Arborway, Jamaica Plain, MA 02130, Telephone No. (617) 722-3465. A prebid conference will be held on June 2, 1988, at 10 a.m., in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bid that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

Mass.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed bids for furnishing and delivering paint materials to 26 Court Street, Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Thursday, June 16, 1988, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

UPON APPROVAL AND WITH THE PERMISSION OF AN "APPROVAL FOR PROPOSAL FORM" TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE RESPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.**

Each proposal shall be submitted in duplicate and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston, Thursday, June 16, 1988, at Room 714 and at the Office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be published and read aloud.

Attention of all bidders is directed to the provisions of the contract documents and specifically the requirements for bid deposits, insurance and performance bonds as may be applicable.

Each proposal guaranty shall consist of a bid deposit of five percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

Each proposal shall be accompanied by a performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, treasurer's or cashier's check issued by a reputable bank or trust company payable to the City of Boston, which will be required of the successful bidder to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

**NOTICE**

Attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Regarding the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (Labor).

**Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

**Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less

than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

**3. Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

**4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.**

**ATTENTION TO ALL BIDDERS**

**1. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**PREBID CONFERENCE**

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on June 7, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

**ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH.** The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

The School Committee of the City of Boston invites bids for purchasing, maintaining service and furnishing related supplies for simplex time recorders for FY 88-89 for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Purchasing, Maintaining Service and Furnishing Related Supplies for Simplex Time Recorders. Bid Date: Thursday, June 23, 1988. (Purchasing Dept., BPS)." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Thursday, June 23, 1988. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Installation of Timber  
Guardrail at Various Locations, City of Boston.

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Installation of Timber Guardrail at Various Locations, City of Boston."

SCOPE OF WORK consists of furnishing of all labor, material and equipment necessary to install timber guardrail and posts in parks and playgrounds. Estimated cost \$40,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, June 9, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, May 23, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 31, 1988, at 10 a.m., Boston time.

## CITY AWARDED MONEY TO AID HOMELESS

The City of Boston's Public Facilities Department has given a \$51,000 grant to the Sojourner House, a nonprofit social service provider, for use in converting the convent of Roxbury's St. Joseph's Church to seven apartments for homeless families. The money was awarded to the City of Boston by the U. S. Department of Housing and Urban Development (HUD) through the Emergency Shelter Grant Program of the Stewart B. McKinney Homeless Assistance Act.

"This is the sixth time Boston has been awarded homeless assistance grants since the McKinney Act was passed last June," said Lisa G. Chapnick, director of Public Facilities. "That's a tribute to this administration's proven ability to deliver services. Boston's support network for the homeless is second to none."

Last December, the City received \$1 million under the Supplemental Assistance for Facilities to Assist the Homeless (SAFAH) program. That was the largest of thirty-eight SAFAH grants awarded nationwide by HUD. Boston has so far been awarded \$790,000 in five separate grants through the Emergency Shelter Program.

These funds have enabled the city to help expand by nearly 400 the number of new shelter beds and to increase significantly services for Boston's homeless population.

Since 1984, the City of Boston has spent over \$10 million in aid for the homeless — one of the largest per capita allocations of any major city in the country.

E. Jackson Hall, president of Hall Davison and Company (HDC), and Scott Webster, president of SK and Associates, have formed HDC Roxbury One Associates in order to develop the Southwood/Edgewood/Waverly/Blue Hill Avenue site. Webster, who lives nearby, will serve as the marketing agent for the project. Hall, who is currently building ninety-three condominiums at 170 Tremont Street as part of the Parkside West development, will contribute \$300,000 toward the affordable units of the Southwood et al. project. The payment is part of an agreement reached with the Boston Redevelopment Authority (BRA) when Hall was named developer of the Parkside West project.

"The city has been good to me," said Hall, who has more than seventeen years of experience in real estate development. "I'm happy to be able to contribute to housing development in Roxbury."

Hall said he expects to be able to begin construction of the Southwood/Edgewood/Waverly/Blue Hill Avenue project in six months. The new homes should be ready for occupancy next spring.

### NEW HOMES ON VACANT LAND IN ROXBURY

The City of Boston's Public Facilities Department (PFD) has designated a downtown real estate developer and a Roxbury property manager as joint developers of eighteen, two-bedroom townhouses on ten city-owned lots on Blue Hill Avenue, Waverly, Southwood and Edgewood Streets in Roxbury. Ten of the eighteen units will be affordable to low- and moderate-income residents. The new homes will be built on vacant parcels, acquired by the city through tax foreclosure, that are part of PFD's inventory of 747 buildable lots.

"We are very excited about this proposal," said Lisa G. Chapnick, director of the Public Facilities Department. These homes will offer a number of unusual amenities, including rear decks, front and back yards, a utility room and garage — both of which can be converted into a bedroom or family room."

Three of the units will be sold to the Boston Housing Authority through the state's 705 program. Three additional units will be sold to low-income homebuyers for between \$53,000 and \$59,000, while moderate-income homeowners will have a chance to buy four units at prices from \$79,000 to \$88,000. The remaining eight units will be put on the market for \$135,000 each.

The Southwood/Edgewood/Waverly/Blue Hill Avenue project is supported enthusiastically by neighborhood residents, many of whom signed petitions in support of the plan. Ms. Martha Williams of Maywood Street told the three-member Public Facilities Commission that she feels right now that she has no neighbors because of all the vacant land in the Savin/Maywood area. "We need housing badly," said Ms. Williams. "We're very happy with this proposal. We'll jump for joy at the groundbreaking."

### DIGITAL HELPS UNITED WAY

What kind of donation helps the United Way of Massachusetts Bay respond faster to community needs and agency requests, locate donors, ensure allocations are being used properly, and serve people more efficiently?

It's a donation that comes in the form of the United Way of Massachusetts Bay's new computer system, made possible by Digital Equipment Corporation!

Digital's Corporate Contributions Committee has awarded the United Way a \$362,000 equipment grant to

help upgrade its computer system to a VAX 8530.

"The new computer system," says United Way President Robert X. Chandler "will enable the United Way to work more efficiently in carrying out its mission to help build a stronger and more caring community in the years immediately ahead."

The United Way is currently engaged in the implementation of its Strategic Plan to double, by 1992, its capacity to serve the community through increased planning, community problem solving, leadership development, fund raising, and a strengthening of the fund distribution system in support of vital health and human service programs.

"With the aid of our new VAX 8530 computer system, we will be able to better address needs in the eighty-one communities we serve," says Robert Ahern, vice-president of Information Systems. "We will be better equipped to respond quickly to community needs and organizational requests and to process more information about donors and potential donors."

"Digital is pleased to award this grant, noting the strong commitment our employees have to the United Way of Massachusetts Bay," says David Grainer, vice-president of Corporate Field Service of Digital Equipment Corporation. "This equipment grant is an investment in the future well-being of our community."

The United Way supports nearly 200 local agencies to meet rising health and human service needs. The United Way of Massachusetts Bay serves 1.7 million people in eighty-one communities throughout eastern Massachusetts.

## BOSTON ARSON STATISTICS DECLINE

Arson was down 26 percent in Boston in 1987, marking the second straight year the city has experienced a decline.

In the eight neighborhoods targeted by the Boston Arson Prevention Commission, the arson rate was slashed 35 percent, Fire Department reports show.

"We're very encouraged by this response" observed Robert Costello, who serves as the commission's chairman. "This means fewer people were injured, lost possessions, or were burned out of their homes."

The most drastic reduction occurred in Jamaica Plain's Ward 11 area. Suspicious and incendiary fires plummeted from eight to a single incident last year — an 87 percent decline.

In Ward 19 (Jamaica Plain-Roslindale), arson fires went from nine the previous year, to three in 1987.

"Thanks to the combined efforts of the Arson Prevention Commission and the Fire Department, we're seeing solid evidence that arson can be prevented," stressed Mayor Raymond L. Flynn. "Our neighbor-based approach is paying off and the statistics confirm it."

In Wards 6 and 7, which encompass all of South Boston and a small section of Dorchester, arson cases dropped dramatically from twenty-two to fourteen.

East Boston also experienced a significant improvement. Arson there went from twelve incidents to seven.

Those sections of the city that experienced increases were the Fenway, South End, Lower Roxbury, Southeast Dorchester, and Allston.

"We will be giving special attention to these areas," promised Kelley Brown, Executive Director of the Arson Prevention Commission, noting that intervention has already occurred in two,

fire-prone Fenway apartment complexes.

Incidents of arson held relative steady in West Roxbury, Central Dorchester, and Mattapan.

Brown also credits vigorous pursuit of arsonists by the Fire Department's Fire Investigation Unit and the office of the State Fire Marshal for discouraging criminal acts.

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### CABLE COMMUNICATIONS

#### Legal Services

Dear Mr. Mayor:

On July 1, 1987, your Honor approved an award of a contract, without public advertising for bids, Peter J. Epstein, Brookline, to serve as legal counsel and regulatory advisor to the Cable Communications Division of the Administrative Services Department, during the period July 1, 1987, to July 30, 1988, at a cost not to exceed \$25,000.

Your approval is requested to amend this contract to provide for additional services related to preparation of the annual performance evaluation report of Cablevision and counsel related to a lawsuit against Cablevision of Boston for breach of contract.

The cost of this amendment, which is effective May 1, 1988, shall not exceed \$9,400, which I have determined to be reasonable. The contract, as amended, shall not exceed \$34,400. The period of service for this contract will be July 1, 1987, to July 30, 1988, at an hourly rate of \$50.

Due to the technical and professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Thomas P. Cohan,  
Director

### JOB AND COMMUNITY SERVICES

#### Electronics Skills Training

Dear Mayor Flynn:

On or about February 1, 1988, your Honor approved the award of a contract with the Roxbury Community College, an accredited Commonwealth of Massachusetts educational institution located at 1234 Columbus Avenue, Roxbury Crossing, to operate an Electronics Skills Training Program for JTPA and DPW eligible participants. Compensation was for an amount not to exceed \$84,000, payment being provided by the Job Training Partnership Act and the Department of Public Welfare for the period October 1, 1987, through June 30, 1988.

Your approval is requested to amend this contract in terms of compensation. Additional funds are requested to allow the contractor to provide tutoring and counseling services to participants enrolled in the Electronics Skills Training Program provide training to two additional DPW eligible participants. Funding for this amendment will be provided by the Department of Public Welfare in an amount of \$25,200. Total compensation under the terms of this contract, as amended, shall not exceed \$110,000. All other terms and conditions of the original contract shall remain the same.

#### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by NOON, Friday of each week to insure its publication in the following issue.

PLEASE NOTE: That the deadline of NOON, FRIDAY of each week is ten days in advance of publication.

This amendment is for a negotiated contract at a reasonable cost, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### SCHOOL DEPARTMENT

##### Books and Education Materials

Mr. Mayor:

In May, 1986, your Honor approved the award of a contract to various vendors for providing books and certain other educational materials during the period July 1, 1986, to June 30, 1989. One of these vendors is Harcourt Brace Jovanovich, Inc., who was awarded a contract in the amount of \$250,000. Your approval is requested to amend this contract to reflect an increase of \$1,500,000. The total cost of this amendment shall not exceed \$1,750,000, subject to the availability of an appropriation in each fiscal year.

This amendment is required because of the ongoing need to provide Boston Public Schools with books and certain educational materials. The decision to approve the Reading Basal Adoption by the Boston Public Schools necessitates this amendment.

On February 9, 1988, the recommendation to select a single basal reading program for Boston Public Schools was approved by the School Committee. Textbook companies were invited to submit materials for consideration. Nine companies responded, and the following four were selected finalists:

Harcourt Brace Jovanovich, Inc.; MacMillan Publishing Co., Inc.; Scott Foresman and Company; and Scribner Educational Publishers.

Following extensive review and evaluation, Harcourt Brace Jovanovich, Inc., was selected to provide the basal reading program.

The Auditor may certify an appropriation or other amount in an amount less than the face amount of a contract hereunder pursuant to the Standard Contract General Conditions, Article 12.3 and 12.4. Because the basal readers to be provided are proprietary in nature and the price is reasonable, I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo J. Burke,  
Business Manager.

#### CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the award of contracts without advertising, based on the following communications:

##### JOBS AND COMMUNITY SERVICES

###### Air Conditioning System

Mr. Mayor Flynn:

I respectfully request your Honor's permission to award a contract to BayState York, Inc., located at Summer Street. Under the terms of the contract, the contractor will disconnect, move, and reconnect a Liebert Challenger 2 Air Conditioning System for the Mayor's Office of Jobs and Community Services. JCS is moving from its current location at 15 Beacon Street to 35-43 Hawkins Street, and the air conditioning unit is required for the computer hardware used by JCS.

The contractor was selected as the sole respondent to a publicly advertised request for proposals conducted by JCS and advertised in the *Boston Globe* on January 24, 1988. Three other firms were contacted, but the contractor was the only one to survey and bid the job. In my opinion the cost is reasonable. Compensation under the terms of this contract shall not exceed \$4,900, and the period of performance shall be from April 15, 1988, until June 30, 1988.

As this contract is for professional services at a reasonable cost, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

##### Cleaning and Renovating Building

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to ServiceMaster Services, Inc., a Massachusetts corporation, located at 172 Spring Street, West Roxbury. Under the terms of the contract, the contractor will extensively clean and wash the building at 35-43 Hawkins Street, the new location of the Mayor's Office of Jobs and Community Services as of May, 1988. The services will include the cleaning of all exterior and interior windows, the complete stripping and refinishing of all floor surfaces, and extensive general cleaning of all bathrooms, fixtures, stalls, woodwork, radiators, and baseboards.

The contractor was selected based upon an evaluation of its proposal submitted in response to a publicly advertised request for proposals conducted by the Mayor's Office of Jobs and Community Services and published in the *Boston Globe* on March 18, 1988. ServiceMaster was the lowest of the two bids received, and in my opinion the cost is reasonable.

Compensation under the terms of this contract shall not exceed \$16,940. The period of performance shall be from April 14, 1988, until June 30, 1988. The submission of this letter has been delayed due to the length of time involved in completing interior renovation work at 35-43 Hawkins Street.

As this contract is for professional services at a reasonable cost, based upon the lowest bid submitted to a publicly advertised RFP, no public purpose would be served by further advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

##### Vocational Counseling

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Women's Technical Institute, a nonprofit corporation, located at 1255 Boylston Street. Under the terms of the contract, the contractor will provide non-traditional, technical occupation training in the field of drafting for two TAG eligible economically disadvantaged female Russian immigrants. In addition, vocational counseling and job placement assistance will be provided.

The Mayor's Office of Jobs and Community Services was selected by the Massachusetts Office of Refugee and Immigrants in conjunction with the State's Office of Training and Employment Policy to

administer this program. This contractor was selected by the state to provide training to this targeted population. Compensation under the terms of this contract shall not exceed \$10,400, payment being provided to the City of Boston through the Targeted Assistance Grant. The period of performance shall be from January 1, 1988, until June 30, 1988. The submission of this request has been delayed due to the time involved in negotiations and the late notifications of funding availability from the State.

As this is a negotiated contract at a reasonable cost, based upon recommendations made by the State to JCS, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Neil H. Gordon,  
Associate Director.

#### SCHOOL DEPARTMENT

##### Budgeting and Testing

Dear Mayor Flynn:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Arthur Young and Company, a partnership located at One Boston Place.

This contract shall be in effect during the period March 15, 1988, to June 30, 1988, and shall occur at a cost not to exceed \$25,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the following services:

Conduct detailed audit tasks of the facts and assumptions underlying the budget and update those facts and assumptions through December 31, 1987; conduct tests of year-to-date actual expenditures and transfers; compare the results of these tests to the updated budget facts and assumptions; research the areas where budget and actual tests indicate divergence from the plan and identify alternative courses of action; make recommendations based upon the above review and testing for the 1988-1989 budget.

Arthur Young and Company was selected to provide these above services because it is an experienced governmental accounting, auditing, and consulting firm, familiar with the needs and requirements of the School Committee and School Department.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This request is being submitted late because of the urgent need to examine the budget process and because during the course of providing services under Contract No. C04590(88), Arthur Young and Company identified the areas above for further investigation.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1988 — \$6,500; 1987 — \$24,655; 1986 — \$0.

Very truly yours,

Laval S. Wilson,  
Superintendent.

### MASSACHUSETTS BAY TRANSPORTATION AUTHORITY

Transportation Building, 10 Park Plaza,  
Boston, MA 02116-3933

#### NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. E3CN58, Bituminous Concrete Pavement for Ruggles Street on Busway, Boston, Massachusetts, will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on June 16, 1988. Immediately thereafter, in a designated location, the bids will be opened and read publicly. The work consists of removing bituminous concrete pavement, cleaning and repairing the underlying concrete decks, replacing bridge expansion joints, and applying a microsilica concrete overlay pavement and sealing all joints.

This contract is subject to a financial assistance agreement between the MBTA and the U.S. Department of Transportation.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after May 24, 1988, Monday through Friday, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post on request and receipt of an additional fee of \$10 payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the planter. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Plans and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the DBE stated goal of 18 percent. Bidders will affirmatively insure that in regard to this contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in connection with an award.

Bidders will be required to comply with federal anti-discrimination and affirmative action employment opportunity regulations and the President's Executive Order No. 11246, and any amendments or supplements thereof.

This contract is subject to federal wage and hour laws and minimum state wage rates as well as all other applicable labor laws.

Authorization for the bidders to view the site of work on the MBTA's property shall be obtained from the office of the Senior Project Manager, Mr. Robert D. MacKay, 500 Arborway, Jamaica Plain, MA 02130, telephone No. (617) 722-3498. A prebid conference will be held on June 6, 1988, at 10 a.m. at the above office. Any request for interpretation of the specifications and drawings should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

#### INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Site Preparation Contract No. 50 in the South End Project Area, Mass. R-56, located in the City of Boston, Mass., until 12 noon, Boston time, on June 13, 1988, at One City Hall Square, ninth floor, Room 910, Boston, Mass., Attention: Kane Simonian, Executive Director's Department, at which time and place all bids will be publicly opened and read.

A prebid conference to discuss scheduling of the work and other matters will be held at the Boston Redevelopment Authority, Harbor Planning and Development, Building No. 34, One First Avenue, second floor Conference Room, Charlestown Navy Yard, on June 6, 1988, at 10:30 a.m.

The work will consist of the reconstruction of Worcester Square Park and will include removal of existing features, including fencing, shrubs, several trees, and an existing fountain; and the installation of new steel fencing, trees and other plantings, lawn seeding, brick and stone dust walkways, park lighting, and recirculating fountain with pump pit and controls.

Proposed forms of contract documents, including drawings, and technical specifications are on file at the office of the Boston Redevelopment Authority, Room 910, ninth floor, One City Hall Square, Boston, MA 02201.

Copies of the contract documents may be obtained by paying one hundred dollars (\$100), non-refundable, in cash or a certified check, payable to the Boston Redevelopment Authority for each set of documents so obtained.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the

Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for Site Preparation Contract No. 50.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws c. 30, sec. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 304 of the General Conditions of the contract.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, non-discrimination, affirmative action with respect to minority, female, and resident employment, and minority business enterprise utilization.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, in the Charlestown Navy Yard Office, Building 33, third floor, Charlestown Navy Yard, Charlestown, Mass., on June 6, 1988, at 11:30 a.m.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest to do so.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

NOTICE TO CONTRACTORS

Invitation for Bids for Removal and Disposal of  
Dead and Diseased Trees on an Emergency  
Basis in the City of Boston.

The City of Boston, acting by the Parks Commissioner, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project described below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and conditions of the contract document entitled, "Removal and Disposal of Dead and Diseased Trees." SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide for removal in the entirety, dead and diseased trees on an emergency basis at various locations in the City of Boston and to properly transport and legally dispose. Estimated Cost, \$60,000.

Bids shall be submitted in duplicate before 2:00 P.M. Boston time, on Thursday, June 16, 1988, and read forthwith and read aloud. One bid shall be opened with the Awarding Authority at the office designated above accompanied by the bid deposit. The original copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities and to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Friday, May 31, 1988, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within five days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits shall be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must provide satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, American Indian, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form." Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Form (MBU-IS-A) shall be submitted for each minority Business Enterprise listed on a bid form (MBU-F), and submitted at the time of bidding, that is not included in Minority Business Enterprise published by the Office of Minority Business. Copies of the Minority Business Identification Form are available at the City of Boston Jobs

and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide for insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, June 7, 1988, at 10 a.m., Boston time.

 PRESIDENT, CITY COUNCIL

P. 80

NO. 24

## MAYOR APPOINTS HEALTH AND HOSPITALS COMMISSIONER

Mayor Raymond L. Flynn recently announced the appointment of Judith Kurland as Commissioner of Boston's Health and Hospitals Department.

Kurland is vice-president of Corporate Strategy Planning and Corporate Affairs for New England Medical Center and is responsible for the long-range planning of the health care facilities.

"Judith Kurland shares my commitment to affordable quality health care for Boston residents and I am confident she will bring direction and leadership to the Health and Hospitals Department," said Mayor Flynn.

Judith Kurland has served as an advisor to former Speaker of the House Thomas "Tip" O'Neil, his son former Lt. Governor Thomas O'Neil, and former U. S. Congressman Michael Harrington. She teaches communications at Simmons College. She holds a B. A. in political science from Mount Holyoke College. Judith Kurland is married with three children.

Boston's Health and Hospitals Department, the second largest city department, employs over 3,000 people at Boston City Hospital, Long Island Hospital and shelter for the homeless, Mattapan Chronic Disease Hospital, Boston's EMT personnel and other medical services provided by the department. As Commissioner, Judith Kurland will be overseeing the \$77 million renovation of Boston City Hospital, the largest capital building plan ever undertaken by the City of Boston.

In addition to the purchase of new coaches, the MBTA's aggressive commuter rail improvement program includes:

- construction of longer, high-level platforms at Boston's North Station to accommodate nine-car trains;
- construction of South Station Transportation Center and high-level platforms;
- total reconstruction of bridges, track, and signal systems on the Eastern branch (Rockport/Ipswich lines);
- construction of commuter rail station and 1,000-car parking garage in Lynn;
- construction of new station and 800-car parking lot at Forge Park/495 in Franklin (opens for service June 2, 1988);
- expansion of park-and-ride facilities throughout commuter rail systems, with emphasis on locations where major highways intersect with rail lines;
- future plans include restoration of service on three-branch Old Colony railroad to Scituate, Plymouth, and Middleboro/Lakeville and extension of Ipswich line to Newburyport;
- studies underway to determine feasibility of extending Framingham line to Worcester, and Needham line to Bellingham.

### MBTA BUYS FIFTY COACHES

The Massachusetts Bay Transportation Authority has approved the purchase of fifty commuter rail coaches from Bombardier, Inc. of Quebec, Canada, for \$44,987,500. The order will increase the active fleet size to 255 at a time when commuter rail ridership is rising rapidly.

"In order to accommodate ridership growth, we need to build a sizeable increase in commuter rail capacity," said MBTA General Manager James F. Leary, noting that job creation downtown, population growth in the suburbs and the impact of 190-193 construction mean continued increases in ridership well into the 1990s. "The best way to add capacity is to operate longer trains, which is why this new order of coaches is so important."

The new coaches will be placed into service between July and December, 1988. They will each seat 120 riders, with rows arranged in the three-seat, two-seat configuration contained in some of the newer coaches already in

service. Funding for the new coaches is authorized in the state's transportation bond bill, which was signed by Governor Michael S. Dukakis in early April.

In selecting Bombardier, the Authority followed a competitive negotiation process that incorporated price, quality, financing options and delivery schedule. This process was pioneered by the MBTA in the transit industry and was first used in the purchase of advanced design buses that make up a large portion of the rush-hour bus fleet.

The action follows the purchase over the past three years of 107 commuter rail coaches and twenty-six locomotives. Sixty-seven of these coaches were purchased from MBB of West Germany, and forty coaches were purchased from Bombardier, Inc.

Ridership on the eleven-line MBTA Commuter Rail system increased by 48 percent between 1982 and 1987, from 35,376 to 52,372 daily passengers. This makes Commuter Rail the fastest growing service in the MBTA system.

### PUBLIC HEARINGS ON BLOCK GRANT PROGRAM

The Public Facilities Department of the City of Boston will hold a second hearing on Wednesday, June 15, 1988, from 6:30 to 8 p.m. to review the city's plans for the use of the Community Development Block Grant (CDBG) funds

for housing rehabilitation and community development. The meeting will take place in the auditorium of the School Department building at 26 Court Street, Boston. All interested persons are invited to attend. Spanish and Chinese interpreters will be available.

In Fiscal Year 1989, which begins on July 1, 1988, the City of Boston expects to receive \$17.5 million in CDBG funds from the U. S. Department of Housing and Urban Development (HUD). These funds may be used for a wide range of activities that benefit low-and moderate-income residents and that prevent or eliminate substandard living conditions.

## EXTRAORDINARY SETP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

### SUFFOLK COUNTY COURT HOUSE COMMISSION

Mr. Felix Arroyo,  
*Supervisor, Personnel Management.*

Dear Mr. Arroyo,  
Effective Wednesday, April 29, 1987, the Court House Commission appointed Mr. Dominick J. Faccadio to the position of custodial worker temporary, Grade R3L-3. Mr. Faccadio has evidenced prior credible service which is hereby submitted for consideration under the provisions of Rule 15F of the Suffolk County Compensation Plan, as Amended.

Mr. Faccadio has three years supervisory experience functioning as maintenance supervisor responsible for cleaning/building maintenance for the U. S. Postal Service. He also has knowledge of utilizing and maintaining automatic cleaning equipment and experience in contract cleaning service in private industry.

In view of Mr. Faccadio's prior credible experience and qualification, it is requested that his fourth-, fifth-, and sixth-year increments of Grade 3 be determined under the provisions of Rule 15F of the County Compensation Plan, as Amended.

The effective date of this action is December 9, 1987.

Sincerely,  
HENRY L. BARR,  
*Commissioner.*

## EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

### SUFFOLK COUNTY COURT HOUSE COMMISSION

Mr. Felix Arroyo,  
*Director, Personnel Management.*

Dear Mr. Arroyo:  
This is to inform you that the Courthouse Commission has appointed Ms. Susan Baccari to the position of Administrative Secretary, effective May 25, 1988. Ms. Baccari has evidenced prior credible service which is hereby submitted for consideration under the provisions of Rule 15F of the Suffolk County Compensation Plan, as Amended.

Ms. Baccari has some eight years state service experience, having served in a variety of increasingly responsible administrative/supervisory positions. She has experience functioning as administrative assistant to a business agent and institution treasurer for two public health care institutions. She also has two years experience functioning as a clerk for the U. S. Postal Service.

Ms. Baccari will serve as administrative secretary to the superintendent, responsible for confidential/clerical operations and coordination of personnel/business.

In view of Ms. Baccari's prior credible service in positions that are consistent with the duties and responsibilities of her new position of administrative secretary for the Suffolk County Court House Commission, it is requested that her first-, second-, third-, fourth-, fifth-, and sixth-year increments of Grade 14 be determined under the provisions of Rule 15F of the County Compensation Plan, as Amended.

The effective date of this action is Wednesday, May 25, 1988.

Very truly yours,  
HENRY L. BARR,  
*Commissioner.*

**Invitation for Bids for Rubbish Removal Services  
at Mattapan Hospital for the Period July  
1, 1988, through June 30, 1990.**

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the following service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, June 13, 1988.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit payable to and become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates. Bids will be publicly opened and read on Tuesday, June 28, 1988, at twelve noon, Boston time, at the

Office of Contract Management, at the address shown above. The successful bidder(s) must furnish a performance bond in an amount equal to 50 percent of the contract price.

Said bond must be with surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites proposals for supplying and delivering miscellaneous office supplies to the Boston Public Library.

Proposals will be received until 12 o'clock noon, Boston time, Thursday, June 30, 1988, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P. O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bond will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Monday, June 13, 1988, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the City.

The successful bidder must furnish a check in the amount of one dollar (\$1), payable to the Trustees of Health and Hospitals of the City of Boston, Inc. for the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest.

NO. 25

## CENTER HOUSE REHABILITATION FACILITY

Mayor Raymond L. Flynn and city and state officials recently joined staff, clients and supporters at the groundbreaking of the new Center House rehabilitation facility for the chronically mentally ill. The new location at 31 Bowker Street in downtown Boston is being leased to Center House from the City of Boston for \$1 per year. Mayor Flynn is honorary chairman of the Campaign for Center House.

"Breaking ground we have set an example by opening our hearts and committing to put this facility right here in Boston," said Mayor Flynn. "I am happy to be able to provide Center House with their new facility, both because I am familiar with the excellent results achieved by this program and because I know how long you have worked to find a new location."

In recognition of his hard work on behalf of Center Club and the Center House Campaign Mayor Flynn presented City Council employee Bob Davis with a hammer for the groundbreaking.

"I am proud to have worked for the Boston City Council for twenty-nine years and equally proud to have known and worked for Ray Flynn as City Councillor six years before he became Mayor. In my heart I knew I could depend on him to help Center Club in our hour of need because of his continuous commitment to the poor, elderly and handicapped people of Boston," Davis said.

Center House is the largest and oldest rehabilitation facility for the chronically mentally ill in Massachusetts. It provides a comprehensive range of services including a social club, housing, counseling, job placement and other activities aimed at helping clients find and maintain productive lives in their neighborhoods.

Also attending the groundbreaking ceremony were State Senator Michael Barrett; Boston City Councillors Thomas Menino and David Scondras; State Commissioner of Mental Health Edward Murphy; Foster Aborn, president of Investment and Pension sector at John Hancock; Marion Nierintz, assistant corporate secretary at John Hancock and president of the Board of Directors at Center House; Robert Davis, Center member; George Cutler, chairman of the Board of Center House; Helen Sayles, general chairman of the Capital Campaign Cabinet; Dick Sayre,

chairman of the Building Advisory Board; and Mike Donham, executive director of Center House.

### PRESIDENT NAMED FOR BUNKER HILL COMMUNITY COLLEGE

Bunker Hill Community College's Board of Trustees has elected Dr. Piedad Robertson as President of the College. Her name has been submitted to the Massachusetts Board of Regents of Higher Education for confirmation. She will replace Bunker Hill Community College's founding President, Dr. Harold E. Shively, who is retiring.

Dr. Robertson, a native of Cuba, was selected after a nation-wide search, which attracted over 130 applicants.

As Vice-President for Education at Miami Dade Community College in Miami, Florida, Dr. Robertson is Chief Student and Academic Affairs Officer. She is responsible for International Education, Computer-based Instructional Development and Research, as well as Special Programs, Admissions and College Registration at the district level.

Dr. Robertson has acted as Vice-President for Public Affairs at Miami Dade Community College and has extensive classroom experience as a Professor of Foreign Language.

Dr. Robertson is on the Task Force for International Education for the Ameri-

can Association of Community and Junior Colleges, and serves as a consultant and as Committee Chair for the American Council on Education. She is the Florida State Representative to the National Association of Foreign Student Affairs, and serves on the Executive Committee for the South Florida School for the Arts.

In addition, Dr. Robertson has served as a member of the Board of the Black Arts Council, and as Chair of the Florida Endowment for the Humanities. She is a member of the Greater Miami Chamber of Commerce, and has spoken at numerous national and state conferences on: International Education, Reading, English as a Second Language, Community College Administration and Student Retention.

Dr. Robertson has also published several works on education at the community college level and on Hispanic culture.

She received her B. A. and M. A. degrees from the University of Miami and was awarded an Ed. A. and Ed. D. from Florida Atlantic University with a major in Curriculum and Instruction.

Dr. Robertson will relocate to the Boston area, and assume her post as President of Bunker Hill Community College in the Fall.

Bunker Hill Community College is the newest of the fifteen Massachusetts Community Colleges, and offers over two dozen two-year Associate Degree and short-term Certificate Programs.

The College's over 7,000 day and evening students represent not only the City of Boston and surrounding communities, but over 80 countries around the globe. In addition, Bunker Hill Community College's Black, Asian and Hispanic students now comprise over 41 percent of the College's student population.

To meet the needs of this diverse student body, the College has pioneered

### EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

#### PENAL INSTITUTIONS

Mr. Felix Arroyo,  
Supervisor of Personnel.

Dear Mr. Arroyo:

On June 15, 1988, Ms. Barnes was provisionally appointed to the position of Senior Administrative Assistant (RC-16) for the Penal Institutions Department.

Prior to Ms. Barnes' appointment she was employed by the city Law Department from March 1985, to June 1988. She performed a variety of administrative/supervisory duties including being administrative assistant to the Corporation Counsel. From 1981 to 1985, Ms. Barnes was a Senior Administrative Secretary at the Bank of Boston, Boston, Mass. She was responsible for maintaining the department budget, designing formats for tracking expenditures, billing, and many other administrative functions, including special projects and solving departmental problems for the department head. Ms. Barnes was also employed as Administrative Assistant from January 1976, through August 1981, at Jobs for Bay State Graduates, Taunton, Mass., and was Executive Assistant to the president at Greater Roxbury Development Corporation, Boston, Mass., from July 1972, through January 1976.

Ms. Barnes' also studied Business Administration and Public Relations at Boston University for two years.

Ms. Barnes will serve as Senior Administrative Assistant to Deputy Commissioner Romanos, responsible for court compliance monitoring, program planning and development, and assisting in the coordination of renovations at the existing Suffolk County House of Correction and the construction of the new facility at South Bay.

Because of Ms. Barnes' extensive experience and background, it is respectfully requested that her second, third, fourth, fifth, and sixth year increments in the position of Senior Administrative Assistant be determined under Rule 15(f) of the Classification and Compensation Plan for officers and employees of Suffolk County, effective June 15, 1988.

Very truly yours,  
ROBERT G. WALSH,  
Commissioner.

### CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

#### HEALTH AND HOSPITALS DEPARTMENT Electrical Work

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with J. F. Broderick Co., Inc. Randolph, for the period

July 1, 1987, through June 30, 1988, at a cost not to exceed \$10,000.

This amendment will increase the contract sum by \$7,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$17,000.

Under this contract, J. F. Broderick Co. Inc. provides electrical work for Mattapan Hospital. This amendment is necessary because the department underestimated the cost of needed repairs.

In view of the above, because of the special nature of these services, and because the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Temporary Nursing Personnel

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with International Health Specialists, Brookline, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$235,000.

This amendment will increase the contract sum by \$360,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$595,000.

This amendment is necessary to cover the cost of temporary nursing personnel at Boston City Hospital and Mattapan Hospital. The cost for these services, through International Health Specialists was underestimated on the original request. International Health Specialists has provided temporary nursing personnel on an as-needed basis and has been available for the provision of these services when other contracted vendors have not.

#### Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by NOON, Friday of each week to insure its publication in the following issue.

PLEASE NOTE: That the deadline of NOON, FRIDAY of each week is ten days in advance of publication.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of the amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Health Care Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Martha Eliot Health Center, 33 Bickford Street, Jamaica Plain, matching grant for primary health care services, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$34,100.

This amendment will increase the contract sum by \$15,110, thereby increasing the city's total liability under this contract as so amended, to an amount not to exceed \$49,210.

This amendment represents the allocation of prenatal initiative funds targeted to reduce infant mortality rates in the neighborhood by expanding maternal and child health services provided by the community health centers.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### LAW DEPARTMENT

##### Removing Asbestos, etc.

Dear Mr. Mayor:

On September 8, 1987, your Honor approved an award of a contract, without public advertising bids, to Levy, Phillips and Konigsberg, with its offices at New York, for services to the City of Boston in securing the recovery costs incurred in identifying, removing and/or encapsulating asbestos and other similar material in any and all buildings owned by the City of Boston. This contract is for the period of July 1, 1987, through June 30, 1988, at a cost not to exceed \$100,000.

Your approval is requested to amend this contract to provide for increased pretrial discovery which is required in this matter and which was not anticipated at the time the contract was entered into.

The cost of this amendment shall not exceed \$70,000 which I have determined to be reasonable. The contract, as amended, shall not exceed \$170,000.

Because of the professional nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,  
Joseph I. Mulligan,  
Corporation Counsel.

#### Legal Services, etc.

Dear Mr. Mayor:

On September 8, 1987, your Honor approved an award of a contract, without public advertising, Harrison and Maguire, P.C., 24 School Street, legal services in the cases of *Eloise N. Pate v. et al Morgan, et al. vs. Nucci, et al.*; and *Hart, Admx. Bourque, et al.* Stephen P. Perlmutter of Harris and Maguire shall also provide consulting service and supervisory assistance to the City of Boston Law Department, including the representation of the city in the redistricting case. Mr. Perlmutter shall represent the city in securing the recovery costs incurred in identifying, removing and/or encapsu-

ing asbestos or other similar material in any and all buildings owned by the City of Boston. This contract is for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$149,000.

Your approval is requested to amend this contract to provide for reimbursement of costs incurred in the asbestos litigation which is outlined in the amended Contingent Fee Agreement, attached hereto. These costs were not anticipated at the time the contract was entered into.

The cost of this amendment, shall not exceed \$5,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$234,000.

Because of the professional nature of the services being provided, and also because of the skill, expertise and experience of Harrison and Maguire and Mr. Perlmutter in handling municipal litigation and related matters, I believe that public advertising would serve no useful purpose.

Very truly yours,  
Joseph I. Mulligan,  
*Corporation Counsel.*

Dear Mr. Mayor,

On September 8, 1987, your Honor approved an award of a contract, without public advertising for services, to Keohane and DeTore, 100 State Street, for legal and consultant services to the City of Boston on regulatory issues before the Department of Public Utilities and services required in respect of *Boston Gas Company v. City of Boston*. The term of the contract is from July 1, 1987, through June 30, 1988, at a cost not to exceed \$88,000.

Your approval is requested to amend this contract to provide for additional services not known at the time of the original contract, namely protracted negotiations needed to settle the Boston Gas litigation.

The cost of this amendment which is effective as of January 1, 1988, shall not exceed \$11,550, which I have determined to be reasonable. The contract, as amended, shall not exceed \$99,550. The term of the original contract shall be unchanged.

Because of the nature of the professional services to be performed, I believe that public advertising would serve no useful purpose.

This amendment is being submitted late due to the fact that the additional services needed could not be known until this date.

Very truly yours,  
Joseph I. Mulligan,  
*Corporation Counsel.*

## PARKS AND RECREATION DEPARTMENT

### Financial Management Services

Dear Mr. Mayor:

On June 29, 1987, your Honor approved an award of a contract based on public advertising for bids to Managerial Accounting Services, Inc., Allston, for Olmsted Park Historic Landscape Preservation Project, the Open Space Beautification Project and the Master Planning and Marketing Programs during the period July 1, 1987 through June 30, 1988, at a cost not to exceed \$90,000.

The programs that have implemented, for the Parks and Recreation Department, under the terms of the contractual services have been successful. We would like to continue these initiatives but in order to do so we will require additional funds to provide these services. Your approval is requested to amend this contract for \$22,500 in order that the services may be continued.

The cost of the amendment which is effective on May 15, 1988, shall not exceed \$22,500, a sum

which I have determined to be reasonable. The contract, as amended, shall not exceed \$112,500 to be charged to 011-300-0301-0290-PK-02. All other terms and conditions of the original contract shall remain the same.

Due to the contractor's ability to continue financial management services for the Olmsted Park Historic Landscape Preservation Project and because the contractual arrangement insures continuing services in an efficient and cost-effective manner it is my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

Very truly yours,  
William B. Coughlin,  
*Commissioner.*

## PUBLIC FACILITIES DEPARTMENT

### Leasing of Certain Premises

Dear Mayor Flynn:

Under a delegation of its power from the Public Facilities Commission to the Director of Public Facilities, I hereby request your Honor's written authority to dispense with public advertising and amend a lease for certain premises deemed necessary and convenient by the director to be used as office space by the Public Facilities Department, the Community Schools Program, and the Veterans' Services Department. The full term of the lease is for five years beginning June 1, 1983, and ending May 31, 1988. The demised premises consists of 21,000 square feet on three floors at 26 West Street.

Your approval is requested to amend the lease extension (July 1, 1987 to May 31, 1988 at a cost of \$255,053.37) to provide for cost increases related to tax escalation and operational cost escalation. The total cost of tax escalation and operational cost escalation is \$137,537.40, however, the cost of the amendment shall be \$108,724.06. The differences in costs are due to the Public Facilities Department's rental obligations which, on June 1, 1983, required a security deposit, as stated in Article 36 of the lease, that now, as required under the same article is being credited to rent due in April and May 1988. As a result, the cost of the lease extension was adjusted to reflect the credit amount. This in turn, has influenced the amendment amount.

The contract, as amended, shall not exceed \$363,777.43. The period of performance shall remain the same.

The submission of this request has been delayed due to the time required of Cohen Properties, Inc. to calculate the amount of escalation due and provide required documentation to PFD. Since these facilities are leased under an existing agreement, it is my judgment that public advertising would serve no useful purpose and that this lease should be amended.

Sincerely,  
Lisa G. Chapnick,  
*Director.*

### Design and Management Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 25, 1988, I respectfully request your Honor's written permission to dispense with further public advertisements and amend a contract approved by your Honor on July 10, 1987, awarded to William Rowe and Associates with offices at 3 Appleton Street, for the design and management of Deer Island capital repairs including a fire alarm and fire escape. The cost of this amendment shall not exceed \$15,300. The cost of this contract shall not exceed \$106,805 (including \$29,525

for Supplementary Services) which is a fixed fee of 12.88 percent based on an estimated cost of construction \$600,000.

The amendment is necessary due to the increased scope of services required of the designer. Under the terms of the amended contract, William Rowe and Associates shall provide additional supplementary services for construction supervision including an increase in the frequency of inspection from once per week to twice per week.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,  
Lisa G. Chapnick,  
*Director.*

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on March 15, 1988, I respectfully request your Honor's written permission to dispense with further public advertisements and amend a contract approved by your Honor on August 2, 1987, awarded to DiMarinisi and Wolfe, architects with offices at 2 Park Plaza, for the design of a new maintenance facility at the Mt. Hope cemetery in Mattapan. The cost of this amendment shall not exceed \$17,106. The cost of this contract shall not exceed \$68,506 (including \$27,106 for Supplementary Services) which is a fixed fee of 6.90 percent based on an estimated cost of construction \$600,000.

Said amendment is necessary due to the increased scope of services required of the designer. Under the terms of the amended contract, DiMarinisi and Wolfe, architects shall provide additional supplementary services required to perform surface investigation and extend the area survey.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,  
Lisa G. Chapnick,  
*Director.*

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 25, 1988, I respectfully request your Honor's written permission to dispense with further public advertisements and amend a contract approved by your Honor on September 13, 1986, awarded to Hammer, Kiefer and Todd, Inc. with offices at Cambridge, for the design of masonry wall repairs to the West Roxbury High School and the Murphy Elementary School. The cost of this amendment shall not exceed \$60,000. The amended cost of this contract shall not exceed \$935,000 (including \$219,910 for Supplementary Services) which is a fixed fee of 8.83 percent based on an estimated cost of construction \$8,098,414.

Said amendment is necessary due to the increased scope of services required of the designer. Under the terms of the amended contract, Hammer, Kiefer and Todd, Inc. shall provide additional supplementary services to cover clerk of works expected budget.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the

reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,  
Lisa G. Chapnick,  
Director,

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 11, 1988, I respectfully request your Honor's written permission to dispense with further public advertisements and amend a contract approved by your Honor on December 16, 1987, awarded to Bergmeyer Associates, Inc. with offices at Boston, for the design of replacement of roofs and masonry repairs on the Administration and Powerhouse Building at Long Island Hospital. The cost of this amendment shall not exceed \$43,000. The amended cost of this contract shall not exceed \$83,000 (including \$8,000 for Supplementary Services) which is a fixed fee of 12.5 percent based on an estimated cost of construction \$600,000.

Said amendment is necessary due to the increased scope of services required of the designer. Under the terms of the amended contract, Bergmeyer Associates, Inc. shall provide additional services including the replacement of windows in the Nichols Building. Cost of construction increased from \$400,000 to \$600,000.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,  
Lisa G. Chapnick,  
Director,

Dear Mayor Flynn:

Under delegation from the Public Facilities Commission to the Director of the Public Facilities Department dated November 19, 1987, I respectfully request your Honor's written permission to dispense with further public advertising and amend a contract approved by your honor on November 25, 1986 awarded to Sterling Associates, Inc. with offices at 286 Congress Street, for the design of renovations and repairs to Franklin Park Croton Greenhouse and Maintenance Facility. The cost of this amendment shall not exceed \$15,000. The amended cost of this contract shall not exceed \$94,355, including \$39,989 for supplementary services, which is a fixed fee of 12.55 percent based on an estimated cost of construction of \$410,000.

Said amendment is necessary due to the increased scope of services required of the designer. Under the terms of the amended contract, Sterling Associates, Inc. shall provide additional supplementary services due to extensive revisions to the scope of work.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that

further public advertising would serve no useful purpose in this particular instance.

Sincerely,  
Lisa G. Chapnick,  
Director,

#### SCHOOL DEPARTMENT Special Education Services

Dear Mr. Mayor:

On May 8, 1987, your Honor approved the award of a contract without public advertising for bids to Enable, Inc./Early Beginning Center, Canton, for providing instructional services during the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$54,930.

Your approval is requested to amend this contract to provide for additional special educational services for handicapped students. The need for such services has caused the School Department to need to make additional placements at this program due to a lack of such services both within the Boston Public Schools, and in other approved private schools. The cost of this amendment which shall be effective April 15, 1988, shall not exceed \$12,270. The contract as amended shall not exceed \$67,200, which I have deemed to be reasonable. The period of performance shall not be extended.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,  
Laval S. Wilson,  
Superintendent,

Dear Mr. Mayor:

On October 2, 1987, your Honor approved an award of a contract CO4482(88) after public advertising for bids to Metro Transit/dba Red and White Cab Association, Dorchester, to provide taxi services (Citywide Parents Council and Personnel Department) of the Boston School Department during the period September 1, 1987, through June 30, 1988, at a cost not to exceed \$65,750.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the terms of the original contract. Due to the school bus drivers' strike and subsequent individual special needs transportation problems, the taxi services have been used for special education students. The rate of compensation to Metro Transit will be the same as that specified in the original contract. The cost of this amendment shall not exceed \$30,000, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$95,750. The period of the contract shall remain the same.

Very truly yours,  
Leo J. Burke,  
Business Manager,

#### TRANSPORTATION DEPARTMENT

Dear Mr. Mayor:

On June 27, 1987, your Honor approved the award of a contract based on public advertising for bids to Alliance Auto Glass Service Inc. 902 Dorchester Avenue, for automotive glass repair for the

Boston Transportation Department during the period July, 1987, through June 30, 1988, at a cost not to exceed \$6,384.

Your approval is requested to amend this contract which was necessitated by the increase in broken windshields and the cost increase in repairing same.

The cost of this amendment shall not exceed \$3,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$9,384. The period of performance shall remain the same.

For the reasons stated above I believe that public advertising would serve no useful purpose.

Sincerely,  
Lisa G. Chapnick,  
Director,

### CONTRACTS AWARDED

## CONTRACTS-AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

#### HEALTH AND HOSPITALS DEPARTMENT

##### Geriatric and Pediatric Therapy

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to Center for Creative Art Therapies, 731 Harrison Avenue, for the period January 1, 1988, through December 31, 1988, at a cost not to exceed \$6,160.

Under this contract, Center for Creative Art Therapies will provide music therapists both for the Geriatric Neuro-psychology patients and for the Pediatric patients at Boston City Hospital. Services will be provided two hours each week to Geriatric and 1-1/2 hours each week to Pediatrics. The cost for this service will be \$35 per hour.

Geriatric Neuro-psychology patient care is very complex. The patients require individuals specially trained to deal with their needs. Center for Creative Art Therapies has employees that have specialized skills in working with the elderly in the areas of music and art therapy. A specially trained music therapist will also work with pediatric patients from infants through adolescence. The therapy is targeted to the age group and in some instances requires working with the patients parents. Unadvertised contracts for these services were awarded to Center for Creative Art Therapies for the past three fiscal years in the following amounts: 1987 — \$3,750; 1986 — \$3,120; 1985 — \$2,340.

Therefore, because Center for Creative Art Therapies has therapists specially trained to provide these services, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because the request for a contract for these services was submitted after January 1, 1988 to the Contract Office. Therefore, the paperwork could not be processed before the start of the contract.

This contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirements of the City of Boston Code, St. 4, ss. 4 and 8.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

#### Medical and Surgical Supplies

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to the following vendors:

Fisher Scientific, Medford, \$236,450; net 30 days; Alliance Supply Company, Newton, \$200,000; net 30 days; Delta Hospital Supply, Inc., Dover, \$200,000; net 30 days; FOB: Mansfield; Dura-Wear Glove & Safety Company, New Jersey, \$200,000; net 30 days.

A multi-vendor contract was awarded to several vendors to furnish medical and surgical supplies to the Department of Health and Hospitals based on Proposal No. 668, which was advertised in the *City Record* on October 12, 1987, and opened on November 5, 1987, for a one-year period from January 1, 1988, through December 31, 1988.

On this bid were several items for disposable gloves. Although we did receive bids, and contracts have been awarded to those companies bidding, the availability of gloves in the marketplace at any given time has become a very serious problem. The companies listed above have indicated that they would supply gloves to us, if they are not available from our contracted suppliers, according to availability and pricing in the market place as of the date of shipping.

Therefore, in view of the above, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract amounts are approximate figures based on estimated volumes. The contract period is from February 1, 1988, through December 31, 1988.

These awards are being processed late because we did not have the necessary documents from the vendors in order to process the contracts.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

#### PUBLIC FACILITIES DEPARTMENT

##### Design Services

Pursuant to a vote of the Public Facilities Commission on May 14, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Primary Group, a Massachusetts corporation, with offices at 75 Kneeland Street, providing design services in support of various small-scale CDBG programs, including Neighborhood Commercial Development Bank, Physical Improvements Program, and Buildable Lots.

Compensation under this contract shall not exceed \$20,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from August 1, 1987, to June 30, 1989. Funds for this contract shall come from those received under the Community Development Block Grant program.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals conducted by the Public Facilities Commission on March 15, 1987, in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include stability of firm, professional level of staff, similar project experience, and quality of plans and drawings. This contract was submitted late due to the time involved in contract negotiations and vendor delay due to insurance from June 30, 1987, to March 8, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,  
Director.

#### SCHOOL DEPARTMENT

##### Acoustic Music System

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Bose Consumer Direct Division, located at Allston, for providing the acoustic wave music system (which includes AWMS-1, power case and microphone) for the Boston Public Schools for the period April 28, 1988, through June 30, 1988. The equipment is unique in that it provides a high fidelity stereo music system in a single compact enclosure; has exceptional tone and sound clarity; volume loud and clear enough to be heard by an auditorium full of students; is lightweight and can be easily transported.

As present systems are outdated in many of the schools and it has been determined this is a cost-effective way to update these systems, various

schools are submitting requests to purchase the above system which will require a contract for transaction purposes.

This contract shall not exceed \$15,000. The initial order is \$5,000.

Because the contractor is a sole vendor (patent rights) and the cost is reasonable (\$946.90 per system), I believe that public advertising would serve no useful purpose.

Very truly yours,  
Leo J. Burke,  
*Business Manager.*

#### VETERANS' GRAVES REGISTRATION

#### Decorating Graves and Heroes Squares

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Martin F. McDonough Post 368, American Legion, c/o John J. Foley, 671 East 2nd Street, South Boston. The appropriate code for this contract is 011-740-0742-VG-01-0290.

**Invitation for Bids for Egress Door Repairs at  
Boston City Hall, Phase II, Project No. 4697,  
C. 149 Projects.**

The City of Boston, acting by its Public Facilities Commission, through its Director of the Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 4A to 44I, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Egress Door Repairs at Boston City Hall, Phase II."

**SCOPE OF WORK** includes remedial repairs to selected doors at Boston City Hall.

**TIME AND PLACE FOR FILING BIDS: GENERAL BIDS** shall be filed with the Awarding Authority at the sixth floor, 26 Court Street, Boston, MA 02108, before twelve o'clock noon on July 14, 1988, at which time and place respective bids will be opened forthwith and read aloud.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by CPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised, and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

**PLANS AND SPECIFICATIONS** will be available on or about June 20, 1988, at the Public Facilities Department to all interested parties who present a \$25 certified check payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the amount 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids on any items of a bid, if it be in the public interest to do so.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Demolition and Site Clearance,  
Public Facilities to Pay Contractor Direct,  
Advertised Take Down.

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

66-68 Erie Street, Ward 14.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Friday, July 1, 1988, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: "Advertised Take Down (Public Facilities to Pay Contractor Direct)."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must insure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public. These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulation in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section Contract Provision of the specifications for the obligations of the contrac-

tor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation Section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority person (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Director lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commission of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subcontractors), and the provisions with respect to bonds, insurance, equal employment opportunity

imum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

**NOTICE TO BIDDERS**

Sealed bids for MBTA Contract No. R7CN08, WONDERLAND/EAGLE STREET DEMOLITION PROJECT, Revere/East Boston, Mass. (Class 8 — Demolition, Project Value 11.00) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on June 29, 1988. Immediately hereafter, in a designated room, the bids will be opened and read publicly.

The work consists of asbestos removal, demolition of three buildings, and the removal of four underground tanks at the Eagle Street site; demolition of two buildings, asbestos removal and construction of a temporary parking lot at the Wonderland site.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification on this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after June 6, 1988, Monday through Friday, at a charge of \$25 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative

Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 18 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with Federal Equal Employment Opportunity Regulations and the President's Executive Order No. 11246, and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Kenneth F. Allegra, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-3265. A prebid conference will be held on June 15, 1988, at 10 a.m. in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum State wage rate as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

RAYMOND L. FLYNN  
 MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

CHRISTOPHER A. IANNELLA  
 PRESIDENT, CITY COUNCIL

VOL. 80

MONDAY, JUNE 27, 1988

NO. 26

## NEIGHBORHOOD BUSINESS MERCHANTS HONORED

Proclaiming it "Neighborhood Business District Day," Boston Mayor Raymond L. Flynn presented awards and citations to twenty-nine business people for their role in revitalizing neighborhood commercial districts in Codman Square, Uphams Corner and Fields Corner, Dorchester; Hyde Square and Egleston Square, Jamaica Plain; Dudley Station and Grove Hall, Roxbury; Brigham Circle, Mission Hill; and Roslindale Village. The twenty-nine merchants have all made improvements to their businesses with the help of below-market rate loans made available by the city's Public Facilities Department (PFD) and its Neighborhood Development Bank. Mayor Flynn and PFD Director Lisa G. Chapnick presented the awards and citations to local merchants at a gathering of more than 150 people outside the new 3-M's Market, 3114 Washington Street, near Egleston Square.

"The men and women who operate these neighborhood businesses," said Mayor Flynn, "have shown their commitment to the city's future by investing their time and money in retail shops and other services that are the foundation of a healthy and vibrant community. I applaud their entrepreneurial spirit."

Three businesses received special awards for their contributions. "Kid-eland" of Roslindale, owned by Bill Howdy and operated by Joe Beck, was given the Mayor's Cup for Design Excellence. 3-M's Market, owned and operated by Mario Melendez, won the Carin Revander Memorial PFD Director's Award for having made the greatest contribution to revitalizing the business areas in which they are located. The award was named after the late Carin Revander, who at the time of her death was PFD's Assistant Director for Urban Design.

The Neighborhood Development Bank (NDB), which has provided \$11,404,781 in low-interest loans over the last seven years, is administered by PFD in conjunction with five local banks — the Bank of Boston, Shawmut Bank, Bank of New England, Bank of Commerce and Capital Bank. PFD deposits federal Community Development Block Grant (CDBG) funds in each of the participating banks, which use the money to write down the interest rate on the loans to neighborhood merchants. Every public dollar invested through the NDB has led to an additional \$7.30 in private financing.

"The Neighborhood Development Bank is a ringing success story," said PFD Director Lisa G. Chapnick. "It has contributed to nearly \$28 million in improvements and the creation or retention of 1,156 jobs at nearly 200 businesses across the city — and there hasn't been a single default on any of the loans disbursed in the seven years of this program."

The other projects, which received Mayoral Citations, have taken advantage of the below-market rate financing offered by the NDB over the last eighteen months. They are: P&C Partnership, Banifirst and Cajun Joe's of Hyde Square, Jamaica Plain; Mike's Donuts of Mission Hill; Ecumenical Social Action Committee, Inc, Hamm Realty Trust Building and James Freeman of Egleston Square; Adrienne's Hair Salon, Codman Square Cleaners, Cajun Joe's and the Kit Clark Senior House of Codman Square; Tretheway Brothers Heating and Plumbing, Ranel Building, Bay State Society of Model Engineers, Closeouts Unlimited and Diane's Bakery of Roslindale; Calvey's Giftware, Grey Block, the Warren Building, the Dudley Building, and the Saak Building of Dudley Station; Wonderblock of Grove Hall,

Roxbury; Louis Clothing and Shoes, Hermanos Unidos, George's Discount and the Ethel Lennox Building of Uphams Corner; and Emerald Isle, Bay Cover Human Services Inc., Levenbaum Insurance and Real Estate and Beau's Variety of Fields Corner.

Also speaking at the celebration were Mario Melendez, owner and operator of 3-M's Market, and Robert Sterns, vice-president of the Bank of Boston. Sterns helped launch the Neighborhood Development Bank seven years ago in his capacity as Director of Community Investment. Also in attendance at the event were City Councillors Maura Hennigan Casey, David Scondras, Bruce Bolling, Charles Yancey and Tom Menino, as well as State Representatives John McDonough (D - Jamaica Plain), Shirley Owens-Hicks (D - Boston) and Gloria Fox (D - Roxbury).

### MAYOR ANNOUNCES BOSTON LATIN SCHOOL ADDITION

Boston Mayor Raymond L. Flynn joined hundreds of students, parents, educators, and city officials on the steps of Boston Latin School at the recent ceremonial groundbreaking for the much-needed extensive renovation and expansion of the school's Fenway facility.

"For 353 years, Boston Latin School has stood for educational excellence — not only in Boston but across America," said Mayor Flynn. "It is not only the first public school in the country, it is the best. At long last, Boston Latin will have a home that is equal to the students and teachers who so diligently work here."

"When I enter the auditorium of this building and read the names Bulfinch and Franklin, I think of recent graduates such as composer

(Continued on next page)

## Latin School Addition . . .

(Continued from previous page)

Leonard Bernstein and writer Lee Daniels and I can only think that this is what public education is all about: children becoming successful adults regardless of parents' income, race, religion or neighborhood."

The renovations and addition for Latin School are included in the overall \$147 million capital improvements planned for Boston's schools over the next five years under the \$920 million, five-year capital plan: Rebuilding Boston.

Boston Latin School, founded in 1635, is the nation's oldest public school. The high school's present facility in the Fenway was built in 1922 and has not seen significant improvements in seventeen years.

The \$20 million project includes extensive renovations to classrooms, biology and computer labs, and modernization of plumbing, electrical and heating systems. The new wing of Latin School will feature a new gymnasium. The addition was designed by the architectural firm Shepley, Bulfinch, Richardson and Abbot. The project, built by Peabody Construction Co., will be completed in approximately two years.

Mary Nee, Director of the Mayor's Office of Capital Planning, said "Within five years, the majority of Boston's public schools will have received major renovations and improvements under the capital plan. This signals a reversal of the thirty-year decline in support for our school facilities."

"This project would not have been possible without the commitment of Mayor Flynn and the persistence of Latin School Headmaster Michael Contompasis," said Public Facilities Director Lisa Chapnick.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT  
Purchasing Division  
Ladder Truck Parts and Supplies

Dear Mr. Mayor:

Your Honor's permission is requested to award a contract, without advertising, to Seagrave Fire Apparatus, Wisconsin, for the purchase of miscellaneous parts and supplies (CC: 070-99) for the ten Seagrave ladder trucks presently used by the Boston Fire Department.

Seagrave Fire Apparatus, Inc. is the sole supplier of these parts. The Fire Department has been very satisfied with the apparatus, parts, and service rendered by this firm.

The Fire Department Maintenance Division projects a need for \$20,000 for parts for the period July 1, 1988, through June 30, 1989.

Therefore, your Honor's permission is respectfully requested to award a contract, without advertising, to Seagrave Fire Apparatus, Inc., Wisconsin, for the amount of \$20,000, net, an amount I consider reasonable. For the reasons stated above, it is my opinion that public advertising would serve no useful purpose.

Respectfully yours,  
John F. Scalcione,  
Purchasing Agent.

#### Motorola Radio Equipment Parts

Dear Mr. Mayor:

Your Honor's permission is requested to award a contract, without advertising, to Motorola Communications and Electronics, Inc., of Illinois, to provide radio equipment replacement parts (C725-55) to various city departments for the period July 1, 1988, to June 30, 1989.

The Purchasing Division has received requisitions from various city departments for Motorola replacement parts only, to be used in Motorola radio equipment already owned by these departments. Motorola parts are specifically requested, as past experience using other manufacturers parts has proven unsatisfactory.

A contract to Motorola would be subject to the following conditions: All item pricing shall be determined from Motorola's most current official price book of parts, kits accessories, component parts and test equipment, and shall be subject to any addenda issued during the period of the contract. The various city departments may take 17 percent off all the "user price" items listed in this book, with the exception of test equipment which shall be 5 percent off the user price.

Accordingly, your Honor's permission is respectfully requested to award a contract, without advertising, to Motorola Communications and Electronics, Inc., Illinois, with local offices at Waltham, for the twelve month period July 1, 1988, to June 30, 1989, in an amount not to exceed \$750,000, net, a cost I consider reasonable.

As Motorola is the sole supplier and manufacturer of these replacement parts, it is my opinion that advertising would serve no useful purpose.

Respectfully yours,  
John F. Scalcione,  
Purchasing Agent.

Dear Mr. Mayor:

For the past eleven Fiscal Years, 1978 through 1988, the award of several contracts has been approved, without advertising, for the lease or rental of previously installed office business machines, printing equipment, and mailing equipment (CC 50-99) for use by various city departments.

During Fiscal Year 1989, it will be necessary to continue to lease or rent this equipment, and additional equipment of a similar nature that may be required.

All of the companies proposed for awards are responsible companies, and prices are reasonable

for this type of equipment. Prices that they will charge the city during Fiscal Year 1989 will be no higher than their charges to the General Services Administration or the Commonwealth of Massachusetts, whichever is lower. Rentals generally will be made for purposes of elevation by a department before it makes a purchase. If equipment is retained for a longer period of time than anticipated, conversion to outright purchase or lease/purchase of the equipment will be considered depending upon availability of appropriations.

Therefore, your Honor's permission is respectfully requested to award contracts, without advertising, for the twelve-month period July 1, 1988, through June 30, 1989, to the companies listed below, for a total estimated amount of \$960,000, in individual estimated amounts not to exceed those which are indicated:

Xerox Corporation, 155 Federal Street — \$300,000, net; IBM Corporation, One Copley Place — \$110,000, net;

Eastman Kodak Company, Wellesley — \$100,000, net; Savin Business Machines Corp., Soldiers Field Rd., — \$100,000, net; Ricoh of America, Inc., 5 Dedrick Place West Caldwell, New Jersey — \$100,000, net.

Oce Business Systems, 470 Atlantic Ave. — \$75,000, net; Compugraphic Corporation, Wilmington — \$50,000, net; A-Copy, Westwood — \$50,000, net.

Pitney Bowes, Inc., Waltham — \$25,000, net; Unisys Corp., Wellesley — \$25,000, net; Konica/Royal Copiers, 928 Commonwealth Ave. — \$25,000, net.

Respectfully yours,  
John F. Scalcione,  
Purchasing Agent.

#### HEALTH AND HOSPITALS DEPARTMENT

##### Blood Gas Instrument Services.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Rainin Instrument Company, Inc., Woburn, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$2,200.

Under this contract, Rainin Instrument Company, Inc. will provide preventative maintenance and emergency service for the Radiometer ABL-30 Blood Gas Instrument, located in the Respiratory Therapy Department at Mattapan Hospital. This contract includes two preventative maintenance calls, any and all emergency service, travel and labor during normal working hours, and all replacement parts with exception of glass parts, electrodes, or damage due to spillage.

Rainin Instrument Company, Inc. has provided excellent service in the past. An unadvertised contract was awarded to Rainin Instrument Company, Inc. for the past two fiscal years in the following amounts 1988 — \$2,200; 1987 — \$2,300. Prior to this, the costs were under \$2,000, thus a contract was not warranted.

As Rainin Instrument Company, Inc. is the only authorized vendor in this region to maintain and supply parts for radiometer equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

##### Fiberoptics Scopes Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to Olympus Corporation of America, New York, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$18,746.

This contract, Olympus Corporation of America will supply, as needed, repair services for all Olympus Corporation fiberoptic scopes and related technology within the Department of Health and Hospitals. The vendor will also advise the Biomedical Engineering Department on proper preventative maintenance techniques, and will provide parts as needed. Whenever possible, loaner equipment will be made available.

Olympus Corporation of America has provided high quality repair services in the past. Olympus Corporation has been awarded unadvertised contracts for the last three fiscal years in the following amounts: 1988 — \$17,870; 1987 — \$17,485; 1986 — \$14,899.

Therefore, because Olympus Corporation of America is the manufacturer of the equipment, is the only vendor that can supply appropriate and timely service, and has technicians trained specifically for repairing the equipment, at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

##### Child Abuse Prevention Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc. 725 Massachusetts Avenue. This contract between the Department of Health and Hospitals and the Trustees of Health and Hospitals of the City of Boston, Inc., provides the matching funds required by the State Department of Social Services (Title XX) to provide child abuse prevention and respite care services at a Boston City Hospital for children at high risk of abuse and neglect for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$34,607.

Under this contract, the Trustees of Health and Hospitals of the City of Boston, Inc., will provide medical care and psychological and social support for families of victims or potential victims of child abuse and neglect, as well as specifics such as payroll, purchasing and financial reporting. In consideration of services rendered, the Trustees shall be permitted to retain an amount equal to 9.5 percent of the total of this contract as general and administrative cost. This arrangement is satisfactory to the State Department of Social Services (Title XX). This contract has been awarded without advertising for the last three fiscal years in the following amounts: 1988 — \$33,180; 1987 — \$26,248; 1986 — \$43,746.

This undertaking is of a very personal and professional nature, and the Trustees have demonstrated to the city their special fitness to administer this contract in a very satisfactory manner at a reasonable cost. Accordingly, in my judgment, no benefit could inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

##### Pastoral Counseling

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to St Gregory's Church, Dorchester, for the period July 1, 1988, through June 30, 1989 at a cost not to exceed \$9,252.

Under this contract, St. Gregory's Church will provide pastoral counseling and liturgical services related to the needs of Catholic patients at Mattapan Hospital. Services are to be provided sixteen hours per week to be reimbursed at the rate of \$11 per hour for a total of \$176 per week. In addition two special Holyday services will be provided during the year to be reimbursed at the rate of \$50 per service. The priests of the parish will be on call for emergency visits and regular visitations.

St. Gregory's Church has provided excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1988 — \$5,924; 1987 — \$3,740 (10 hours' week); 1986 — \$2,700.

Because of the special fitness of St. Gregory's Church to provide these services, because of the professional nature of the services to be rendered and as the price, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Rev. Judith M. Van Sprewenburg, Brighton, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$9,252.

Under this contract, Rev. Van Sprewenburg will provide pastoral counseling and liturgical services related to the needs of Protestant patients at Mattapan Hospital. Services are to be provided sixteen hours per week at a cost of \$11 per hour for a total of \$176 per week. Two special services will be provided during the year at a cost of \$50 per service. In addition, Rev. Van Sprewenburg will be on call for emergency visits.

Fiscal year 1988 was the first year that a contract has been awarded to Rev. Van Sprewenburg for the amount of \$6,756. Prior to that, services were provided by Rev. A. W. Grif Vautier in the following amounts: 1987 — \$13,512 (Mattapan and Long Island Hospitals); 1986 — \$6,440 (Mattapan Hospital, July - June; Long Island Hospital, January — June).

Because of the special fitness of Rev. Van Sprewenburg to provide these services, because of the professional nature of the services to be rendered, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Society of Jesus of New England, 761 Harrison Avenue, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$17,850.

Under this contract, Society of Jesus of New England will provide pastoral counseling and liturgical services related to the needs of Catholic patients at

Boston City Hospital. Services are to be provided fifty hours per week at the rate of \$6.84 per hour. Twenty hours will be in-house on a daily scheduled basis, and thirty hours will be on call throughout each week, evenings and weekends included, for emergency purposes.

Society of Jesus of New England has provided excellent services in the past, and has been awarded unadvertised contract for the past three fiscal years in the following amounts: 1988 — \$17,000; 1987 — \$17,000; 1986 — \$17,000.

Because of the special fitness of Society of Jesus of New England to provide these services, because of the professional nature of the services to be provided, and as the price, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Meyer J. Strassfeld, Marblehead, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$5,000.

Under this contract, Rabbi Strassfeld will provide chaplaincy services to Jewish patients at Boston City Hospital on Mondays, Wednesdays, and Thursdays totaling thirteen hours per week, evenings and weekends included, for emergency purposes. Services will include visits to patients, contacts with families, and worship services as needed. Rabbi Strassfeld will be paid monthly.

Rabbi Strassfeld had provided the hospital with excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1988 — \$5,000; 1987 — \$5,000; 1986 — \$5,000.

Because of the special fitness of Rabbi Strassfeld to provide these services, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### Service and Repair of Copiers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Konica Business Machines, U.S.A., Inc., Connecticut, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$5,275.

Under this contract, Konica Business Machines, U.S.A., will provide a maintenance agreement for service and repair of two Royal Copiers Model 5003ZMR. One copier is located at Mattapan Hospital and the other copier is located at Long Island Hospital. This agreement covers the following: All routine, remedial and preventive maintenance services; all parts with the exception for photoreceptor drum and cleaning roller; all service calls during regular business hours; normal business hours are defined as 8:30 a.m. thru 5 p.m., Monday thru Friday, exclusive of holidays.

Konica Business Machines, U.S.A., Inc. was awarded an unadvertised contract for the past two fiscal years in the following amounts: 1988 —

\$5,275; 1987 — \$2,314.50. Prior to that time the above equipment had been under warranty.

Therefore, because Konica Business Machines, U.S.A., Inc. is the manufacturer, and has the personnel specially trained to service the above equipment, at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### Blood Bank Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustee of Boston University, acting by and through the Division of Hematology of the Boston University School of Medicine, 80 East Concord Street, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$9,000.

Under this contract, the Division of Hematology will provide a consultant to the Blood Bank at Boston City Hospital. This hematologist/immunologist will serve as medical director of the blood bank and as liaison with the medical staff. The aforesaid physician will serve under the department. The assignment to the position will be by the university with the approval of the department. The cost fixed and is to be paid monthly.

The Division of Hematology of the Boston University School of Medicine has provided the department with excellent service in the past. The cost of the unadvertised contracts for the last three fiscal years were as follows: 1988 — \$9,000; 1987 — \$9,000; 1986 — \$9,000.

Therefore, because this position is required by F.D.A. and Massachusetts Public Health Regulations, because of the professional nature of the services to be rendered, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

#### Radiation Monitoring Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Tech/Ops Landauer, Inc., Illinois, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$3,000.

Under this contract, Tech/Ops Landauer, Inc. will provide monthly radiation monitoring services including film badges and radiation reports. There are more than 200 employees subject to radiation. State and federal law requires exposure data on all individuals exposed to ionizing.

Tech/Ops Landauer, Inc. (formerly R. S. Landauer Company) was awarded unadvertised contracts for the past two fiscal years in the following amounts: 1988 — \$3,000; 1987 — \$3,000. Prior to this time no contract was warranted because the cost was under \$2,000.

Therefore, because Tech/Ops Landauer, Inc. has a data base file with all previous data on all of the employees maintained in with Title 10 Code of Federal Regulations 19.12, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
*Commissioner.*

### Health Care Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 35 Massachusetts Avenue, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$647,563.

This contract will cover salaries, fringe, indirect cost and overhead for Neighborhood Health Advocates assigned to make home visits and outreach community sites and health centers in Roxbury, Dorchester, Mattapan, South End, and Jamaica Plain neighborhoods. The services are of a professional nature delivered by social workers, advocates, nurses and health education staff and integrated into the Department of Health and Hospitals community health nursing program. The contract is designed to target and assist women with rates of low birthweight above the average for the general population including black and low-income women, adolescents, and women with poor reproductive histories.

The Neighborhood Health Advocates will work with the neighborhood health center obstetrics and gynecology providers and the department's public health nurses to: find and enroll pregnant women in health care during the first trimester; assist in compliance with clinic visits and other necessary medical services; assist women with enrollment in entitlement and social service programs (e.g. nutrition, medicaid, day care, etc.); assure that high-risk women receive the necessary social supports.

Unadvertised contracts were awarded for the last three fiscal years in the following amounts: 1988 — \$608,040; 1987 — \$418,000; 1986 — \$368,000.

Because of the nature of the services to be provided and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

### Ambulance Transfer Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to extend for one year, the city's contract with Brewster Ambulance Services, Jamaica Plain, to provide ambulance transfer services for the Department of Health and Hospitals for the Department of Health and Hospitals for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$144,000.

Under this contract, the city has the option to renew this contract through June 30, 1989, at the same time or terms more favorable to the city.

Therefore, inasmuch as the contract is being extended on the same basis and same price, and Brewster Ambulance Service, who was awarded the original contract pursuant to public bidding has provided excellent service and as the price is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

### Rabies Control Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to the Animal Rescue League of Boston, Inc., for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$34,126.

Under this contract, the Animal Rescue League of Boston, Inc. will perform various duties related to the control of rabies in the City of Boston. These professional services will include, but not be limited to the quarantine of possible rabid animals, the performance of the follow-up inspections and veterinary examinations, the analysis of brain tissue to determine the presence of rabies, and compliance with all state health laws pertaining to rabies control.

The Animal Rescue League of Boston has provided rabies control services for the Department of Health and Hospitals for many years. Various kennels had been explored as possibly providing rabies controls services. The Animal Rescue League of Boston was the only vendor who could provide adequate facilities and services to fully deal with rabies control. The costs of the unadvertised contracts awarded to the Animal Rescue League of Boston, Inc. for the past three fiscal years have been as follows: 1988 — \$32,877; 1987 — \$33,647; 1986 — \$32,169.

Therefore, in view of the professional, unique service to be rendered, in which the Animal Rescue League of Boston, Inc. has had wide experience and which it has satisfactorily provided to the city for many years at a cost which, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

### Hormone Testing Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to the Trustees of Boston University, 80 East Concord Street, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$4,080.

Under this contract, Dr. Herbert Wotiz will perform hormone testing to include a combination estrogen and progesterone receptor assay at \$104 per test. Trustees of Boston University has been awarded unadvertised contracts for the past three fiscal years in the following amounts 1988 — \$4,080; 1987 — \$4,000; 1986 — \$4,000. Dr. Wotiz has provided these services in a satisfactory manner in the past by offering the quality control desired by the hospital.

Therefore, because of the special fitness of the university to provide these services, and because Dr. Wotiz is particularly qualified to perform the needed tests and also because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

### Ultrasound Units Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to ATL Ultrasound Washington, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$8,120.

Under this contract, ATL Ultrasound will provide maintenance service, parts and labor for two Mark

100 ultrasound units between the hours of 8 a.m. and 5 p.m., Monday through Friday, except holidays.

ATL Ultrasound has provided quality maintenance services for the two Mark 100 ultrasound units since fiscal 1983. ATL Ultrasound has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1988 — \$8,120; 1987 — \$8,120; 1986 — \$8,420.

Inasmuch as ATL Ultrasound is the sole manufacturer of these units and has specially trained personnel to quickly diagnose and repair the equipment without disruption to patient care, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Interspec Pennsylvania, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$5,000.

Under this contract, Interspec will provide routine and preventative maintenance checks for the following: XL Series 3, Real Time/Doppler Ultrasound; 3.0 MHz Transducer; 2 MHz Transducer; 5.3 MHz Transducer.

In addition, Interspec will provide one-year parts and labor plus shipping cost and loaner equipment as required.

Fiscal year 1989 is the first year that a contract will be required for servicing the above equipment, as it has been under warranty until now.

Therefore, because Interspec is the manufacturer of the equipment, is the only vendor that can supply appropriate and timely service, at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

### Infectious Disease Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to James Breeling, M.D., Needham, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$8,400.

Under this contract, Dr. James Breeling will provide consultative services in infectious diseases and epidemiology and related educational services for the medical and nursing staff, specifically the epidemiology nurse, at Mattapan and Long Island Hospitals. At each hospital, on-site consultative sessions will be provided once a month, to include attendance at the infection control meeting. Services will be reimbursed at the rate of \$200 for each two-hour session. An additional eight sessions, four at each hospital, will be arranged by the medical director and will be reimbursed at the rate of \$200 for each two-hour session. Telephone availability will be provided at both hospitals and will be reimbursed at the flat rate of \$1,000 at each hospital for the year.

Dr. Breeling was awarded unadvertised contracts for the past two fiscal years in the following

amounts: 1988 — \$8,400; 1987 — \$9,200. Fiscal year 1986 an unadvertised contract was awarded to Trustees of Boston University with services provided by Dr. Craven in the amount of \$7,490. Dr. Craven resigned his position effective July 1, 1986.

As Dr. Breeling is a specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Podiatry Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to dispense with public advertising and award a contract to Daniel Seligman, D.P.M., Medford, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$15,600.

Under this contract, Dr. Seligman will provide on-site consultative services in podiatry to Mattapan and Long Island Hospitals. At Mattapan Hospital the on-site consultative sessions are to be scheduled in advance, not to exceed one session per week. Each four-hour session, the frequency and hours of which are to be determined by the medical director, shall be reimbursed at the rate of \$37.50 per hour to be paid monthly on a services-rendered basis. On-site consultative sessions shall also be provided at Long Island Hospital, and each four-hour session, to be scheduled in advance shall be reimbursed at the rate of \$37.50 per hour to be paid monthly on a services-rendered basis. Dr. Seligman must make coverage arrangements in the event of any absence, including vacation.

Dr. Seligman has provided the Department with excellent performance in the past. Unadvertised contracts have been awarded to Dr. Seligman for the past three fiscal years in the following amounts: 1988 — \$15,600; 1987 — \$15,600; 1986 — \$15,600.

Because of the special fitness of Dr. Seligman to provide these services, because of the professional nature of the services to be rendered, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### X-Ray Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Picker International, Inc., Canton, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$63,369.

Under this contract Picker International, Inc. will provide the following services: maintenance contract and semi-annual preventative maintenance for Rapido Unit/X-Ray Room, \$19,525; Cap mobile Unit, \$5,989; chest room, \$7,855; to include parts, labor and travel time between 8 a.m. and 5 p.m.; repairs for the above equipment after 5 p.m. weekdays, weekends, and holidays, at a cost not to exceed \$10,000; to furnish X-ray tubes as needed for an estimated cost not to exceed \$20,000.

Picker International, Inc. has provided the department with quality maintenance services in the past. Picker International, Inc. has been awarded

unadvertised contracts for the last three fiscal years in the following amounts: 1988 — \$57,775; 1987 — \$60,768; 1986 — \$58,927.69.

Inasmuch as the equipment is of a highly specialized nature, as Picker International, Inc. is the manufacturer, and as the price, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Cardiology Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Kenneth Silverman, M.D., Brookline, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$10,720.

Under this contract, Dr. Silverman will provide on-site cardiology consultations at Mattapan and Long Island Hospitals. Each three-hour consultative session will be reimbursed at the rate of \$55 per hour. The sessions will be scheduled in advance at a frequency of twice a month as determined by the medical director. A maximum of four emergency sessions, two at each hospital, also to be scheduled by the medical director, are to be reimbursed at the rate of \$150 per session. Telephone availability for consultations will be reimbursed at a flat rate of \$1,000 for Mattapan Hospital, and \$1,100 for Long Island Hospital.

Unadvertised contracts were awarded to Dr. Silverman for the past two fiscal years in the following amounts: 1988 — \$10,000; 1987 — \$10,300. Prior to this, the chronic care division did not require a cardiology consultant.

Because of the special fitness of Dr. Silverman to provide these services, because of the professional nature of the services to be rendered, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Plasma

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to the National Blood Exchange of the American Association of Blood Banks, Virginia, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$25,000.

Under this contract, the National Blood Exchange of the American Association of Blood Banks will supply plasma at a cost of \$24 per unit, plus .55 cents transaction fee per unit. The contract cost is an estimate based on the amount that is ordered weekly.

The National Blood Exchange of the American Blood Banks has the ability to furnish the necessary large quantities of fresh frozen plasma required for use in the blood bank of Boston City Hospital. Unadvertised contracts have been awarded to American Association of Blood Banks for the past three fiscal years in the following amounts: 1988 — \$25,000; 1987 — \$35,000; 1986 — \$52,004.52.

The fresh frozen plasma received from the National Blood Exchange of the American Association of Blood Banks meets with the standards approved by the FDA and Massachusetts Public Health. In addition, the cost per unit of plasma is less than that

of American Red Cross, which is the only other known competitor capable of supplying the required quantities.

Because of the special fitness of the National Blood Exchange of the American Association of Blood Banks to render these services, as the price, in my opinion, is reasonable, and because of the nature of the services to be provided, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Studio Apartments Rental

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustee of Health and Hospitals of the City of Boston, Inc 725 Massachusetts Avenue, for the period July 1, 1988, through June 30, 1989 at a cost not to exceed \$9,636.

Under this contract, the Trustees of Health and Hospitals will provide two studio apartment (80 and 809), including all utilities, in the Nursing Education Building at Boston City Hospital for the temporary relocation of families having their home deleaded by the Office of Environmental Affairs Lead Poisoning Prevention Program. The apartments will be rented at an estimated cost of \$80 per month for both apartments for twelve months.

Unadvertised contracts were awarded to Trustees of Health and Hospitals in the following amount: 1988 — \$9,144; 1987 — \$8,947; 1986 — \$8,448.

Therefore, in view of the above and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Embossers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to National Business Systems, New Jersey, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$12,000.

Under this contract, National Business Systems will provide services, including parts and labor, for four NBS Model 9900 embossers, on an as-needed basis.

An unadvertised contract was awarded to National Business Systems in Fiscal Year 1988 for an amount of \$10,000. Prior to that, there were no other contracts.

Therefore, as National Business Systems is the manufacturer and has technicians trained specifically for repairing the equipment, at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Optometry Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. Robert P. Moritz, Canton, for the period July 1, 1988,

through June 30, 1989, at a cost not to exceed \$2,990.

Under this contract, Dr. Moritz will provide consultant services in optometry at Long Island Hospital. Each three-hour, on-site consultative session will be reimbursed at the rate of \$115 per session. The frequency of the consultative sessions will be every other week or as determined by the medical director and/or administrative director.

Dr. Moritz has provided the department with excellent services in the past. Dr. Moritz has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1988 — \$2,990; 1987 — \$2,990; 1986 — \$2,990.

Because of the personal and professional nature of the service to be provided, and because Dr. Moritz is well qualified by training and experience to provide these services, at a price I deem to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Detoxification Unit Counselors

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to the Pine Street Inn, Inc., Boston, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$5,000.

This contract will provide funds which will be used to augment counselors salaries for the Detoxification Unit located at the Pine Street Inn. The counselors to be provided by the Pine Street Inn, Inc. are particularly qualified, both in experience and training. The Pine Street Inn, Inc. provides valuable and needed services to the homeless people in the city.

The Department of Health and Hospitals has had a contract with the Pine Street Inn for many years. The cost for the past three fiscal years has been \$5,000 per year.

Therefore, inasmuch as the service to be provided hereunder is of a professional nature, and since the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Recorders Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Del Mar Avionics, Reading, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$9,680.

Under this contract, Del Mar Avionics will provide service maintenance to include parts, labor and travel weekdays from 8 a.m. to 5 p.m., for the Del Mar Model 750 Innovator w/8 recorders (model 453-A) located in the Heart Station at Boston City Hospital — one scanner, \$7,490; Eight Holter recorders, \$1,440, one Laser printer, \$750.

Del Mar Avionics has been awarded an unadvertised contract for fiscal year 1988 in the amount of \$8,930. Prior to this time no contract was warranted because the cost was under \$2,000.

Therefore, because Del Mar Avionics is the factory authorized service representative, and as the

cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising of bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Neurology Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. John Adams, M. D., Manchester, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$9,680.

Under this contract, Dr. Adams will provide consultant services in Neurology for patients at Mattapan Hospital. A three hour consultation session will be provided once a week, to be scheduled in advance. Each session, which will include occasional in-service for the medical staff and chart reviews, will be reimbursed at the rate of \$55 per hour to be paid monthly on a services-rendered basis. Telephone availability for neurological problems will be provided for a flat fee of \$1,100 per year to be paid on a monthly basis. Development of criteria for formal neurological studies will be provided also as requested by the medical director.

Dr. Adams was awarded unadvertised contracts for the past three fiscal years in the following amounts: 1988 — \$8,900; 1987 — \$8,900; 1986 — \$8,900.

As Dr. Adams is a specialist in this field, because of the professional nature of the services to be provided, and as the cost in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Psychiatry Consultants

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Lawrence Miller, M. D., Weston, for the period July 1, 1988, through June 30, 1989 at a cost not to exceed \$21,020.

Under this contract, Dr. Miller will provide consultant services in psychiatry at Long Island Hospital. On-site consultative sessions are to be provided at least once a week with the total consultative time not to exceed seven hours per week. The frequency and length of each session are to be determined by the medical director. Reimbursement will be at the rate of \$55 per hour to be paid monthly on a services-rendered basis. Telephone availability for problems relating to psychiatry will be provided for the length of the contract for a flat fee of \$1,000 to be reimbursed monthly.

In the past, Dr. Miller has provided these services through the Trustees of Boston University. Unadvertised contracts have been awarded for the past three fiscal years in the following amounts: 1988 — \$19,200; 1987 — \$20,800; 1986 — \$20,800.

Because of the special fitness of Dr. Miller to provide these services, as he has provided excellent services in the past, because of the professional nature of the services, as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Katherine Poole Wolf, M. D., Chestnut Hill, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$23,880.

Under this contract, Dr. Wolf will provide on-site consultation services in psychiatry to Mattapan Hospital. The on-site consultative sessions are to total at most twelve hours per week, with an anticipated average of eight hours a week, to be reimbursed at the rate of \$55 per hour. Telephone availability for problems and questions regarding the psychiatric aspect of patient care is to be reimbursed at a flat rate of \$1,000 per year. Reimbursement is to be paid monthly on a services-rendered basis.

An unadvertised contract was awarded to Dr. Wolf in fiscal year 1988 for the amount of \$10,000. (March 1, 1988 — June 30, 1988). Prior to this, unadvertised contracts were awarded to Dr. Zavarine in the following amounts: 1987 — \$16,600; 1986 — \$14,000.

As Dr. Wolf is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

#### Pathology Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Habib AlSioufi, M. D., Brookline, for period July 1, 1988, through June 30, 1989, at a cost not to exceed \$18,160.

Under this contract, Dr. AlSioufi will provide consultant services in pathology and laboratory medicine at Mattapan and Long Island Hospitals. On-site consultative sessions for Mattapan Hospital are to be provided once a week, each session not to exceed four hours. On-site consultative sessions for Long Island Hospital are to be provided once every other week, each session not to exceed four hours. Each scheduled session is to be reimbursed at the rate of \$55 per hour. The above sessions will include administrative consultations pertaining to pathology and laboratory medicine, with the medical director. The frequency and the length of each session is to be determined by the medical director. Telephone availability for laboratory personnel and the medical staff for questions regarding use of the laboratory and appropriate interpretation of laboratory results will be provided for a flat rate of \$1,000 per year to be split evenly between Mattapan and Long Island Hospitals (\$500 per facility).

Dr. AlSioufi was awarded an unadvertised contract for fiscal year 1988 in the amount of \$16,234. In the past, unadvertised contracts were awarded to Dr. Mayer in the following amounts: 1987 — \$12,200; 1986 — \$7,200 (Mattapan Hospital). Dr. Mayer resigned his position with the department as of July 1987.

As Dr. AlSioufi is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

## LAW DEPARTMENT

### Administrative Investigative Services

Dear Mr. Mayor:

I respectfully request your permission to dispose with public advertising and to award a contract to Donna Foscaldo, an individual residing at 16 Wells-mere Road, Roslindale, for administrative and investigative services.

Under the terms of the contract, Donna Foscaldo will provide administrative and investigative services to the Workers' Compensation Service of the Law Department, including but not limited to claims processing, medical management, medical interviewing, filing for discontinuance conferences, obtaining medical records and notifying claimants of the status of their workers' compensation claims. Donna Foscaldo is uniquely qualified to do this work because of her previous work experience with the Workers' Compensation Service, and her knowledge of the workers' compensation laws and procedures.

Compensation under this contract shall not exceed \$15,800 and the payments from appropriation code No. 011-341-0341-0290 will be made at the rate of \$15 per hour, which I have determined to be reasonable for the work to be performed. The term of the contract shall be from July 1, 1988, to June 30, 1989. Ms. Foscaldo has contracted with this office from February to June 1988 (five months) for \$4,650.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,  
Corporation Counsel.

## PUBLIC WORKS DEPARTMENT

### Plowing Operations

Dear Mr. Mayor:

In conjunction with the Browning-Ferris Industries, contract for collecting and removing refuse (SC 7601-88), paragraph 13.10, section 2 (f), in accordance with the specifications of the said refuse contract, the contractor is obligated to furnish plowing vehicles (50 percent for every vehicle used for collecting and refuse removal) to be used for plowing operations during the snow season.

With regard to the foregoing, I respectfully request permission to dispense with public advertising and to award a contract to Browning-Ferris Industries, a corporation, located at Quincy, for furnishing trucks for plowing operations during the snow season in various districts in the City of Boston.

The contractor is specifically qualified to do this work because it is relative to the above-mentioned contract for refuse collection and removal.

Compensation under this contract shall not exceed \$9,000, to be paid at an hourly rate of \$98.05 for each 3-axle truck and \$85.90 for each 2-axle truck utilized during plowing operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1987, to April 30, 1988.

Because this work is relative to and in conjunction with another existing contract, and due to the reasonable cost of the services, I believe that public advertising would serve no useful purpose.

This letter is being submitted at this late date, as the original documents were lost by the vendor and replacement documents had to be prepared for execution.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

## SCHOOL DEPARTMENT

### Copying Machines Supplies

Dear Mr. Mayor:

Under state law, any Massachusetts municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its own contracts, based on the state awards.

Because this can only be accomplished by dispensing with public advertising, your permission is requested to award a contract to Savin Corporation, Brighton, for the period July 1, 1988, through June 30, 1989, at a cost not to exceed \$60,000. Under the terms of this contract, the contractor will provide related supplies for copying machines (T-D Paks), as listed in the Savin Corporation contract with the state.

This company provides services of a specific nature; is qualified to provide these services; and has performed satisfactorily over a period of years. For these reasons, it is my determination that the public interest would not be served by public advertising for bids.

Very truly yours,

Leo J. Burke,  
Business Manager.

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### HEALTH AND HOSPITALS DEPARTMENT

#### Temporary Employment Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Medical Register, Inc., 332 Newbury Street, for the period September 1, 1987, through June 30, 1988, at a cost not to exceed \$15,000.

This amendment will increase the contract sum by \$5,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$20,000.

This amendment is necessary because the Respiratory Department underestimated the amount of money needed to provide temporary employment services.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of the amendment.

Very truly yours,

Lewis W. Pollack,  
Commissioner.

### PUBLIC WORKS DEPARTMENT

#### Snow Removal

Dear Mr. Mayor:

On November 30, 1987, his Honor, the Mayor, approved the award of a contract based on public advertising for bids to Mass. Constr. Co., Inc., located at Saugus, for removing snow and furnishing labor and equipment in connection with the work of keeping the highways and streets open following snowstorms in District 1B (Boston), SC-7695(88), at a cost not to exceed \$100,000, for the period November 15, 1987, to April 30, 1988.

Your permission is respectfully requested to amend this contract to provide for additional funds

that are necessary, as the funds encumbered have already been depleted and additional funds will have to be made available for the remainder of the snow season.

The cost of this amendment, which is effective on February 1, 1988, shall not exceed \$100,000, at rates set forth in the original bid and are reasonable for services. The contract, as amended, shall not exceed \$200,000.

This letter is being prepared at this late date, as up-to-date billings have only recently been completed.

Inasmuch as this work is related directly to and in conjunction with an existing contract, I feel that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Dear Mr. Mayor:

On December 10, 1987, his Honor, the Mayor, approved the award of a contract based on public advertising for bids to Angelo Todesca Company, located at Westwood, for removing snow and furnishing labor and equipment in connection with the work of keeping the highways and streets open following snowstorms in District 8 (Hyde Park), SC 7688(88), at a cost not to exceed \$100,000, for the period November 15, 1987, to April 30, 1988.

Your permission is respectfully requested to amend this contract to provide for additional funds that are necessary, as the funds encumbered have already been depleted and additional funds will have to be made available for the remainder of the snow season.

The cost of this amendment, which is effective on February 1, 1988, shall not exceed \$100,000, at rates set forth in the original bid and are reasonable for services. The contract, as amended, shall not exceed \$200,000.

This letter is being prepared at this late date, as up-to-date billings have only recently been completed.

Inasmuch as this work is related directly to and in conjunction with an existing contract, I feel that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

### Electric Equipment Repairs

Dear Mr. Mayor:

On July 22, 1987, your Honor approved the award of a contract based on public advertising for bids to Re-Jan Electric Company, Inc., of Jamaica Plain, for repairs to existing electrical equipment a various drawbridges in the City of Boston, SC 7628(88), at a cost not to exceed \$98,210.

I respectfully requested that this contract be amended to provide additional funds for other emergency repairs that were impossible to anticipate and require immediate attention to assure minimum amount of bridge down time and thus minimize the inconvenience to the motoring public utilizing these various bridges.

The cost of this amendment, which is effective on May 1, 1988, shall not exceed \$15,000, a fixed cost, which I have determined to be reasonable for the work. The contract, as amended, shall not exceed \$113,210.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

## CONTRACTS AWARDED

The Mayor has approved the award of the following contracts to the lowest eligible bidder:

### HEALTH AND HOSPITALS DEPARTMENT

#### Medical Books

Dear Sir:

An invitation to submit applications on Proposal No. 693, to provide medical books to the Department of Health and Hospitals was advertised in the *City Record* on February 1, 1988. Subsequently, applications received were publicly opened and read in this office on February 16, 1988. Three companies were solicited for applications, and three companies responded to the invitation to apply.

Your Honor's permission is respectfully requested to award contracts to the following vendors for the estimated dollar amount as indicated. Actual purchase amount will be based on verbal and/or written quotations received from among the various suppliers.

Rittenhouse Book Distributors, Inc., Pennsylvania — \$40,000, net 30 days; Ballen Booksellers International, Inc., New York — \$40,000, net 30 days; Login Brothers of New England, Inc., Wingham — \$40,000, net 30 days.

The contract period is from April 25, 1988, through March 31, 1990.

Very truly yours,  
Lewis W. Pollack,  
Commissioner.

## CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

### AUDITING DEPARTMENT City Contracts Preparation

Dear Mr. Flynn:

Your approval is respectfully requested to dispense with public advertising and award a contract to Ms. Diane Donovan an individual residing at Winton.

Under the terms of this contract, Ms. Donovan will assist the contract division in the preparation of 89 city contracts, including comparison of bids with other city departments. Ms. Donovan is qualified to do this work because of her experience in the Auditing Department.

Compensation under the contract will be paid at a rate of \$7.50 per hour and shall not exceed \$500 which I have determined to be reasonable. The period of this contract shall run from May 9, 1988, through June 30, 1988.

Because of the nature of the services to be performed and because of the circumstances cited above, I believe that public advertising would serve a useful purpose.

Due to a change in Ms. Donovan's schedule she is available to provide these services to the Auditing Department earlier than originally anticipated. For this reason the award letter is being submitted late.

Sincerely,  
Leon P. Stamps,  
City Auditor.

## JOBS AND COMMUNITY SERVICES

### Carpentry Training

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Boston Carpenters Summer Training Corporation, a non-profit corporation, located at 385 Rear Market Street, Brighton, for the purpose of providing skills training to minority participants. Under the terms of the contract, the contractor will provide pre-apprenticeship training in carpentry to approximately ten minority participants for placement into the union's apprenticeship training program.

The Mayor's Office of Jobs and Community Services has been selected by the Executive Office of Economic Affairs/Office of Training and Employment Policy to administer its Minority Employment Initiative Program. This contractor has been selected by the State to participate in this program. Compensation under the terms of this contract shall not exceed \$39,650, payment being provided to the city by EOE/OTEP. The period of performance shall be from February 1, 1988, until June 30, 1988. The submission of this request has been delayed due to the time involved in negotiations and the late notification of funding availability from the state.

As this is a negotiated contract at a reasonable cost, based upon recommendations made by the state to JCS, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4. s. 5.

Sincerely,  
Neil H. Gordon,  
Associate Director.

## LEGAL DEPARTMENT

### Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Ferriter, Scobbo, Sikora, Caruso & Rodophele, P.C., a corporation located at One Milk Street, for legal representation of the Mayor and the City of Boston.

Under the terms of the contract, Ferriter, Scobbo, Sikora, Caruso & Rodophele, P.C. will represent the Mayor and the City of Boston in all aspects of litigation in the suit filed by Cablevision in U. S. District Court in Boston, *Cablevision v. Flynn*, C.A. No. 88-0658-Y and any related affirmative or defensive litigation.

Ferriter, Scobbo, Sikora, Caruso & Rodophele, P.C. is uniquely qualified to do this work because of their experience and expertise in cable law and success in cable litigation. They recently represented the Town of Norwood in the landmark Supreme Judicial Court decision on cable regulation, *Town of Norwood v. Adams-Russell, Co., Inc.*, 401 Mass. 677 (1988). This case raised issues which are very similar to the Boston/Cablevision matter.

Compensation under this contract shall not exceed \$10,000 to be paid at the rate of \$125 per hour for partners, \$115 per hour for associates, and \$75 per hour for law clerks and paralegals, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be April 6, 1988, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This contract is being submitted late because the law suit was just filed against the city. We re-

ceived proposals from several attorneys. We needed to evaluate our legal options before determining the kind of legal expertise we needed to obtain in order to pursue the options selected.

Very truly yours,  
Joseph I. Mulligan, Jr.,  
Corporation Counsel.

## MANAGEMENT INFORMATION SYSTEMS Tape Library System

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Computer Associates International, Inc., New York, for the use and license of the Computer Associates UCC1 Tape Library Management System.

This Contract is for the use and license of the Tape Library Management System, which includes preventative maintenance as well as telephone problem-solving assistance, upgrades to accommodate changes in the operating system, new product releases, new product documentation and enhancement to the system. The City of Boston has been using this product for a number of years. Previously, this product was provided through a contract with UCCEL, Inc. (2457-86). In the beginning of this year, the UCC1 product and the UCCEL corporation was bought by Computer Associates. Due to proprietary nature of this product, and the continued use of this product, I believe there would be no useful purpose served by advertising. I therefore request that a contract be approved for Computer Associates International, Inc. for the period of July 1, 1987, through June 30, 1988, at a cost not to exceed \$10,800 and shall be charged to appropriation code 011-140-0149-MI02-0490.

This contract was submitted late due to the delayed return of the signed contract documents from the vendor. Original documents were sent to UCCEL, Inc. in May, 1987, prior to the acquisition of UCCEL by Computer Associates. A second set of contract documents was sent to Computer Associates on September 27, 1987, and was finally returned on February 29, 1988.

Sincerely,  
Allan K. Stern,  
Director.

### Proprietary Computer Program

Dear Mr. Mayor:

It is respectfully requested that permission be granted to the Administrative Services Department, Data Processing Unit to dispense with public advertising for bids and award a contract to Syncsort Incorporated, New Jersey.

This contract will enable this department to continue to rent proprietary computer program for the period beginning July 1, 1987, through June 30, 1988. We will be covered under the three-year annual plan, the funds for the second and third year will be subject to the availability of appropriations. The total cost of this contract shall not exceed \$3,400, and shall be charged to appropriation code 011-140-0149-MI02-0490.

I have determined the cost to be reasonable and believe that public advertising would serve no useful purpose.

This contract is being submitted at this late date because of the disappearance of the original contract documents within the contract process. Our attempt to relocate was to no avail and to avoid any further loss of time it was necessary to issue a complete set of new contract papers.

Sincerely,  
Allan K. Stern,  
Director.

PUBLIC FACILITIES DEPARTMENT  
Design Services, etc.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 11, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Sterling Associates, Inc., a Massachusetts corporation, with offices at 286 Congress Street, providing design services for renovations to the Veronica Smith Multi-Service Center to add an elevator, renovate the basement and upgrade the boiler. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$84,055 (including \$24,700 for supplementary services) which is a fixed fee of 13.19 percent based on an estimated cost of construction of \$450,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for thirty-six months from date of execution.

Following the advertisement of this project in the *Boston Globe* on October 26, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated eight proposals submitted by the applicants and determined Sterling Associates, Inc. most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was as follows:

Sterling Associates, Inc., 286 Congress Street — 6; Gillen, Khun, Riddle & Gray, Inc., 186 South Street — 8; J. W. French Associates, 155 Massachusetts Avenue — 11; M. G. I. A. Architects, 145 Hanover Street — 11; Taskin, Inc., W. Reading — 11.

I believe Sterling Associates, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on March 15, 1988, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Tise Architects Inc., a Massachusetts corporation, with offices at Brookline, providing design services for complete renovation of the Archdale and Gallivan Recreation Centers. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$399,740 (including \$62,500 for supplementary services) which is a fixed fee of 10.68 percent based on an estimated cost of construction of \$3,157,129, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 139 weeks from date of execution.

Following the advertisement of this project in the *Boston Globe* on November 23, 1987, and receipt of proposals, the contractor was selected on the

basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The Committee evaluated twenty-nine proposals submitted by the applicants and determined Tise Architects, Inc. most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating of the three finalists, in order of rank, was as follows:

Tise Architects, Inc., Brookline — 5; Arrowstreet, Cambridge — 10; OPF/Domenech & Hicks, Inc., 155 Massachusetts Avenue — 17.

I believe Tise Architects, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

PUBLIC WORKS DEPARTMENT  
Highway Reconstruction

Dear Mr. Mayor:

I respectfully request that we encumber \$5,549.53 in a new contract, SC 7716 (88), for highway reconstruction (state aid project) in Colchester Street and Millstone Road in Hyde Park; and Burrwood Road, Conway Street, Mendum Street, and Westbourne Street in West Roxbury, by Todesca Equipment Company, Westwood, because this contract was terminated by the Auditor's before final payment was made.

We were informed that it would be necessary to have a new contract made in order to make the final payment of \$5,549.53 for the work which was performed under the old contract, SC 4997 (84). I further respectfully request that your Honor dispense with public advertising and award this contract to Todesca Equipment Company, Westwood, for the amount aforementioned. I believe that public advertising for proposals would serve no useful purpose.

Part of the delay on this request is due to our unawareness that the contract had been terminated, and our clerical error in not requesting a new contract before this time.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

Rehabilitation of Bridge

Dear Sir:

I respectfully request your Honor's permission to award a contract to A. G. Lichtenstein and Associates, Inc., a corporation located at Framingham, for engineering services for the rehabilitation of the Saratoga Bridge in the City of Boston. The department advertised for request for proposals and received nine responses. Seely Stevenson Value & Knecht (our consultants) reviewed the proposals and recommended three of the consultants (A. G. Lichtenstein was one of them). I selected A. G. Lichtenstein based upon their qualifications, experience and their proposed budget.

Compensation under this contract shall not exceed \$17,400, which is the maximum limitation based upon services performed for an amount equal to 2.50 times the hourly rates for employees named on Exhibit A which is attached to the contract. I have determined the cost is reasonable for the work to be performed. The term of this contract shall be from May 1, 1988, to December 1, 1988.

Under the terms of the contract, the consultant will provide a detailed bridge inspection and evaluation. The specifics of the scope of the work will be completely outlined in the contract itself.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purposes.

Very truly yours,

Joseph F. Casazza,  
Commissioner.

TREASURY DEPARTMENT  
Tax Collection Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Michael Hutchinson, West Roxbury, for services as a deputy tax collector for the Collection Division.

Under the terms of the contract, the contractor will be responsible for collecting all taxes, fees, fines and charges due the city with emphasis on delinquent accounts, to receive any tax, assessment, or account debt payable to the city and other duties as assigned.

Mr. Hutchinson is specially qualified to perform these duties because of his past experience in collector relations.

Compensation under this contract shall not exceed \$2,240, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$7 per hour.

The term of this contract shall be May 9, 1988 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George E. Mahoney,  
Temporary Collector-Treasurer

Accounting, Secretarial Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Diane Drysdale, Mattapan, for assistance accounting and secretarial duties for the Treasury Department.

Under the terms of the contract, the contractor will be responsible for typing memoranda and reports using the word processor and Lotus computer, filing, answering phones, processing voices and purchase orders, and logging disinvestment balances.

Ms. Drysdale is specially qualified to perform these duties because of her formal education in accounting.

Compensation under this contract shall not exceed \$2,240, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$7 per hour.

The term of this contract shall be May 9, 1988 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George E. Mahoney,  
Temporary Collector-Treasurer

Research Analysis of Accounts

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Darrin Casper, Allston, for assistance in financial activities as staff analyst for the Collection Division of the Treasury Department.

Under the terms of the contract, the contractor will be responsible for research/analysis of accounts in tax title/tax possession, general systems analysis, particularly cash flow, and handling special projects as assigned, with particular emphasis on credit balance accounts.

Mr. Casper is specially qualified to perform these duties through his formal education.

Compensation under this contract shall not exceed \$3,840, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$12 per hour.

The term of this contract shall be May 9, 1988, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George E. Mahoney,  
Temporary Collector-Treasurer.

## CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

### ADMINISTRATIVE SERVICES DEPARTMENT

*Purchasing Division*

#### Data Processing Supplies, etc.

Dear Mr. Mayor:

On September 24, 1987, your Honor approved the award of an unadvertised contract No. 1441WA to Marketechs, Incorporated, to provide data processing supplies and accessories (CC 251-99) to various city departments for immediate delivery through June 30, 1988.

It now appears that the amount originally stated in this contract will prove to be insufficient to satisfy the city's requirements through June 30, 1988.

Marketechs, Inc. has agreed to furnish whatever additional quantities the city may have at the same prices it had originally bid under this contract.

Because Marketechs, Inc. is presently under contract to supply data processing supplies and accessories to the various city departments, and usually submits bids substantially lower than other vendors with contracts for this commodity, it is my opinion that the best interests of the city would be served by amending Marketech's existing contract.

Therefore, your Honor's permission is respectfully requested to amend contract No. 1441WA with Marketechs, Inc., by increasing the contract amount by \$100,000, from \$50,000 to an amount not to exceed \$150,000, a cost I consider reasonable. This amount is an estimate based on projected requirements.

For the reasons stated above, I believe that public advertising would serve no useful purpose.

Respectfully yours,

John F. Scalcione,  
Purchasing Agent.

### CONSUMER AFFAIRS AND LICENSING

#### Legal Services

Dear Mr. Mayor:

On September 3, 1987, your Honor approved an award of a contract, without public advertising for bids, to Murphy, DeMarco and O'Neill P.C. for legal services during the period July 7, 1987, to June 30, 1988, at a cost not to exceed \$25,000.

Your approval is requested to amend this contract to provide for legal services for appellate hearings and trials. The cost of this amendment which is effective on February 1, 1988, shall not exceed \$45,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$70,000. The period of performance shall be extended to June 30, 1988.

Under this contract amendment, Murphy, DeMarco and O'Neill P.C. will continue to serve as legal counsel to the Mayor's Office of Consumer Affairs and Licensing in the court case, *Highland Tap of Boston, Inc. v. Diane J. Modica, Commissioner of Mayor's Office of Consumer Affairs and Licensing* (88-P-116; Civil Action 87-7200).

On December 28, 1987, this division revoked Highland Tap's 1987 entertainment license for allowing nude dancing to take place on its premises in violation of the terms and conditions of its entertainment license. In addition, Highland Tap was advised that if it intended to offer nude dancing in 1988, it must submit to a public hearing in order to obtain specific approval of this division. Subsequently, Highland Tap filed suit against the Mayor's Office of Consumer Affairs and Licensing and sought and obtained a temporary restraining order which stayed this division's revocation decision and which prevented it from holding a public hearing pending the outcome of the trial on the merits of the suit.

Murphy, DeMarco and O'Neill P.C. are uniquely experienced to handle the complex constitutional and civil rights issues raised in the Highland Tap case.

This amendment request was delayed pending a budget reallocation to this division which would accommodate the additional expenses related to this case. All terms and conditions on the original agreement with regard to the rate of compensation shall remain the same.

Because of the professional and continuing nature of the services and the specialized knowledge of the contractor, I believe that public advertising would serve no useful purpose.

Very truly yours,

Diane J. Modica,  
Commissioner.

### LAW DEPARTMENT

#### Computer Assisted Legal Services

Dear Mr. Mayor:

On September 4, 1987, your Honor approved an award of a contract, without public advertising for bids to Mead Data Central, Inc., Ohio and with its local office at Old City Hall, 45 School Street, for LEXIS computer-assisted legal research services for the City of Boston Law Department and for providing one UBIQ terminal, a printer installation, instruction and access to a very large legal data base.

This contract is for the period July 1, 1988, through June 30, 1988, at a cost not to exceed \$15,000.

Your approval is requested to amend this contract to provide for the continued use of LEXIS services. The Law Department did not anticipate the increased use of the LEXIS resulting from the hiring of a new law librarian and the research training of legal interns.

The cost of this amendment, which is effective this date, shall not exceed \$4,500, which I have determined to be reasonable. The contract, as amended, shall not exceed \$19,500.

Because of the contractor's unique ability to provide these services and the reasonable cost, I be-

lieve that public advertising would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,  
Corporation Counsel.

### PARKS AND RECREATION DEPARTMENT

#### Electrical Repairs

Dear Mr. Mayor:

On July 28, 1987, your Honor approved an award of a contract based on public advertising for bids, to Aerial Electric Inc., Somerville, for electrical repairs to building and structures Contract A, during the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$26,575.

The above contract is for an as-needed basis. Because of the limitations of the budget allowed, and because the demand for the contracted services has been much higher than anticipated, the money allotted will have to be increased before completion of the scheduled and necessary repairs are made. Therefore, your approval is requested to amend this contract to provide funds for needed repairs. Payment for work performed will be at the original contract unit prices.

The cost of this amendment which is effective on May 15, 1988, shall not exceed \$10,000, a sum which I have determined to be reasonable. The contract as amended shall not exceed \$36,575, to be charged to 011-300-0301-0260-PK03

Because time is a critical factor, and because the contractor has performed satisfactorily, it is my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

Very truly yours,

William B. Coughlin,  
Commissioner.

### PUBLIC FACILITIES DEPARTMENT

#### Moving and Storage Services

Dear Mayor Flynn:

Under delegation from the Public Facilities Commission to the director of the Public Facilities Department, dated November 19, 1987, I respectfully request your Honor's written permission to dispense with public advertising and amend a contract approved by your Honor on September 28, 1987, to James Larkin, Inc., providing moving and storage services during the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$25,000.

Your approval is requested to amend this contract to provide for continuation of services. This amendment has been initiated to cover the cost of moving the Mayor's Office of Jobs and Community Services from 15 Beacon Street, to 43 Hawkins Street, and to move the Rehabilitation and Housing Services Division from 26 West Street, to 15 Beacon Street. The cost of this amendment shall not exceed \$5,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$30,000. The period of performance, as amended, shall remain the same.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,  
Director.

## TREASURY DEPARTMENT

### Personnel and Budget Assistance

Dear Mr. Mayor:

On or about July 1, 1987, your Honor approved award of a contract, without public advertising, to Daidra Gorham, an individual located at Dorchester, for professional services as personnel and budget operations assistant for the Treasury Department.

Your approval is requested to amend this contract to provide for an increase in weekly compensation which is not provided for in the terms of the original contract. Ms. Gorham will be undertaking substantial new responsibilities as the payment coordinator of the City of Boston \$50 million Master Installation Sales Program. These responsibilities will be in addition to her current service as coordinator of Contractual Services Personnel. In recognition of her increased responsibilities, Ms. Gorham will continue to work full time at the new rate of \$520.84 per week. The total amount of this amendment, which is effective on April 18, 1988, shall not exceed \$1,500, which I have determined to be reasonable. The contract as amended shall not exceed \$20,220.

The period of performance shall remain July 1, 1987, through June 30, 1988.

Respectfully yours,

George E. Mahoney,  
Acting Collector-Treasurer.

**Proposal for Purchase of Custodial Supplies for  
Boston School Department.**

The School Committee of the City of Boston invites bids for purchase of custodial supplies for Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Purchase of Custodial Supplies. Bid Date: Thursday, July 21, 1988." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Thursday, July 21, 1988. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

**GENERAL BIDS** will be received before twelve o'clock noon on Thursday, July 14, 1988, at which time and place respective bids will be opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the

specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise and the general contractor within five (5) days after the award of the contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**Proposal for Capital Improvement Project No. 21, Highway Reconstruction in Bowdoin Avenue, Cedar Place, Devon Street, Eldon Street, Mt. Bowdoin Terrace, Norwell Street, Richfield Street, and Trull Street in Dorchester.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 27, 1988.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 14, 1988, at Room 714, at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a fee of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically

to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

**NOTICE**

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

**ATTENTION TO ALL BIDDERS**

**I. Minority Business Requirements**

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with the bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, at 43

Hawkins Street, Boston, MA 02114, telephone number 723-1400, Ext. 277. IF A CONTRACTOR WISHES TO USE A MINORITY BUSINESS THAT IS NOT LISTED IN THE DIRECTORY, HE MUST CONTACT THE MINORITY BUSINESS OFFICE TO OBTAIN AN IDENTIFICATION STATEMENT, COMPLETE THE STATEMENT, AND SUBMIT THE STATEMENT WITH HIS BID. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

**PREBID CONFERENCE**

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on July 12, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it be for the best interest of the city so to do.

**PUBLIC FACILITIES DEPARTMENT**

**NOTICE TO CONTRACTORS**

**Invitation for General Bids for Installation of Computer Flooring at Boston Fire Department Headquarters, Project No. 5275, C. 30 Projects.**

The City of Boston, acting by its Director of the Public Facilities Department, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for "Installation of Computer Flooring at Boston Fire Department Headquarters."

Bids will be received up until twelve o'clock noon, Boston time, July 13, 1988, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check, treasurer's check or cashier's check made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing proposals and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

PLANS AND SPECIFICATIONS will be available on or about June 27, 1988, at the Public Facilities Department to all interested parties who present a \$25 certified check payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids or any items of a bid, if it be in the public interest to do so.

# "WORKS SMARTER" CITY EMPLOYEES IDEAS

Under Boston's Works Smarter program city workers are paying a lot of attention to their jobs. The program, initiated by Mayor Raymond L. Flynn last fall, invites city employees to propose ideas on how to improve their work environment and delivery of services to the public.

Under the Works Smarter second-round campaign, twelve more city employees have been honored by Mayor Flynn for their common sense ideas on improving government operations, employee morale and the delivery of basic city services.

Mayor Flynn presented the winners with plaques and personally thanked them for their concern and motivation to improve government operations at an awards ceremony held in the Mayor's office.

"The Works Smarter program is a bottom-up approach to managing city government which gives workers the chance to find and implement creative ways to improve city services," Mayor Flynn said. "It helps improve communication between employees and provides a process by which motivated city workers can be recognized for their efforts."

The city will solicit a third round of ideas next fall with winners being announced in January, 1989. The first and second rounds have brought a total of 104 suggestions from thirty-one city departments.

"In addition to employee recognition, the program serves as a vehicle for the administration to identify and resolve many small but important job-related improvement issues," said Robert Ciolek, director of the Office of Budget and Program Evaluation, which oversees the program.

## Second Round Works Smarter Winning Ideas

Robert McDonnell, buyer, Purchasing Department. His suggestion was to do an awareness campaign encouraging employees to use the stairs instead of elevators, when only going up one, or down two flights of stairs, to improve employees' health, reduce time spent waiting for elevators and to speed up elevator arrival time for employees who need to go more than two floors.

Peter J. Bachry, director of the Senior Shuttle, Elderly Commission. His suggestion was to install automatic cut-off water faucets in City Hall bathrooms and turning hot water temperatures down to warm to save on water and fuel cost.

Linda Percy, administrative manager, Mayor's Office. Her suggestion

was to develop and implement the use of a new service order payment form that can also be used for partial payments to eliminate the need to type a separate partial payment form.

Paul Hughes, emergency medical technician, Department of Health and Hospitals. His suggestion was to install Kiddie Litter child restraint devices in each of the city's twenty-two active ambulances to improve the transportation of small children and infants.

Barbara Wicker, branch librarian, Hyde Park Library. Her suggestion was to purchase and make available a new typewriter for the public's use to improve the service to the library's patrons.

Rockymarie Weaver, head librarian, Boston Public Library, Children's Division. Her suggestion was to purchase a computer book catalog system for kids to help them find books they like to read and to help them become familiar with computers.

Tom Kadzis, principal administrative assistant, Parking Clerk Division, and Bill Murray, superintendent of custodians, Real Property Department. Their suggestion was to clean out the tunnel storage area under City Hall to create more storage space and improve safety and sanitary conditions.

Kevin J. Potts, *City Record* acting managing editor, Office of Contract Management. His suggestion was to buy a display rack for the *City Record* to make it easier for employees and the public to gather and examine information from the *Record*.

Ronald Tibets, park superintendent, and Nurses Yerssayan, welder, Parks and Recreation Department. Their suggestion was to develop a sand sifter-like rake to filter out glass and other debris from sand plots in the city's parks.

Dianne E. Taylor, assistant corporation counsel, Law Department. Her

suggestion was to compile a practical directory to the City Charter to make it easier for city workers and the public to understand the depth and range of governmental powers and responsibilities.

## NEIGHBORHOOD TRANSIT SERVICE WORKSHOPS

In an effort to give residents greater voice in public transportation service planning decisions, the Boston Transportation Department will sponsor workshops in twelve neighborhoods during June and July. The workshops will focus on day-to-day experiences with local transit bus routes, service reliability, station maintenance, and the like. After developing a series of short- and long-term recommendations for service improvements, the city will work closely with the MBTA to develop transit agenda for Boston's neighborhoods.

"Many Boston residents depend on public transportation every day of the week — for access to jobs, school, family, and friends," said Mayor Raymond L. Flynn. "The City of Boston pays more than \$40 million each year for MBTA service, and we have a responsibility to ensure that our residents receive the best possible service for that investment."

The Transportation Department will run workshops in twelve pilot neighborhoods: Allston-Brighton, Charlestown, Dorchester, Hyde Park, Jamaica Plain, Mattapan, Mission Hill, North End, Roslindale, Roxbury, South End, South Station, and West Roxbury. Meetings are scheduled for evenings during June and July.

The workshops will not cover major MBTA capital improvement projects like the Arborway Line or Orange Line Replacement Service. These projects already have community participation programs in place.

"A number of neighborhoods receive excellent transit service," said Transportation Commissioner Richard A. Dimino. "Yet residents frequently forward comments, complaints, and suggestions about transit service to the Transportation Department. These workshops will allow us to work with neighborhood residents

to identify specific problems and to make appropriate recommendations or MBTA service improvements."

## FREEDOM MEMORIAL GROUNDBREAKING

Boston Mayor Raymond L. Flynn recently joined members of the Freedom Memorial Committee and other representatives of Boston's Jewish community at the groundbreaking of the Freedom Memorial, a memorial to the victims and witnesses of the Holocaust. The groundbreaking was held at Adams Park on Congress Street, Boston, the site of the James Michael Curley statues.

Joining Mayor Flynn at the groundbreaking was Steve Ross of the Freedom Memorial Committee, a social worker from the Boston Community Schools and Recreation Centers, who was liberated from a Nazi concentration camp in 1945.

The design of the Freedom Memorial will be selected from among those entered in a city-wide design competition to be held later this year.

Contractors planning to submit bids should plan to attend a prebid meeting specifying the extent of the renovations. The prebid meeting is scheduled as follows: North End Union, Inc., 20 Parmenter Street, Boston, MA 02113, July 13, 1988, at 10 a.m.

PLANS AND SPECIFICATIONS will be available on July 6, 1988, at North End Union, Inc. 20 Parmenter Street, Boston, Mass., through Robert O'Brien at 227-2927.

The attention of all bidders is specifically directed to the fact that this is a federally assisted project and, therefore, not less than the minimum

salaries and wages set forth in the contract documents must be paid to each worker on the project (Davis Bacon), and that the contractor must ensure that employees and applicants are not discriminated against because of race, color, religion, sex, or national origin (Executive Order No. 11246). Attention is also called to the contractor requirements relating to Workmen's Compensation, and insurance requirements of the successful general contractor and subcontractor for the project shall be set forth, in the Supplementary and Special Conditions of the contract documents.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent (or 30 percent if in the impact area, see contract documents) of his price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provisions of the contract documents requiring that at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women in each trade.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

**Request for Proposals for the Provision and Operation of a Parking Violation/Parking Management Information Services System (PVPMISS).**

The City of Boston (City), acting by and through its Transportation Department, Office of the Parking Clerk, invites proposals for the provision and operation of a PARKING VIOLATION/PARKING MANAGEMENT INFORMATION SERVICES SYSTEM (PVPMISS). Request for proposals containing system requirements, selection procedures and other pertinent information will be available at the Boston Transportation Department/Office of the Parking Clerk, Room 224, City Hall, Boston, MA 02201, on or after Wednesday, July 6, 1988.

A bidders conference will be held on Wednesday, July 27, 1988, at 10 A.M., Boston time, in Room 900 (the Boston Redevelopment Authority Board Room) Boston City Hall, ninth floor. ATTENDANCE AT THE BIDDERS CONFERENCE IS MANDATORY FOR ALL PROSPECTIVE BIDDERS. FAILURE OF A VENDOR TO APPEAR AT THE BIDDERS CONFERENCE WILL DISQUALIFY THE VENDOR FROM SUBMITTING A BID.

Envelopes containing proposals must be sealed and clearly marked in large letters "PROPOSALS FOR PARKING VIOLATIONS/PARKING MANAGEMENT INFORMATION SERVICES SYSTEM (PVPMISS)." Signed proposals must be submitted in triplicate. Two (2) copies, accompanied by a bid deposit in the amount of ten thousand dollars (\$10,000), must be received at the Office of the Parking Clerk, Room 224, City Hall, Boston, MA 02201, on or before 12 noon, Boston time, on Friday, September 23, 1988. The bid deposit may be either a certified check drawn on, or a treasurer's or cashier's check issued by, a responsible bank or trust company and made payable to the City of Boston, or a bid bond issued by a surety company qualified to do business in the Commonwealth and satisfactory in form to the Parking Clerk. The third copy, also signed but without bid deposit, must be filed with the City Auditor, Room M4, City Hall, Boston, MA 02201, on or before 12 noon, Boston time, on Friday, September 23, 1988.

Proposals will be evaluated according to the selection criteria described in the Request for Proposals.

No proposal may be withdrawn after the time limit for filing proposals and for thirty (30) days (Saturdays, Sundays and legal holidays excluded) from the opening of the proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful proposer will be required to provide security to guarantee the faithful performance of the contract in a form and amount as set forth in the Request for Proposals.

The Parking Clerk reserves the right to reject any or all proposals or any part or parts thereof and to accept the proposal which he deems to be in the best interests of the City of Boston.

Any inquiries regarding information contained in this Request for Proposal should be directed to: City of Boston, Transportation Department, Office

of the Parking Clerk, Richard A. Dimino, Commissioner/Parking Clerk, Boston Transportation Department, Room 224, Boston City Hall, Boston, MA 02201.
